Engineers Give Report On Street Widening

The Editor's column

By S. R. PADDOCK

It appears that Wheeling and Elk Grove townships are to get a $300,000 slice of the 1955 road pie. Residents along Euclid ave., between the racetrack and Northwest hwy. will no longer have to take to the ditch if they want to enter their own premises.

We understand Chief Skoog has promised the highway department that during the race season at least one lane will be left open for local traffic.

As far as we can learn, the long neglected and almost forgotten extension of Tri-State from Higgins road to the County Line, is not yet included in the $245 million proposed bond issue.

We think it is about time that Mt. Prospect rise up and make themselves heard about that detour of route 83.

•

Is Schaumburg township to fall to an invading army? Until now it is the only township in Northwest Cook county that has been free from large subdivision projects.

Cook County zoning board has been asked to give its approval to possible 3,000 homesites near the center area of that township.

We can understand why some of the remaining farmers are worried. That huge project will boost assessed values for Schaumburg township and increase school taxes.

•

Fred Jasper, who was host Thursday evening to the Breakfast Club at the Lodge in Crystal Lake, added an extra touch to the evening by including among his guests some of the Barber Shop singers.

They received many encores from other guests at the Lodge and were ready to sing at the drop of a pin. They were so gracious that they left sizzling steaks to the cry of "more, more" that frequently came from various tables.

Barney Erickson explained it this way. "Our Barber Shop boys appreciate appreciation, and the greater the evidence of appreciation, the more they will oblige."

By the way, have you ever watched Barney rise and fall in accordance with the crescendo of the music? He is a true artist. What is he doing in a real estate office, anyway?

Arlington Heights Community Chest is only taking a breathing spell this year. It has upwards of $1,700 which is being held until it again becomes a potent force in support of local fund raising agencies. Until that time, the money will be held intact, except for a possible emergency.

We do not know how many non-Catholics attended the open house of Our Lady of the Wayside school last Sunday, but the eyes of those who have not previously inspected that building opened wide. The school has many construction features that are seldom found in public schools of its size.

Rev. O'Hara and his parish are to be congratulated upon their accomplishments.

•

Arlington Heights high school board of education is not shutting its eyes to the inevitable enrollment growth of that institution. In preparation for some time in the future, they held a conference recently with Kimball Hill relative to a site for a high school building.

Hill did not offer to give them the land and build the building, but he did offer to sell a tract of land at cost.

A committee intends to also visit the Herzog organization which recently announced that it intended to change the village of Wheeling into a thriving metropolis inside of the next five years.

There is still plenty of time for the filing of nomination petitions in Arlington Heights and Palatine, but this editor has not been "let in" on any of the secrets of Arlington slatemakers and the field is wide open.

In Palatine the retiring members waited so long before arriving at a decision, that petitions are being circulated for an entire new group of candidates. And there is a woman amongst them, which is something we have been advocating in all our villages.

If a woman joins the Palatine council, it will be really interesting to see to what extent the male members of the city will pay deference to a woman's point of view.

In response to request for the name of any Arlington Heights gold star serviceman omitted in the list published last week in Way Back When, we have received a letter from Ohio which states that Lt. Elvin Anderson, a member of the graduating class of 1939, lost his life in a plane crash in Germany.

The names of Palatine veterans who lost their lives appear this week. If no corrections are received we will consider it authentic.

With the assistance of volunteer typists supplied by Arlington VFW Post our files will be examined in an effort to secure the names of all those who served in the World War II from that community.

Include Ornamental Lights For Entire Business District

Engineers made a preliminary report to the Arlington Heights village board Tuesday night on the proposed street widening and ornamental lighting in the business district.

Incomplete cost estimates amounted to a total of $668,665, which included special assessment costs. However, ornamental lighting along Northwest hwy., from Foundry rd. to Euclid, and along State rd. from South street to Euclid, was not included in the figure. Widening of Vail, between Campbell and the highway was also not included.

The estimate included paving of 7,275 feet of street in the business area. Included was: Highland ave., from Campbell, south to Sigwalt; Vail, from Campbell, south to Sigwalt, and from the highway, north to Eastman st.; Dunton, from Northwest hwy. to Euclid; Evergreen from Sigwalt st. north to Eastman; Sigwalt from State rd. to Highland; Miner and Eastman streets, both from State rd. to Northwest hwy.

* * *

COST OF ornamental lighting of this entire area was included in the estimate. All east and west streets would be widened to 48 feet if the program is approved. Other streets would vary between 38 and 48 feet. The village engineer estimates that the capacity of the streets could be doubled by this widening project.

Property owners on streets being widened would bear the brunt of the widening costs, but gas tax funds would be used to pay a portion of the ornamental lighting. This same procedure was used on the widening of Dunton st. and is being used on the widening of Campbell, which will be started this spring.

* * *

DETAILS OF the widening will be discussed further with the businessmen at a special meeting February 23. This is the same night the businessmen will meet with the board to discuss the increase cost in business licenses.

Village Attorney Hugo J. Thal was asked to look into the possibility of having another census taken in Arlington Heights. It is believed the population has increased substantially since the last one was taken in 1953 to warrant approximately $15,000 more a year in gas tax revenue, which would be a definite asset in the proposed widening program.

Airline Pilot Gets $10,000 For Heroism

United Air lines has awarded a Mount Prospect co-pilot $10,000 tax free as a bonus for his part in the almost miraculous saving of 39 persons aboard a Convair plane January 19.

The co-pilot is Thomas D. Boyle, 401 S. See Gwun st., Mount Prospect.

The airlines paid the income tax on the bonuses.

* * *

A TOTAL of $22,500 was awarded to the pilot, co-pilot, and stewardess of the plane that made an emergency landing near Dexter, Ia., 20 minutes after leaving Des Moines airport.

Soon after take-off, the crew found that almost all elevator control was lost.

Inquiry after the accident disclosed a nut had come loose in part of the elevator control linkage and both the trim tab and main elevator systems virtually were inoperative.

First the plane nosed up and almost stalled. Then it fell into a steep dive.

* * *

ACCORDING TO civil aeronautics administration investigators, the crew was unable to check the dive but managed to turn the direction of the high speed descent and juggle power so the 48,000 pound plane gradually came back to level position just above the ground.

It struck the ground and bounced three times before coming to a stop, still in one piece and with no one injured.

The pilots said the crash demonstrated the structural soundness and inherent stability of the plane.

Style Show At Hagenbrings Monday

A new type of style show will be presented next Monday, at 2 p. m., at Hagenbring's store, Arlington Heights. Latest fashions for spring and summer 1955 will be shown, all made up of Bates disciplined cotton.

Various styles, including play clothes, formals and children's clothes will be featured. They will be fashioned from Simplicity, Vogue, McCall and Advance patterns.

Richard Johnstone, representative for Bates company in this area, will narrate the show. All fabrics shown will be available locally in various color combinations.

Students at Arlington Heights high school will see the style show Monday morning at the school.

Newcomers To Sponsor Valentine Dance At Arlington Country Club

Newcomers' club of Arlington Heights will sponsor a Valentine dance Friday, Feb. 11 at Arlington County club to which the public is invited. Music will be furnished by the "Captivators" and dancing will begin at 9 p.m.

Tickets, which are $3 per couple, may be purchased at the door the night of the dance or by calling Mrs. A. J. Baugous at Clearbrook 3-8027, announces Mrs. Paul E. George, chairman.

The newcomers luncheon will be held February 9 at Paul Peterson's supper club at 12:45 p.m. Reservations may be made by calling Mrs. Robert Nicol at CLearbrook 3-8868 before noon February 8.

Three To Retire From High School Board

The announcement that three members of the Arlington Heights township high school board of education do not intend to seek re-election has pointed up the fact that there will be three vacancies on that board this year.

Those retiring are Elmer F. Laurin of Arlington Heights, Arthur Skelton of Mount Prospect, and Arnold Garlisch of Elk Grove. Mr. Laurin, who has been president since July, 1945, was first elected in 1939 and is now completing his 16th year of service to the community. Mr. Skelton has served continuously on the board since April, 1946, and Mr. Garlisch was first elected to fill an unexpired term in 1953.

Two men have thus far indicated their intention of filing nominating petitions: Dr. Joseph E. Brant of Arlington Heights and William Hartman of Mount Prospect, both of whom have been active in recent months on the Citizens' Lay committee to study the enrollment and building requirements of the high school. Dr. Brant, who has been active in civic affairs in Arlington Heights and is now serving on the village planning commission, was chairman of the special sub-committee on the utilization of the Foundry road site, and Hartman was vice-chairman of the Citizens' Lay Advisory committee itself.

The election date which is set by law will be Saturday, April 9. Nominating petitions must be filed by March 19 and may be filed as early as February 23.

Nominating Committee To Name Candidates For Grade School Board

The 1955 committee for the nomination of candidates for the school board of district 25, Arlington Heights, will hold its third and final meeting Monday, Feb. 7, in the junior high school gymnasium.

In discussion, the work of the committee, G. W. Sullivan, 415 Windsor drive, chairman said, "there have been 10 outstanding citizens of the district proposed for members of the board. The committee must now select three of these who will then become our nominees. A sub-committee is now preparing a statement of the qualifications of each of the proposed candidates."

The committee consists of representatives of each of the five parent-teacher organizations and of 12 civic and community organizations.

Public Schools' Band To Give Concert Friday

The instrumental music department of Arlington Heights public schools will present a band concert Friday, at 8 p.m. in the junior high school gymnasium.

This is the second concert of the present school year. The band is under the direction of Harold Brunt and it has 96 members from the fourth through the eighth grade.

In addition to the selections by the band there will be multiple solos by the following: trumpet-cornet section; flute section; and, the tuba section. Also an oboe solo by Nancy Ervo and bassoon solo by Wayne Thompson.

Admission will be 50 cents for adults and 25 cents for children. Proceeds from the program will be used toward the purchase of additional instruments.

Mail Schedule

Effective February 7, 1955, the late mail collection in the Arlington Heights business district will be made at 7:30 p.m. This is one half hour earlier than the present schedule.

Water Softening Plant Plans Authorized

Arlington Heights village board authorized Village Attorney Hugo J. Thal Tuesday night to prepare an ordinance calling for water supply softening and improvements in Arlington Heights. They also authorized village engineers to draw up plans and specifications for the improvement.

The state statute does not provide for the village to call a referendum on this project, but after the passage of the ordinance residents can petition for a referendum. The petition must be signed by 15% of the Arlington Heights residents who voted in the last presidential election.

* * *

THIS ACTION was taken following a detailed report by the water committee, which had studied the water softening and improvements report prepared by the engineers. The report substantiated the original conclusion of the committee that the village could construct, maintain, operate and pay for a softening system on the existing water rate structure without any additional cost to the taxpayer.

At present water hardness in Arlington Heights is about 16 grains with an objectionable amount of iron. The proposed softening system would reduce the grains from 16 to 5 and remove the iron. This degree of softness would eliminate the need for most household softening (Lake Michigan water is 8 grain), unless zero softness is desired, in which case the household type unit would be used. This, of course, would require considerably less charging. In either case there would be a substantial annual savings to the householder.

* * *

COST OF the two softening plants required to service the village, which would have a combined capacity of six million gallons a day, would be approximately $415,000 and the necessary well and system improvements and extensions an additional $150,000, or a total estimated cost of $565,000.

To Make Offer For Off-Street Parking Lots

A resolution was passed at the Arlington Heights village board meeting Tuesday night which authorizes the village to negotiate with property owners on Dunton and Vail for the purchase of property for off-street parking.

The action was taken following a discussion with a representative of John Nuveen & Co., a bonding house, which assured the village money would be available for the purchase of the property. Land being considered is between Campbell and Sigwalt, three lots on Dunton ave. and four lots on Vail.

* * *

A REPORT was received from the planning commission giving its approval of the proposed location of the off-street parking area.

Informal bids on the printing of the new village code of ordinances were received and the job was awarded to Paddock Publications, which was the low bidder.

A letter was received from the Scarsdale Property Owners' Assn., stating they favored the proposed annexation of 80 acres of land lying directly southeast of the subdivision.

An application for a packaged liquor store license was received but was returned to the applicant because no license is available at this time. A village ordinance limits the number of liquor stores and taverns which can operate in town.

* * *

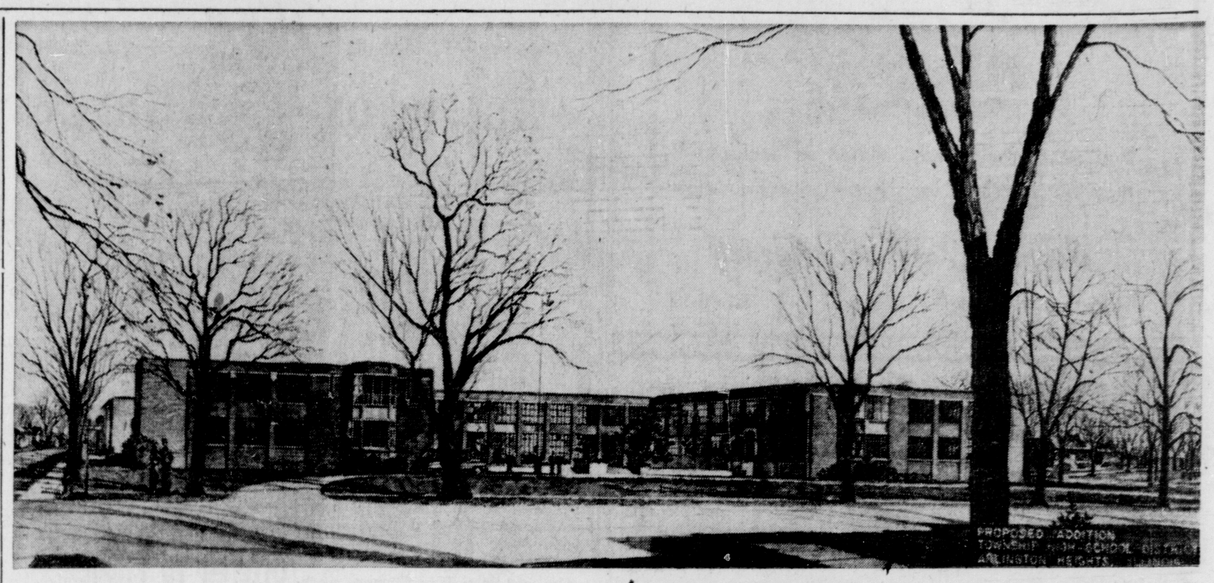

PARK-O-METER CO. has offered to exchange the 100 "hooded" nickel meters with new meter heads and mechanisms complete, including freight cost, without any charge to the village, instead of endeavoring to replace a small spring in the existing mechanism and enlarge the nickel slot opening to take quarters.

Meters to be changed are along State rd. and some sections of Miner st. The change will allow 10 hour on-street parking in those areas for commuters. Delivery of the new heads will be made in 10 days.

First Robin

The first robin of 1955 was reported seen in Palatine by Mrs. Howard Brown of N. Schiller st. She said she first saw the robin February 27 when it appeared on her patio to eat with the other birds.

"It seems to have found a little niche on the patio, as he's been around every day since," reported Mrs. Brown.

The above perspective drawing of the two-story addition to the present Arlington Heights high school looks north from Euclid st. In the center is a new library with a seating capacity of approximately 230, replacing the present library in the basement of the old building with a capacity of only 105, which will be used as a study hall. The two wings projecting toward Euclid st. are essentially academic although they will also house office space replacing that being lost in the remodeling and gathered from various locations in the old building. Administration of the system, when the second building proposed on Foundry road is opened, would be from this building. Floor plans and details will be shown next week.

Is Society to Blame?

by CHARLES HAYES

What will happen to Adam Ramos?

A Palatine merchant and a Palatine township farm couple are searching for the answer to that question.

Adam Ramos is the 17-year-old migratory worker who was arrested last week for stealing five automobiles.

He had taken the cars, all owned by residents of Arlington Heights who left their keys in the ignition, and gone "joy riding" before abandoning them.

Ordinarily, Adam Ramos would be shrugged off as another "Mexican delinquent" and left to the discretion of a disinterested court.

Probably Adam Ramos will be sent to jail.

But there's more to this story than five car thefts, and Paddock Publications sought to uncover that story this week by talking to the three people who have the strongest opinions about Adam Ramos.

Two of these persons have faith in the boy.

The third, while expressing his regret, is firm in a belief that jail is the only way to handle him.

The story of Adam Ramos is not a pretty one.

Most residents of Arlington Heights and Palatine, securely identified with traditional middle class standards, find it hard to judge him by standards other than their own.

They compare Adam Ramos with local children.

This is like comparing real estate values in Bronzeville and Scarsdale.

Although a citizen of the United States, he has been treated like an undesirable alien because of his Mexican heritage.

His mother is dead.

His father lives in El Dorado, Texas, and has little contact with his son, who considers his father "mean."

Adam Ramos hasn't had much schooling.

Robbed of decent family environment, he's been left to shift for himself by drifting across the country as a migratory farm worker, seeking temporary employment wherever he can.

Last year he worked in Ohio.

In June, he came to Palatine with an uncle and four other Mexican-Americans.

They began picking tomatoes on a farm near Palatine, and it was there that Adam Ramos encountered two people who seemed to care whether or not he became a useful citizen.

When the tomatoes were picked, he asked permission to stay, helping the farmer and his wife with work.

"We found him willing and trustworthy," they report. "In the eight months we knew him, we found him a hard worker and gave him free reign of the farm."

At every opportunity, he attended church in Palatine.

In the fall, Adam Ramos, who wants more than anything else to be an auto mechanic, needed additional work since farm jobs were nearly completed.

Hoping to encourage the youth's interest in mechanics, the farmer tried to get him a job washing cars, but the garage owner declared he didn't want the boy around his daughters.

The famer, expressing concern this week over the youth's future, said prison would develop him into a real threat to society.

"Why not let him join the army, where he'll learn some self discipline, receive training for a trade, and serve his country in a useful manner," he suggested.

A Palatine businessman, who used Adam Ramos on several occasions as an errand boy, is skeptical, however.

He said he wasn't surprised at the arrest, and had told the boy several weeks before the thefts that he was "shifty, irresponsible, and a liar."

Two factors assured this merchant that Adam Ramos was then headed for trouble.

"He was too 'nice' around adults. I can well imagine how he cut up with Mexicans his own age."

"He had a strange attitude toward girls. There are two ways to look at women, and he looked at them the wrong way."

Arlington Heights and Palatine parents, aware of the community attitude toward migratory workers and the tense relationship developed because of it, refuse to let their daughters associate with boys like Adam Ramos.

He came face to face with this attitude when he was attacked by a group of high school students in the washroom of the Arlington theater.

The businessman who said he tried to help Adam Ramos admitted that he had been "dissatisfied" with the part-time work because the boy was not dependable and told on one occasion of getting into trouble with other Mexican youngsters.

Since the boy refused money for the errands he performed, the merchant paid him in clothing and food.

Adam Ramos was never left alone in the store.

When the youth got a job in Arlington Heights as pinsetter, the merchant phoned the owner of the bowling lanes and warned him that he should keep his daughter away from Adam.

In Libertyville Thursday, five youths were taken to court, charged with $8,600 damage to the high school gym in a spree of vandalism.

The judge gave probation to all five.

They are from "good" homes.

Adam Ramos went joy-riding in five automobiles.

For this, he may be sent to prison.

He has no home.

A farm couple feels that Adam Ramos can still be made a useful citizen.

A businessman says he can't.

Judge William Neumann on Feb. 23 decides which it will be.

Vote February 26 on High School Addition

A referendum will be held February 26, to obtain voters' approval for construction of a two-wing, two-story addition to the present Arlington Heights township high school on Euclid st.

Also to be voted upon will be approval for an increase in the maximum educational fund tax levy from 75 to 96 cents per hundred dollars of assessed valuation and an increase in the maximum building fund levy from 10 to 18¾ cents, the board of education announced.

All propositions have been recommended by the Citizens Lay Advisory committee and are expected to have the full support of its members at the polls and in their respective communities. Study and discussion leading to these recommendations have been previously reported here and will be the subject of a full report to be mailed to all residents of the district in the near future.

* * *

THE ADDITION to the present building is designed to increase the maximum student capacity by 1,000 from its present 1,500 to 2,500 and will be ready for occupancy by September 1956. It is expected to cost $1,250,000 including new construction, major repairs to the older parts of existing structure, relocation of the front drive and walks, and all necessary fees.

There will be 84,000 square feet in the new building with an estimated construction cost of $11.33 per sq. ft. The net increase in space after removal of 11 classroom equivalents from the old building will be 33 classrooms or their equivalents in addition to a new library, girls physical education room and a multi-purpose room. Removal of part of the old building is necessary in part because of its condition and in part because it is only one story and cannot be built on. The new library, girls' physical education space and multi-purpose room are necssitated by the decision to carry the maximum capacity of the overall plant to 2,500 instead of 2,000 as originally planned.

The exterior design will conform to the overall appearance of existing portions of the school. In charge of the design and supervision of construction will be the architectural firm of Nicol and Nicol, builders of high schools in Blue Island, Evergreen Park, Elmwood Park, and Bremen township, an addition to the Palatine township high school, and the Stuart Paddock elementary school in Palatine. In recent years Charles Nicol, the head of the firm, has become a recognized authority in this area on economical and efficient school building design and construction.

* * *

THE NEED for expansion of high school facilities in this district has become increasingly obvious in recent months. An announcement of double shifts for next fall was made by the board of education two weeks ago and plans are presented in detail elsewhere in this issue.

In studying enrollment trends, the Citizens Lay Advisory committee found that there will be approximately 2,000 students in the present building, which has a capacity of 1,500 by the spring of 1956, 2,635 by 1957, 3,284 by 1958, and 4,179 by 1959. On this basis the committee recommended an immediate addition to the present building on Euclid st. to be followed by the construction of a second building on the site now owned by the school on Foundry rd., north of Mount Prospect. A vote on this second step is expected later this year.

Need for additional operating funds, both educational and building, logically follows the increase in enrollment and is necessitated by demands for more teachers, supplies, transportation and the like. It is also expected that increases in the maximum tax rates for educational and building funds will enable the board to purchase much of the equipment for the addition on a cash basis without the necessity of paying interest on bonds and using up the district's limited bonding power.

* * *

THERE HAS been no increase in the maximum rates for the high school, despite rapid growth in enrollment, since 1946. Actual tax rates which are set each year by the board of education, may be, and frequently are, below the maximum set by the voters.

Next week's edition of this newspaper will contain further drawings and details of the addition itself and cost analyses including the projected effect upon the taxes of individual homes. A general, public meeting with the architect, Mr. Nicol, as the principal speaker is planned for Wednesday evening, Feb. 16, in the high school. A joint committee of the board and the Citizens Lay Advisory committee is also preparing a summary of all facts which will be mailed to the voters prior to the referendum.

Mothers' March Nets $5,028 In Arlington

Despite the severely cold weather last Thursday night the annual Mothers' March on Polio in Arlington Heights proceeded exactly as planned. The workers — more than 200 strong — fulfilled their assignments and turned in their collections. Total funds collected in this one night campaign were $5,028.02.

* * *

MRS. W. G. INMAN, chairman of the Mothers' March, says the success of the drive was due to the help of all who participated, and she extends her thanks and that of general chairman, Mrs. James Webster to:

"Mr. and Mrs. Carl Weinrich, who helped with the counting of the money and stayed on duty at the village hall until the job was done; to the police who helped guard the funds; to the village president, Albert W. Goedke, for proclaiming the annual night of the Mothers' March; to Fred Walters, who took charge of the handbills and to the schools for distributing them; to Ty Nagle and Clifford Schapanski for their help in publicizing the March;

* * *

"TO PADDOCK Publications for for their fine cooperation; to all the captains and workers; to the fathers who also helped, and to the planning committee, Mrs. H. Lee Watson, Mrs. Russell Walters, Mrs. Jack Baker, Mrs. Stanley Fletcher, Mrs. James Murphy, Mrs. Melvin Kurtz, Mrs. Dennis Malcolmson, and Mrs. Clarence Hendrickson, president of the Arlington Heights Woman's club, sponsors of the month-long drive."

Village fire siren, which was sounded at 7 p.m. to announce the start of the March, helped remind householders to put their porchlights on and welcome their neighbor who was soliciting for the National Foundation for Infantile Paralysis.

Model Railroaders

Three of our neighbors, Richard Sorenson, Richard Faitz, and Vernon Jensen are taking an active part in the organization of the new model railroad club for this area. Meetings will be held Wednesdays at 7:30 p.m. at the Eimco plant, Rte. 53, south of the Chicago and North Western railroad tracks, Palatine, until further notice. All enthusiasts are invited to attend.

Birthdays

January 30 was Christy Sheets sixth birthday. Games, ice cream and cake shared with thirteen school and neighborhood friends was the ideal way to celebrate.

Ronnie Duch will celebrate his twelfth birthday February 6. Ronnie is hoping his father will be home from his out of town trip to help him celebrate.

Mr. and Mrs. M. J. Gaare celebrated his birthday, January 29 with an evening out. All wives will agree this is the nicest way to celebrate a husband's birthday.

Visitors

Mr. and Mrs. D. K. Williams entertained old friends from Davenport, Ia., last week. Mr. and Mrs. Orin Bennett and their children, Karen and John, were house guests for several days. Karen and John visited Ridge school while here.

Mr. and Mrs. Derek R. Barton had the pleasure of a ten day visit from his mother, Mrs. D. H. Glass. Mrs. Glass's home is in Kosciusko, Miss.

Newcomers

Mr. and Mrs. F. J. Lalor recently moved to 828 N. Ridge ave. The Lalors' last home was in Omaha, Neb. Their children are Bernard, a freshman in high school; Julia and John, students at St. James school; and last but not least is Margaret, 4½ years old.

Mr. and Mrs. Charles Vlceks' new home is at 832 N. Salem st. Mrs. Vlcek is enjoying the novelty of the lack of traffic on a dead end street. The Vlceks moved from a busy section of Cicero. Charles, 9 years old, and just recovering from the chicken pox; and his brother, Bobby, born last September, complete the family.

Square Dance

The Arlington Greens community association will sponsor a square dance February 19 at Zur-Alten-Heimat, also known as Fred's Place, located on Rand rd., ½ mile east of route 83. Tickets are $1 per person. Caller for the evening will be Alvin Weitzel.

Paul Hembd Jr. celebrated his sixth birthday January 27. Guests were his maternal grandparents, Mr. and Mrs. A. E. Leach; James Raines, Barbara Horner, Barbara Thorsen, Clark Sims, Cathy and Kent McNamara, Kathy Braun, Johnnie, Steve and Debby Heyer, and his sister Pamela.

Patricia Tackes, daughter of Mr. and Mrs. L. F. Tackes, 1149 N. Douglas, celebrated her fifth birthday January 27.

Birthdays Feted

Mr. and Mrs. Ray Thorsen were hosts at a party January 29. Present to enjoy the evening and wish a happy birthday to Mrs. Thorsen, Mrs. Gardner and Junius Zolp were the Ray Raineses, Paul Hembds, Warren Horners, Junius Zolps, Richard Gardners, and the Donald McNamaras.

Paul Brey of Kalamazoo, Mich., was a recent guest at the home of his sister and brother-in-law, Dr. and Mrs. Francis Haddy.

Donna and Linda Pearson were weekend guests at the home of their grandparents, Mr. and Mrs. W. J. McGuire.

Mr. and Mrs. Robert Berger were hosts to Mrs. Berger's father Hugh Lamley of Detroit. Mr. Berger's parents, Mr. and Mrs. Oliver Berger were recent guests at the Berger home, and are now spending three months in Clearwater, Fla.

Christened Sunday

Titus Edward Josetti, son of Mr. and Mrs. Oscar Josetti, was christened Sunday, January 30, at St. James Catholic church. Sponsors were Titus Haffa and Mary Lally. Following the christening, dinner was served at the Josetti home for the sponsors and 30 guests. Present at the dinner were the maternal grandparents, Mr. and Mrs. Peter Lally, and the paternal grandparents, Mr. and Mrs. Arthur Josetti.

Susan Baugous, daughter of Mr. and Mrs. A. J. Baugous, is confined at home with chicken pox.

Mothers Who Marched

Mrs. George Mitchell, captain of the Arlington Greens and surrounding territory, wishes to thank the mothers who participated and the people who donated during the March of Dimes drive. Mothers who marched were the Mesdames John Heyer, Harold Carlson, John Flodin, Carl Anderson, Richard Sims, Karl Goodman, Schmidt, Harry Compton, Paul George, John Funk, John Coward, William Baer, Ray Epsky, Stan Saflarski, Donald Schreiner, Eugene Bludeau, Hartley, Montani, Kamp and Waterman. Total amount collected was $242.33.

Treasure Books Offered To Public

A treasure book worth $40 is being offered to residents of Palatine, Arlington Heights, and Mt. Prospect for $3.95—if they answer their phone.

As a means of building good will and becoming better acquainted with area residents, 14 merchants are offering the coupon book to persons called by phone and agree to receive the book with 23 gift certificates.

More than 800 persons in Palatine alone have purchased the book.

It is being offered to a limited number of residents by Coddon Advertising Co., 16 N. Bothwell st., Palatine. (AMO

Cub Scout pack 37, Arlington Heights, opened its recent meeting with the presentation of the colors by den 1 and an opening prayer by Rev. Luther V. Stephan.

A movie on "Railroad Freight Handling" was shown. Each den displayed its handicraft for the month of January, the subject of which was "Railroading." Last Friday, Mrs. Violet Mueller made arrangements for the pack to visit the roundhouse in Bensenville.

Pack 37 had its first charter review, inspection and roll call at this meeting. The boys had a 95.6 pack rating. The inspection was under the supervision of Raymond Woodruff, Charles Perrin, Raymond Tagtmeier, and Edward Timmerman, assisted by other Cub dads.

Charles Gosch was the second Cub to enter into Boy Scouting from the pack. Cubmaster Ivor Fruehling welcomed Terry Tater into the pack as a Bob Cat.

Awards chairman Marvin Rodewald issued the Bear rank to Jimmy Lambdin and Danny Meyer; Lion award to Donald Sass; silver arrows to Philip Ruhnow (2), Norman Dierkes and Roy Tater; gold arrows to Danny Meyer and Donald Sass; Webelos badge to Charles Gosch.

The Cubs will observe Scout week from February 6 to 12. They will attend St. Peter Lutheran church February 6 at the 10:45 a.m. service in their univorms. They will also wear their uniforms to school during Scout week.

Arrangements are being made for the pack to attend a performance of television's Super Circus, and also for the boys to see baseball games at both Wrigley field and Comiskey park this summer.

Book Review To Feature Meeting Of St. James Mothers

The monthly meeting of the St. James Catholic Mothers club will be held February 10 at 8:15 p.m. in the school hall.

A book review will be presented by Mrs. E. J. Harris, following a brief business meeting. Final arrangements for the Valentine luncheon and card party February 14, sponsored by the Mothers club will be discussed.

Third grade mothers will be the hostesses for the evening and refreshments will be served. (AM

Sidelights Of Arlington Heights

Many college young people are taking advantage of the mid-semester break and visiting away from the campuses before the start of the spring term. Among those returning to Arlington Heights is Mark S. Creviston Jr., son of the Mark S. Crevistons of 717 N. Pine, who is a student at the University of Illinois, Champaign, and who is spending his vacation at his home. Tuesday he was host to his college friend, Frank Falley of Louisville, Ill.

David Williams, son of the T. A. Williamses, spent the weekend at the home of his parents, 910 N. Kennicott. David is a freshman at Coe college, Cedar Rapids, Iowa and is a pledge to Tau Kappa Epsilon fraternity.

From Champaign

William D. Klink, son of the I. Klinks of Schoenbeck rd., and Gordon Iversen, son of the Edwin A. Iversens of Mount Prospect, both of whom are students at the University of Illinois, are enjoying a mid-semester vacation with 10 days in Florida. Greater part of their time will be spent in Miami and they will tour the state before returning to Champaign.

Mid-Semester Activities

Pat Sim, daughter of the Andrew Sims of 531 S. Pine, who is a student at Carleton college, Northfield, Minn., spent the between semester weekend skiing at Mount Telemark, Cable, Wis. Two hundred-and-fifty other Carleton students were also at the ski jump and returned to Northfield Sunday.

Dick Riley, son of the Earl Rileys of 738 S. Mitchell, spent his mid-semester vacation from his sophomore year at Kansas university, Lawrence, Kans. at the home of his parents. He returned to the campus Tuesday.

Home from Bradley

Several students from Bradley university at Peoria are at their homes in Arlington Heights during the mid-semester recess. Among them is Jim Thomson, son of the James Thomsons of 1017 N. Vail, who is in his second year at the university.

Vic Grimm, freshman at Bradley university and son of Mr. and Mrs. Edward Grimm, 113 S. Dunton, also spent a week with his parents, returning to school Wednesday. Both Vic and Jim Thomson are pledges to Lambda Chi Alpha, social fraternity, on the campus.

Also from Peoria

Don Hoth, son of the Ray Hoths of Palatine road, also spent a week with his parents during the mid-semester recess. Don is a freshman at Bradley.

Brian Jacobsen, son of the O. Curtis Jacobsens, 745 S. Vail, who is also a freshman at Bradley, spent the mid-semester vacation at the home of his parents.

University of Illinois

Several students from the University of Illinois at Urbana-Champaign have been spending the 10 days between semesters at the homes of their parents. Among the freshmen home are Lenaye Gable, daughter of the Robert Gables of 532 S. Belmont; Randy Thomas, son of the Perry R. Thomases of 341 Stratford, and Charles Verret, son of the Charles N. Verrets of 107 N. Waverly, Mount Prospect.

Also home from the University of Illinois are Jack Sieburg, son of Mrs. Emil Sieburg, 115 W. Campbell; Marlene Brown, daughter of the James T. Browns of 102 N. Wille, Mount Prospect, and Alise Boyland, daughter of Mrs. Alise P. Boyland of 207 N. Emerson, Mount Prospect, all of whom are freshmen.

To New York

Jim Whitelaw, son of the M. W. Whitelaws of 400 E. Park, a sophomore at the University of Illinois, spent three days of the "between semester" recess at the home of his parents. He left Sunday for New York where he will appear with the university glee club at several engagements, highlighted by their appearance on the "Toast of the Town" Sunday, Feb. 13.

This weekend in New York City he will visit with two of his friends from Arlington Heights who are attending Yale university, New Haven, Conn. They are Dave Brant, son of the Joseph Brants, 615 Mayfair, and Bob Ellis, son of Mr. and Mrs. Erle M. Ellis of 612 Burton.

Visits in Minneapolis

Joan Peterson, daughter of the Lloyd C. Petersons, a student at Carleton college, Northfield, Minn., spent the weekend in Minneapolis at a house-party given by her room-mate, Anne Thorgrimson. Six other college friends were also guests at the Thorgrimson home for the between-semester recess and the group attended the Carleton-St. Thomas basketball game in St. Paul Saturday.

Home from College

John Glueckert, son of the Richard F. Glueckerts, spent his between-semester vacation from his studies at Illinois-State Normal college, Normal, Ill. at the home of his parents, 656 W. Northwest highway.

Kenneth Lemke, son of the Ray Lemkes of W. Campbell ave., visited at the home of his parents during vacation. He is a student at De Pauw university at Greencastle, Ind.

From Albion College, Beloit

John Milnamow, son of the J. Wallace Milnamows of 212 Derbyshire, a student at Albion college, Albion, Mich., visited at the home of his parents during vacation. Also at home was his sister, Ann, who attends St. Mary's college at Notre Dame, Ind.

Roger Thomas, son of the Jerome C. Thomases and Ed Linneman, son of the Edwin Linnemans of Algonquin rd., both of whom attend Beloit college, Beloit, Wis., visited at the homes of their parents for four days, leaving for school again Monday.

Guests In And From New York

Mr. and Mrs. Earl Riley have as their house guests the latter's sister and husband, Mr. and Mrs. Arthur Aslaksen of Brooklyn, N. Y.

Mr. and Mrs. H. A. Lips, 608 Newbury, returned recently from a 2-week trip to New York City and New Jersey where they visited relatives and friends.

In Sympathy

Mr. and Mrs. Irving J. Tesch, 507 N. State, were called to Des Plaines Saturday by the sudden death of Mrs. Tesch's brother-in-law, George Pricener. Funeral services were held Tuesday at the Oehler chapel in Des Plaines.

Mrs. Elizabeth Havranek, mother of Frank Havranek of 948 E. Northwest highway, died Wednesday, Jan. 26, at the Arlington Heights rest home. Funeral services were held Saturday at 1 p.m. in Chicago, the Rev. C. Victor Brown officiating.

Out-Of-Town Trips

William Goettschke, 705 E. Rockwell, returned Saturday from a 10-day trip to Hallandale, Fla. Accompanying him South was his mother-in-law, Mrs. Dorothy MacMillan, who will remain in Florida for the winter.

Mr. and Mrs. William R. Kyger spent the weekend in Bloomington visiting at the home of the latter's parents, the Earl Klopps of that city.

Bridge Luncheon

Mrs. Mildred I. Conger was hostess at a bridge-luncheon Friday at 1 p.m. at her home, 405 W. Hawthorne. Among her guests were the Mesdames George Hieber, Clarence Davis, Harold Peter, Edward H. Hiemeyer, Mary W. Volz, Nat Carlson and Gordon Zander of Chicago.

Warren Phillips, who was 14 years old Friday, Jan. 28, celebrated his birthday at a family dinner given at his home that evening by his parents the Robert W. Phillips of 538 S. Pine.

Junior Cotillion

Eighth-grade Junior Cotillion held a dance Saturday from 8 to 10:30 p.m. at the field house with Slattag Boys orchestra furnishing the music. Chaperons for the evening were Mr. and Mrs. Earl Hadland and Mr. and Mrs. Richard Haworth. Refreshment committee was under the direction of Mrs. Raymond A. LaCroix.

Choir Party

Forty-two guests were present at the home of Mr. and Mrs. Elmer Zilen, 438 Banbury, for a party for choir members from the First Presbyterian church, and their guests Wednesday, Jan. 26, at 10 p.m. Special guests were The Rev. and Mrs. C. Victor Brown. Assisting Mrs. Zilen as co-hostesses were the Mesdames Charles W. Johnson, Harold Henry and L. Robert Smeltzer.

This Week with PTA

Adults, Your Clay Feet Are Showing

Parents who heard Dr. George W. Brown speak January 25 to the Junior high PTA were reminded of the story about the young "know-it-all" who came home from college full of noble pity for his parents' stupidity and old-fashioned notions, and was amazed after a few years to discover how much the old folks had learned in that time!

Parents of junior high school children are in much the same position, they were told by Dr. Brown, who is principal of Emerson high school in Gary. Mother's or dad's opinion, or even the teacher's, matters little in comparison to the opinion of the group, and conforming to group customs is the most important aspect of the junior high schooler's atitudes and activities, Dr. Brown said. He related the results of tests conducted with children of this age group, in which half of the children were instructed, without the knowledge of the other half, to give incorrect answers orally; when the second group was questioned, the members also answered incorrectly, even though knowing the answers were wrong. Their reason for doing this was simply that they did not wish to appear "different," said Dr. Brown, adding that the children would even disagree with the teachers' statements rather than disagree with their contemporaries.

The child's acceptance or nonacceptance by the group can affect his performance in all his acurging parents to assist the child in his efforts to be one of the "gang," even though this means putting up with a great deal of noise, dirt, peculiar language, and aggressive behavior.

Although needing the security of the group, junior high children feel strongly a growing need for independence, said Dr. Brown, explaining that the child has discovered the ability to think and believes every idea he has to be new and original. His interest in the opposite sex has begun to awaken, continued Dr. Brown, although the desire for mixed companionship may manifest itself in teasing and roughness unless channeled into more desirable ways, of which folk dancing is an excellent example. Children of this age have exchanged considerable information about sex, asserted Dr. Brown, and would like to ask their parents for fuller explanation; however, he continued, such attempts are often fruitless, because the only phraseology which the child knows is usually the kind that shocks his parents, and their reaction to his use of words, plus their own nervousness or reluctance to discuss the subject, combine to make the child feel he has done something wrong by inquiring.

Describing the junior high school child as an uncertain and confused individual, for all his loud assertiveness, Dr. Brown urged parents to assume as friendly and tolerant and helpful an attitude as possible to the problems of these budding adolescents.

Parents and teachers were treated to a demonstration of folk and round dances by sixth and seventh grade students, under the direction of Miss Mary Christie. Mothers of sections 4, 5, and 6 of the sixth grade served refreshments following the program.

PTA Groups to Combine For February 15 Meeting

Junior high and elementary school PTA groups will meet together Tuesday, Feb. 15, at 8:15 p.m. in the junior high gymnasium, to hear Dr. Howard Lowry, president of Wooster college, Wooster, Ohio. The birthday of the National Congress of Parents and Teachers will also be celebrated by a short Founders' day program.

Representatives Hear Noble Puffer

Representatives from Arlington Heights PTA, including Mrs. David Zimmerman, chairman of school legislation, attended the District 21 meeting January 18 in Evanston, to hear discussed "The Present Financial Crisis in Our Schools." Noble Pubber, county superintendent of schools, pointed out that the only sources for additional funds for school aid are an increased sales tax, or an increase in property value assessments. A state income tax cannot be imposed without amending the state constitution.

Talent Show Tickets Now On Sale

Parents of school-age children by now have received from their children, a bulletin regarding the PTA's Winter Revue, all-adult talent and variety show to be presented February 18 at 8:15 p.m. in the junior high gymnasium. Tickets are $1 each, and are available through room mothers. This is a 1-night production only, and tickets are going fast, so get your order in without delay. Fourteen acts will be presented, among them a can-can chorus pictured elsewhere in this issue, and the entire production will be accompanied by George Fanelli's orchestra. Those who have no school-age children may obtain tickets by calling Robert Skamfer at Clearbrook 3-6538.

Art Study Group To Tour Powell Studios

The art study group of the Arlington Heights Woman's club will tour the Powell studios in Palatine Wednesday, Feb. 9. Members will meet at the home of Mrs. Lyle Ewing, 716 N. Ridge ave., at 1 p.m. and will all leave from there.

The Powell studio is an art and craft center under the direction of Mrs. Vee Powell. Mrs. Powell will show the group works she has created and will demonstrate how to make and paint a figurine.

Mrs. Powell is editor of the "Make It Yourself" column in the Arlington Heights Herald, and has classes in craft at her studio.

Refreshments will be served at the studio.

Members planning to attend this meeting are asked to call one of the committee by Tuesday. The committee for the meeting will be Mrs. Joseph Lohr, Mrs. Lyle Ewing and Mrs. Max Hershey.

Open Arlington Hts. Branch Sales Offices

Two business firms from Chicago and Melrose Park have opened branch offices in Arlington Heights at 320 W. Northwest hwy.

They are the Portable Tool Sales and Service Inc., of Chicago and Bergling Brothers of Melrose Park.

A "sneak preview" of the new branches was held this weekend for 950 contractors from the northwest country towns who saw complete demonstrations of power tools, finishing of plywood, and displays of plywood, windows, cabinets, and paneling.

Both firms plan a public opening later this month.

The tool sales, owned by Albin R. Anderson and managed by John Patrick Smith, will provide sales, rental, or servicing of all kinds of power and hand tools.

Bergling Brothers, managed here by Paul Bergling, are manufacturers of general millwork, including cabinets, frames, sash, screens, moldings, and valances.

A conference room has been set aside for contractors and will be available in the future for small meetings of civic groups.

How the 1955 Mercury makes sense out of high horsepower

NEW 1955 MERCURY PUTS HIGH HORSEPOWER TO WORK AT NORMAL DRIVING SPEEDS WITH NEW SUPER-TORQUE V-8 ENGINE, DUAL EXHAUST, 4-BARREL CARBURETOR

Mercury gives you high horsepower you can use in all performance ranges—not just brag about.

More important than high horsepower alone is *pickup, passing, hill-climbing* power—more power for your *everyday* driving.

Everything about Mercury's new and advanced SUPER-TORQUE V-8 engine is designed to give you more *usable* power with *super* pickup in *every* speed range.

It's a short-stroke, low-friction design, with high-turbulence combustion chambers, full-vacuum automatic spark control—all specially engineered to squeeze more power out of every drop of gas.

And there are Mercury exclusives like:

1. A 4-barrel vacuum-operated carburetor for *instant* response. *Only Mercury in its field offers it as standard equipment on every model.*
2. A dual-exhaust system on all Montclairs and Montereys to cut power loss, and add more efficiency and economy. *Only Mercury in its price class has it as standard equipment.*
3. High-compression spark plugs—a revolutionary new design—for peak performance at *all* speeds without overheating or fouling. *Only Mercury has them in its field.*

They all add up to a new kind of high-horsepower performance by Mercury—the car that's always used V-8 engines—built over 2,000,000 of them. We invite you to try the new 198-hp Montclairs, the 188-hp Montereys and Customs. Just stop in at our showrooms.

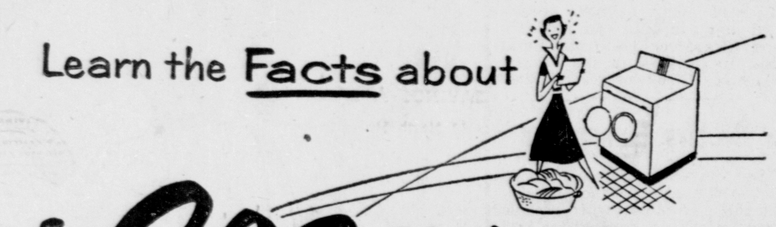

IT PAYS TO OWN A MERCURY—FOR FUTURE STYLING, SUPER POWER

'Cinderella' Cast Named; To Be Given February 13

Another fairytale will come to life in Arlington Heights February 13 when the Village Theatre will present "Cinderella." The play will be held on the stage of the girls' gym at Arlington Heights high school, with two performances, one at 2 p.m. and one at 4 p.m.

Co-directors, Mrs. Robert Hawley and Mrs. Carl Scheske, announce the following cast of characters: Joan Edmonds, Cinderella; Kathleen George, Ashes the cat; Harriet Smith, stepmother; Marian Malcolmson, Tilliebell; Shirley Stauber, Gladiola; Barbara Housekeeper, godmother; Laird Williamson, prince; Bill Siler, king; Alta Hutchinson, queen; Anne Nygren, princess in gold; Marcelle Wilcox, Biff; Ginney Dowell, Mrs. Chancellor; Bill Palmer, the chancellor; Judy Skahill, Lackey; and Bob Hawley and Dennis Malcolmson, courtiers.

Mrs. Charles Opela is production manager and Maurice Geye is technician.

The children's show is an annual affair and has been well received in the past with more than a 1,000 youngsters turning out for the performances each year. Tickets are only 25 cents and may be obtained at the door or purchased at the various schools a few days prior to the show. (B5

Jr. Achievement Trade Fair This Weekend In Chicago Coliseum

The annual Junior achievement Trade fair Saturday and Sunday at the Chicago Coliseum will climax Junior Achievement Week.

The fair will include 150 booths featuring products from companies organized by teenagers under sponsorship of Chicago area firms.

Each "company" manufactures marketable products, such as embossed book matches, shoe cleaners, cold cream, cup racks, foam rubber coasters, and birch trays. These products will be on sale at the fair.

Youngsters sell shares of stock in their "company" at fifty cents a share, and then elect officers and set up a production and sales schedule at one of the five Junior Achievement centers.

Teenager "businessmen" from this area attend the northshore center in Evanston. B. D. Chaps, of Mount Prospect, is one of the advisors who help guide the youth in production, finance, and sales problems.

Local Musicians In All-State Music Fete

Students from local schools are among 1250 High school and elementary school musicians selected from more than 2200 entries, to take part in the seventh annual Illinois all-state music activity at the University of Illinois this weekend, February 4 and 5.

State C. C. Urges Many Changes In Law

ORMOND F. LYMAN

A number of local businessmen of this area attended a zoning meeting of the Illinois State Chamber of Commerce in Evanston Thursday evening.

Ormand F. Lyman, 626 Mayfair, Arlington Heights, the chamber's executive vice president, was moderator for a unique panel discussion of pertinent state and national issues affecting Illinois business.

William T. Diviney Jr., 541 S. Highland, manager of organization service department, was one member of the panel of seven.

Waldo B. Ames, president of the State Chamber, was a featured speaker.

The panel members presented legislation recommended to:

1. Provide for distribution of motor fuel revenues among the four highway systems of Illinois on a more equitable basis.
2. Prevent, by constitutional amendment, the expenditure of road funds for non-highway purposes.
3. Consolidate township roads into county units.
4. Establish a system of permanent license plates for motor vehicles.
5. Promote greater safety on Illinois highways.

Legislation was also recommended to provide changes in the Workmen's Compensation Act. The State Chamber is recommending changes in state and local taxes laws including a provision for specific property tax rate limits and school aid according to need.

Palatine Baritone To Appear In Northwest Symphony Concert

PAUL R. ECKLEY

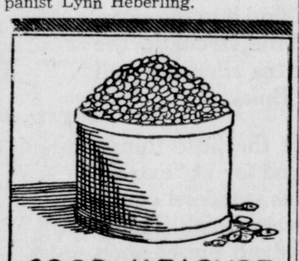

Baritone Paul R. Eckley, Palatine, will be one of the featured soloists at the mid-winter concert of the Northwest Symphony orchestra to be held at 3:30 p.m. February 20 in the Maine Township high school auditorium.

Mr. Eckley has sung in concerts in New York and over radio station WQXR in Boston before coming to the midwest. He studied voice in New York with Frederic Jagel and Leon Rothier, both Metropolitan opera singers. At present he is doing church work as is Phyllis Trenkmann, another featured soloist at the concert. Mrs. Trenkmann has sung at St. Mary's Episcopal church in Park Ridge for the past eight years. She is the originator and director of the "Singing Fashionettes," a group of six who entertain women's clubs and conventions throughout Chicago and suburbs. Her voice training included study with Monica G. Stults, George Graham and Francis Fish and she has wide experience in operettas, concert and radio. She attended New Trier high school and DePauw university and has been active in dramatics as well as music.

The orchestra, under the direction of Perry Crafton, will provide a full symphony orchestra for both soloists. One of the purposes of the group is to provide opportunities for talented performers in the community to appear on such programs.

Sachs Amateur Hour

The "Harmonettes" a singing group of 12 girls from the Arlington Township high school, sang January 30 on the Morris B. Sachs amateur hour. The girls in this group are Pat Molumby, Margot Mates, Caryl Sanders, Nancy Wintergerst, Joann Beatty, Wendy Farmer, Kay Whitelaw, Dianne Kowal, Charlene Sorensen, Ada Kilbury, Pat Tesar and Accompanist Lynn Heberling.

GOOD MEASURE

On more than one occasion of late, buyers of insurance have had valuable new benefits conferred upon them as a result of letting this agency make an insurance survey for them. We first make a careful check of all your policies now in force and then prepare a chart showing just how effectively they are doing the job of furnishing complete protection at the lowest possible cost.

The recent introduction of several new and broadened forms of insurance protection makes an immediate audit advisable. Call this agency today for a free insurance survey!

Eastwood Events

Community Association

Tuesday evening, February 8, is the date for the Eastwood Community association meeting at the field house. Mr. Norm Hoym will talk on the European park beetle and Dutch Elm disease. Literature on this subject will be handed to those present. Another announcement that will be of interest to our residents is that the date for the spring dance has been set for June 18 and the setting will be the Itasca Country club. More details on the affair will be published from time to time.

Sympathy

Sincere sympathy is extended to the Dave Shaughnessy family on the sudden death of Mrs. Shaughnessy's father, Mr. Peter Stainbrook, who also resided in Arlington Heights. Services were held for Mr. Stainbrook last Monday.

Our sympathy is extended also to Mrs. Anna Josephson, one of our new neighbors on N. Beverley, whose sister, Mrs. Hilda Sorenson, died in Chicago last week.

Back From Florida

The zero weather we had to contend with last week didn't bother Bob and Louise Luedeking as they were enjoying the warm sunshine of Miami Beach. They returned this week from a combined business and pleasure trip.

An early happy birthday to Bill Heitz whose all-important date is February 8.

Gary McCosh was ten years old January 28 and has taken a rain check on a celebration downtown with his parents and sister, Sandy.

The Chuck Bennetts have named their new baby Thomas Charles. The little fellow tipped the scales at 9 pounds 9 ounces when he was born last week.

Bridge Tournament

The Eastwood bridge tournament goes into the fourth month of play with parties scheduled to be held at the home of the Norm Hoyms, Wally Ellertsons, Jim Rogers, Milt Wingquists, Jack Guilfoils, Dick Bartons and the Claude Conns. With not all the scores turned in for the January sessions, couples in the lead have not been determined. However, next week's column will bring you the news.

New Neighbors

Residing at 906 E. St. James st. are Mr. and Mrs. Gerald Davis. They moved here from Columbus, Ohio, last November. Mr. Davis is a Central District Manager of one of the divisions of the Sinclair Refining Co.

Mr. and Mrs. George A. Corwin are new neighbors who moved into the house at 310 N. Dryden. They formerly lived in LaPorte, Ind., where Mr. Corwin was a government employee. Now retired from government service, he is comptroller for the General Warehouse and Transportation Co. of Chicago. They have two married sons, one residing in Barrington and the other in Milwaukee. This couple also boasts of having three grandsons.

Methodist Women To See Film At Evening Meeting

A film, "To Rekindle the Faith," will be shown at the Tuesday evening meeting of the Women's Society of Christian service, February 8, in the Arlington Heights Methodist church. This color film tells the story of the woman society's work around the world. It reveals customs of many peoples and shows the missionary efforts of this Methodist organization. Mrs. James Smith, program chairman of the local church group, has made arrangements for the evening's activities.

Mrs. Jack Stegenga will present the devotional meditation and Mrs. Earle Johnston, soprano, will sing a group of vocal numbers. Her accompanist will be Mrs. Frederick C. Schmoyer.

Dessert will be served by the Bykota circle of which Mrs. Casey Gordon is chairman.

MOST PEOPLE still don't believe it. But it is true.

And when you look into the facts, you'll find these two solid truths:

Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price we show here proves it.

So why not get what a Buick has to offer, if you are in the market for a new car?

You find that the dollars you pay for Buick buy you a *lot* more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber.

You find it in the record-high V8 power that gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra *silencing*—all part and parcel of every Buick.

We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on.

But—you get the idea. This is a buy, this '55 Buick—a great buy—*and a thriller from the instant you press its gas pedal.* Come in this week and check things for yourself, won't you?

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster . . . $81.70; Radio & Antenna . . . $92.50.

Overlapping Shifts At Arlington High Next Fall

The board of education of Arlington Heights high school as approved an overlapping shift system for the 1955-56 school year.

Grades 11 and 12 will report to school at 7:25 a.m. and leave school at 1:10 p.m. Grades 9 and 10 will report at 11 a.m. and leave at 4:45 p.m.

Each 5 hour and 45 minute shift will consist of two 55 minute periods and five 40 minute periods. Each of the three overlapping periods will be a lunch period for one-third of the student body, with approximately 1300 students in classrooms and study halls.

* * *

AS THE OVERLAPPING shift system is now proposed shop classes and homemaking classes would meet 7 periods per week where 40 minute periods are used.

The school will remain in good standing with the North Central Association, although the association's approval of the seven 40 minute periods per week in these subjects is for one year only.

The shift system will be necessary for 1955-56 whether or not the proposed addition to the building is approved in the coming election. The Lay Advisory committee has estimated the student population by the spring of 1955-56 will be about 1,952, During the building period the school wil lose the use of nine classrooms and one study hall, leaving only 34 classrooms for use by 64 teachers. The last two figures do not include music and physical education.

The curriculum of the school will not be greatly affected. Each student will schedule regular classes, one physical education class, one study hall or music class, and a lunch period.

* * *

ATHLETIC PROGRAMS will continue as at present, but the scheduling of practices has not been worked out fully by the athletic department.

Extra-curricular activities other than sports will probably be curtailed. Just how much they will be curtailed cannot be determined until detailed classroom schedule can be made up. Each activity requires the use of a room and the supervision of a teacher, two elements which must be scheduled for class use first.

Teachers will also be assigned on a shift basis, although their hours will not coincide with those of students.

Net $638 In Rolling Meadows Mothers' March

Probably one of the most outstanding records established in any Chicago suburban community for a charity drive was rolled up by Rolling Meadows in their response to the "Mothers' March on Polio" last Thursday.

With only approximately 790 families residing in the area a grand total of $638.60 was collected by the "Marching Mothers" in their hour-long house-to-house campaign. This total does not include any donations from businesses, local coin collectors, or school collections, but is the actual amount of direct donation by householders.

* * *

THE MARCH of Dimes campaign in Rolling Meadows was sponsored by the Junior Woman's club under the chairmanship of Mrs. John Doyle. More than 40 women participated in the door-to-door collection.

Since the membership of the newly-formed Junior Woman's club is somewhat limited many of these women were volunteer "mothers for a night" to help in this vital campaign. In spite of the great amounts of snow on the ground, the exteme cold, and the necessity of "beating a path" to many homes in the newer areas where sidewalks are not as yet in, the women staunchly completed their assigned routes.

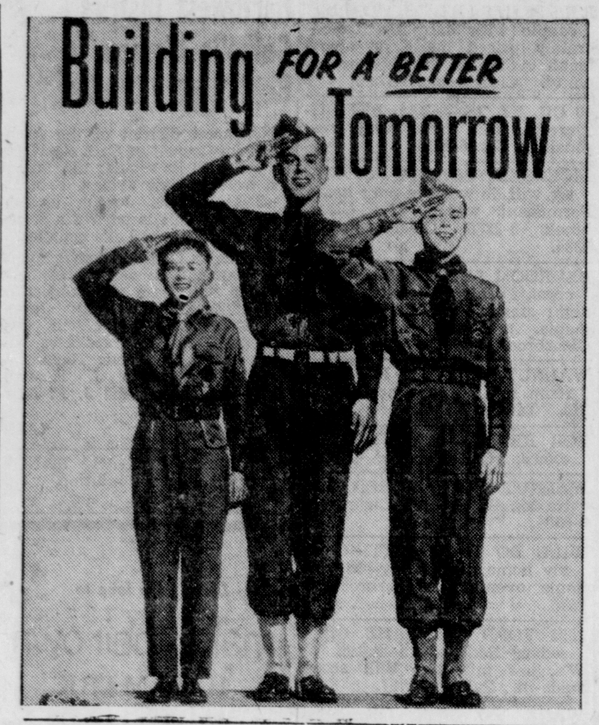

The money was collected, tabulated and counted at "The Barn" in Rolling Meadows under the protective eye of two members of the county police force. The sheriff's police also provided the transportation and escort service for the deposit of the funds collecetd at the bank in Arlington Heights.

To Plan Music Festival

Music directors of the West Suburban conference will meet February 8 to plan the conference music festival, scheduled for Maine high school, May 1 and 2.

One of the main problems of the meeting will be the selection of personnel for the festival orchestra and band.

Music director, Fredrick C. Schmoyer, and voice teachers, June Leick and James Cockrum, will represent Arlington Heights high school at the meeting, which will be a dinner meeting at La Grange high sdhool.

Here's Scouting

With Explorer Scout Bill Hogate

It was on a very foggy day in 1909, that William D. Boyce, an American publisher, was searching for an address in old London. All day long the city had been blanketed with a heavy fog. Street lights had been turned on before noon. Now night was coming on, and it was almost impossible for the stranger to find his way.

Mrs. Boyce was surprised when a boy approached and asked if he might be of service. He told the boy where he wanted to go, and was more surprised when the boy saluted him and said, "Come with me, sir."

Upon reaching the address, Mr. Boyce reached into his pocket and offered the boy a shilling. He was more surprised than ever when the boy refused it, saying, "No thank you sir." "Scouts do not accept tips for Good Turns. I am a Scout."

"Good Turns? Scouts?" asked Mr. Boyce, "What are the Scouts?"

The boy told him, and showed him to Baden-Powell's office nearby. There, Mr. Boyce found out about the Boy Scouts, and decided that American boys would like the great game of Scouting.

February 8, 1910, Mr. Boyce and others interested in the idea, formally incorporated the Boy Scouts of America. This day, February 8, is celebrated today as the birthday of Scouting in the United States.

There stands in Gilwell Park, England, a Bronze Buffalo statue, in memory of the unknown British scout. The inscription reads:

"To the Unknown Scout whose faithfulness in the performance of the Daily Good Turn brought the Scout Movement to the United States of America."

Since the founding of Boy Scouts in America some 45 years ago, 22,750,000 boys and men have been members of this organization. This year, Boy Scout Week, February 6-12, will be observed throughout the nation by more than 3,660,000 active boys and adult leaders.

"Building for a better Tomorrow" is the birthday theme. Members of 95,000 Units through demonstrations and exhibits, will dramatize the purpose of Scouting and the rich heritage it has in this country.

President to Honor Boy Scouting

President Eisenhower will honor, in the White House this week, 12 Boy Scouts and Explorers for outstanding service in conservation, when they call on him to make a "Report to the Nation" during Boy Scout Week.

The President said that he believed the Boy Scouts could "make a very important contribution in conservation education" by arousing public recognition of the need for conservation of the country's natural resources. The nation's Scouts have completed the National Conservation Good Turn they undertook at President Eisenhower's request.

Scouts pledged themselves to live up to their outdoor code and posted copies where tourists, sportsbe urged to have a higher regard for the beauty of the nation's roadsides, waters, parks and forests. By accepting the outdoor code, the public would lessen deliberate or careless vandalism in state and national parks. It would help stamp-out carelessness that leads to forest and grass fires and promote courtesy and proper respect for the use of private land when camping, fishing, or hunting.

Scouts Claim No Relation To Eskimos!

Are Boy Scouts in this area any relation to our "Polar friends?" A definite No, is the resounding remonstrance among many Northwest Suburban Council Explorer Scouts! The winter camp-out, "Operation Crystal" was postponed last Friday, Saturday, and Sunday, January 28, 29, and 30. Phil James, Blackhawk Field Executive announced last Saturday that the date would be projected to the 11th, 12th, and 13th of February. This event, under the direction of Randy Falvy, Phil English, and Tom James is to be held at Gander Mountain, Wisconsin.

Troop 66 Parents' Night

Arthur A. Leu, Scoutmaster of Troop 66, Arlington Heights, sponsored by the Saint James Holy Name Society, announced last Saturday, Troop 66's Parent's Night, February 2, at 7:30 p.m. Highlighting this meeting will be a film depicting camp life at Camp Napawan, Wild Rose, Wisconsin, the Northwest Suburban Council's own Boy Scout camp. After this showing, registration blanks will be handed out to each parent in attendance. Leu claims over 40 boys to his roster, all of whom, we hope, will be able to attend Camp Napawan next summer. Scoutmaster Leu hopes that all of the Scouts' mothers and fathers will be present.

Young Sailors Visit Glenview

Don Traver, Arlington Heights, Troop 7, reported to date, an excursion to the Glenview Naval Training Center, in which all of the Scouts participated in last Monday, January 31, during the regular troop meeting period. The boys were helped in signaling and other skills by the Naval officers. All agreed that the trip was a profitable and enjoyable excursion.

Troop 7 is also planning a window display in Neumann's Barber shop, Arlington Heights, during Boy Scout week.

Farrens and Batts Establish Mt. Prospect Explorer Crew

James A. Farrens and R. W. Batts, Advisor and Assistant Advisor respectively, will celebrate the establishment of their new Explorer Post, associated with Troop 23, Mt. Prospect, February 8 at a special Court of Honor. Present at this meeting will be a large assemblage of scouting executives from the Northwest Suburban Council and the Blackhawk District, including, Tom James, Randolph Falvey, Phil English, Chuck Pahern, and a host of other men from the district office.

Robert Sabarbaro will receive Life award, and John Peterson will receive Star award at this Court of Honor. Awards and merit badges will also be presented at this meeting. It is interesting to note that Troop 23, in the year 1954, earned more merit badges than any other unit in the council.

Members of the new post are Roy Meyer, Crew leader, John Dorens, Ed Moehling, Rodger Farleigh, Bruce Bersted, and Dwight Zeeman. Goo luck post 123.

From The Police Blotter...

Dog and cat complaints seemed to head the police blotter in Arlington Heights this week.

Several stray cats were picked up by the police and later disposed of when owners failed to claim them. Stray dogs picked up were turned over to their owners who were issued tickets for allowing their dogs to run at large.

Richard Blain, 1410 E. Northwest hwy., reported to police that his auto was sideswiped sometime during the night of January 25. It was parked in the alley behind his home.

Mrs. Albert Kost, 1106 N. Chestnut, also reported her car damaged while parked. Identity of the persons doing the damage was not known at this time.

Vandals broke into the Chicago and North Western railroad shanty just east of the Wilke ave. crossing and moved levers which caused the railroad signals to be disrupted. Railroad officials are investigating.

Theft and damage to auto accessories were also reported to police this week. Another rear view mirror had been broken off one car and the antenna stolen. Another car reported a radiator cap stolen.

Traffic court cases were light Monday night with most of the charges involving stop sign violations. One man appeared before the judge on the charge of leaving the scene of an accident. He told the judge he did not know he had hit another auto. He said the windows of his car were frosted and he thought he had hit the curb. No damage was visible on his car,

Organization Sunday For United Lutheran Church Is February 20

Committees have been appointed to formulate plans for the formal organization service of the United Lutheran church of Arlington Hts. to be held Sunday, Feb. 20, at 10:45 a.m. in the church meeting place, Dryden school. An invitation has been extended to the Rev. Harmon McGuire, president of the Illinois Synod of the United Lutheran church in America, to be guest speaker at this festival service.

At a planning committee meeting Tuesday evening in Dryden school, arrangements were also discussed for a social event to mark this important day in the history of the mission church, final plans for which will be announced in a few days. February 20 will be the date upon which the church willl be declared an organized congregation of the Illinois synod, its constitution adopted, and its charter roll officially completed.

Persons who have signified their desire to be charter members of the new church are now securing letters of transfer from other communities and congregations.

Suburban Superintendents Meet With Stratton on School Crisis

Five suburban superintendents and a county official met in Springfield Monday with Gov. Stratton to discuss the school finance crisis in northern Illinois public schools.

The superintendents found the Governor well-informed and sympathetic with the local problem and reported that he would make specific recommendations for relief in his forthcoming budgetary message to the state legislature.

* * *

MEETING WITH Stratton were R. E. Clabaugh of Arlington Hts., Marion Jordan of Palatine, Everett Kerr of Blue Island, John Springman of Glenview, and Bert Williams of Posem-Robbins. David Heffernan, first assistant county superintendent of schools, was also a member of the group.

Purpose of the meeting was to acquaint the Governor with the problems peculiar to the suburban area.

The educators listed six current problems facing county schools:

1. The equalization level of $173 at which the state equalizes is less than what a minimum standard of education costs. Last year, Arlington Heights spent $240.

2. Raising the qualifying rate would reduce the contribution of the state to local districts. However, a somewhat higher tax rate than the qualifying rate (40 cents per $100 of assessed valuation) could be required in order for the district to receive its claim in full.

3. The long delay in paying state ai dclaims works a hardship on growing districts and, in effect, gives them a lower equalization level. Such aid is based on daily attendance from the preceding 12 to 18 months and is inadequate in the face of mushrooming school enrollments.

4. The low assessment ratio over the state costs the state more to maintain the equalization level, reduces the total amount the local district can raise, and seriously reduces a district's bonding power for needed buildings.

* * *

5. SINCE enrollments are growing faster than the supply of teachers, salaries will continue to rise. The areas with adequately financed schools will attract the good teachers. At present, Cook county is being outbid for such teachers by some nearby states and metropolitan areas.

6. Operating costs increase before local taxes can be levied and collected on new homes, even when per pupil assessed valuation remains at the same level. In rapidly growing residential areas, the taxable wealth per pupil usually declines with growth. In other words, the schools get the children before they get the money.

The state treasury is not overburdened at present with school expenditures since Illinois ranks only 38th among states in percentage of common school support.

Illinois ranks sixth among states in average amount of income received by its citizens. In combined state and local taxes it ranks 23rd in average per capita amount, but only 41st in per cent of personal income required to pay such taxes.

* * *

IN STATE treasury taxes collected, Illinois ranks 35th in average per capita amount and only 47th in per cent of the personal income required to pay such taxes.

It has been suggested by County Superintendent Puffer that the state under these circumstances could easily afford to increase its occupational sales tax one cent without creating undue hardship on its citizens.

Gov. Stratton told the Cook county representatives Monday that he will recommend action soon.

Four New Teachers Join Staff At Arlington High

Four new teachers are joining the faculty of Arlington Heights high school at mid year, replacing four who had to leave.

Carolyn Emons, will replace Mrs. Helen Petersen as speech correctionist. Mrs. Petersen is leaving to devote her full time to her household, including an expected addition to the family.

* * *

MISS EMONS has a Master's degree in speech correction from the University of Illinois, where she had a graduate assistantship as supervisor at the university speech clinic. She has also served in the administration of a school correction program in one of the parochial schools in Champaign.

Roland Goins will replace Mrs. Norma Behrend, biology instructor, who will join her husband at his military station in Colorado.

Patricia Kraft will replace Bernard Brock, social science instructor, who has been drafted for military service. Miss Kraft has a BA degree from Michigan State.

* * *

MRS. MARIANNE B. Nelson will replace Mrs. Ruth Patterson, home economics instructor, who is leaving because of illness in her family which requires her presence in her home.

Mrs. Nelson has a B.S. degree from Michigan State, and has taught home economics at Reavis school, Oak Lawn, for the last two years.

Mobile X-Ray Unit Here February 17

Free chest X-rays will be offered residents 15 years old and over Thursday, Feb. 17, when a mobile unit is parked at the village hall, 101 W. Davis st., Arlington Heights.

X-raying hours are from 12 noon to 6 p. m.

The unit intended to serve as an adjunct to the routine community, industry, food handler and school surveys conducted in various parts of the year, is available primarily to persons needing large 14x17 in. X-rays for pre-employment, pre-marital, pre-natal, and licensing purposes, or as follow-up to suspicious signs found in small-film surveys. However, since the unit can take small "survey" X-rays, too, persons who have not checked their chests for TB within the past year, can do so at this time.

The service is being provided by the Suburban Cook County Tuberculosis Sanitarium district in cooperation with the Christmas Seal-sponsored Tuberculosis Institute of Chicago and Cook county and municipal health departments.

Wins Honorable Mention In Science Talent Search

Janice A. Lindskoog, 17, of 700 S. Ioka, Mount Prospect, a student at Arlington Heights high school, was one of 260 high school students who won honorable mention in the recent science talent search sponsored by Westinghouse Electric corporation.

Copper Enameling To Be Home Bureau Lesson

Instructions on copper enameling will be given by Mrs. Joseph Clemens and Mrs. Edwin Lindquist at the next meeting of Wheeling home bureau to be held at 9:30 a.m. February 15 at the home of Mrs. Gerald W. Sanders, Heights.

Members absent at the January meeting who wish to attend this craft lesson, may call Mrs. Clemens at CLearbrook 3-9188 to order supplies. (AM

Girl Scout News

The seventh grade intermediate troop 20 spent last Monday in Chicago to learn how a television program is produced. Mrs. Laura Burnett and Mrs. Mabel Speers accompanied the girls to lunch and the Tom Duggan show. Mrs. Speers was appointed secretary of the show for the day and Miss Virginia Burnett was a participant.

Mrs. George Sullivan, Mrs. Herbert Cornelius, and Mrs. Fred Altergott have signed for further training in the girl scout program.

Troop 19 had an investiture of four Tenderfoot scouts and five second class scouts February 1. At that time there were 24 proficiency badges awarded.

Miss Aileen O'Connell spoke to girls of troop 23 Monday night. The troop has been doing research on Irish lore in which Miss O'Connell was an apt speaker, having come from Ireland to Arlington Heights last July.

Brownies of troop 6 are to be praised for their service project of donating their dues to the March of Dimes. At their last meeting they produced the "Brownie Story" for their families. Following the play the girls served refreshments. tee.

Area Youth To Hear Chaplain Enyedi Sunday

CHAPLAIN ENYEDI

Youth groups from area churches will hear Chaplain George J. Enyedi of the naval reserve, Sunday afternoon. The service, sponsored by the United Christian youth movement, will be held at First Presbyterian church, Arlington Heights, beginning at 5:30 p.m. Music will be furnished by a youth choir from the Presbyterian church augmented by singers from other groups. Youth from the cooperating Protestant churches will take part in the service.

Chaplain Enyedi holds the rank of lieutenant in the United States naval reserve. He is pastor of the Forrestal Village church, Great Lakes, and is serving as chaplain of the Ninth infantry battalion of the U.S. Marine corps reserve at Navy Pier. During World War II, Chaplain Enyedi served aboard the U.S.S. Berrien, APA 62, and during the Korean fighting he served aboard the U.S.S. Princeton CV 37, and the U.S.S. General Anderson AP 111, and at the U.S. Naval Training Center, San Diego.

Chaplain Enyedi is a native of West Virginia, a graduate of Rutgers university and the New Brunswick Theological seminary, New Jersey. Speaking Sunday afternoon in harmony with the general theme of Youth Week, "One Fellowship in Christ," Chaplain Enyedi's talk will be titled, "Compulsion, Sacrifice or Service?"

After the one-hour worship service, the youth of all churches will enjoy a social hour. Junior high and senior high students are being invited as well as parents and other interested adults. Leading planning committees were Olav Larsen, adviser to the speaker and publicity group; Marvin Eppard, adviser to the program committee and Douglas Trout, adviser to the fellowship and social hour committee. Fire Insurance Group Re-elects Local Men

Clifford E. Hammer, Deerfield, was re-elected secretary of the Northfield Township Mutual Fire Insurance company at the 66th annual meeting of policyholders. The meeting was held January 25 at the office of the secretary, 934 Deerfield rd., Deerfield.

This company was incorporated in 1889, its predecessor Northfield Mutual having been organized in 1856 at The Grove, on Milwaukee rd., then home of Dr. John A. Kennicott, one of its founders, and now home of Hiram L. Kennicott, a director of the Northfield Township Company.

This company, which covers over $10 million of property in Northfield and nearby townships in Cook and Lake counties, is one of 212 Illinois farm mutuals in Illinois protecting $2 billion of rural property at low cost. Countrywide some 2,000 farm mutuals cover over $25 billion dollars of property.

* * *

OLDEST MUTUAL in the state is the Addison Farmers Mutual, of Elmhurst, established in 1852.

Re-elected by Northfield company were president, Adolph H. Moeller, Glenview; vice president Joseph J. Leikam, Long Grove; secretary Clifford E. Hammer, Deerfield, and treasurer, Richard B. Runge, Arlington Heights.

In addition to the officers the following serve as directors: Walter O. Fritz, Schiller Park; Hiram L. Kennicott, Glenview; Herbert W. Lutter, Glenview; Elmer A. Schoppe Bensenville, and William P. Tagtmeier, Des Plaines.

Republican Women Seek New Members

Women of the 13th congressional district are carrying on a drive for new members of the district's Women's Republican club. Believing there has never been a time when Republican women so needed to work together in organized effort as at present, Congresswoman Marguerite Stitt Church has stated she will invite to Washington as her personal guests, with all expenses paid, the two members of the club securing the greatest number of new members.

The club was organized in 1951 as an outgrowth of the specail efforts and common interests shared by women throughout the district during the campaign to elect Mrs. Church as representative

A special feature of the drive is the annual tea to be held February 16 at the Evanston Women's club. Admission is by presentation of membership card for the current year. The Honorable Barry M. Goldwater, U.S. senator from Arizona, who succeeds Senator Everett M. Dirksen of Illinois as chairman of the senatorial campaign committee, will be guest speaker.

Palatine township women assisting are Mrs. Arthur Filkins of Inverness, who is serving on the hospitality committee and Mrs. George Howes and Mrs. Ernest Wiehrdt, who are in charge of the membership drive. Mrs. Robert Milligan of Mount Prospect, is serving on the hospitality committee, while Mrs. Florence Luckner is heading the membership drive in Elk Grove township. Mrs. Charles F. Hamburg Jr. of Arlington Heights, is in charge of the membership drive in Wheeling township.

St. Joseph College Mothers To Hold Annual Card Party

St. Valentine is the inspiration for the annual card and cocktail party of St. Joseph college Mothers' club. The party, "Valentine Cut-ups," will be held at 8 p.m., Friday, Feb. 11, at the Merchants and Manufacturers club in the Merchandise Mart. Proceeds of the party will be used to furnish scholarships for St. Joseph college, Rensselaer, Ind.

Mrs. John Tobin, Chicago, is chairman of the party and her co-chairmen are Mrs. Clarence Flynn, Chicago, and Mrs. John Quimm, Oak Park. Mrs. C. A. Cheevers, Chicago, is president of the Mothers' club. Acting as host and hostess for the evening in the cocktail lounge will be Mr. and Mrs. E. A. Dwiel, Des Plaines. Mr. Dwiel is president of the Fathers' club.

League of Women Voters To Conduct Local Survey

Who's who in Arlington Heights government? Where do our local taxes go? What clubs and facilities does Arlington have? These and other questions affecting the citizens of Arlington and the surrounding area are the subject of the "Know Your Town" survey being conducted by the League of Women Voters of Arlington Heights.

This survey is a project that every new league does to familiarize its members with the town's political framework, historic background, economic and social character, public welfare, education, recreation, protection, housing, transportation, etc. and will take approximately one year to do. The results will be recorded and available to all those wishing the information.

Mrs. Stephen Jurco of Arlington Heights, is survey chairman. She has divided the project into 13 subcommittees and two administrative committees. Every member of the league will work on one or more of these committees.

A sneak preview of one of the acts which will highlight the PTA "Winter Revue" in Arlington Heights February 18. Rehearsing the cancan are, left to right, Mesdames Jack Brouwer, S. R. Paddock Jr., Carl Scheske, Robert Skamfer and Albert Dunham. —Staff Photo

Dick Johansen To Show Fashions At Wayside

Our Lady of the Wayside Catholic Woman's club will present its

DICK JOHANSEN

annual fashion show for members and friends Thursday, Feb. 10, at the church, 8:30 p.m.

This year the show will feature the custom-made clothes created by Dick Johansen, Arlington Heights resident, who has recently opened a new salon at 114 E. Oak st., Chicago.

All the costumes Mr. Johansen will show have been made to order for customers of his shop, and the owners of each costume will be the models. Each outfit is individually designed to suit the wearer's taste, preferences, and figure requirements.

Most of the outfits to be shown are based on the covered-up look which has taken the fashion spotlight in the past year, and which includes the shirt dress.

Mr. Johansen feels that the shirt dress seems destined to be liked and worn by almost all women for some time to come. Originally, the shirt dress was made for summer use and tailored of ordinary washable cottons in broadcloth or traditional shirt patterns. From looking merely like a copy of a man's shirt, however, the shirt dress has evolved into a dress of wider variety and has been executed by the world's top designers.

The design of this basic dress has been altered and constructed in just about every conceivable way. It has been made in satin and velvet with slim shirts for the cocktail hour; it has been made with the fullest, most bouffant shirts in very feminine organdy and silk brocades for the partygoer. The show this year will feature many outfits showing the versatility of the shirt dress.

In addition to the costumes to be shown, Mr. Johansen plans to include in his commentary his opinions regarding optical illusions which he feels will help eliminate some of the fears most women have about what they can, or cannot, wear. Only very rarely, Mr. Johansen feels, does a woman have a figure which will exclude a particular style for her. He points out that women are being victimized by dress manufacturers who are forced to be cautious in their choice of designs for mass production. The most common complaints women have concern the expenses they must go to to have garments altered. This is not the fault of the manufacturer, who must design and produce dresses for the "average" woman. But after many discouraging attempts to look like a page from a fashion magazine, many women will decide they "just can't wear that style." Mr. Johansen will try to resolve these problems through illustration and explanation.

The fabrics used in the dresses to be shown will include the silks, traditional wools, brocades, tapestries, satins, imported shirtings and many materials not customarily associated with dresses.

Presenting The Younger Generation

Little Tomboy

A young lass who loves to play cowboys and watch cowboy movies on TV is Marian Crouch, daughter of Mr. and Mrs. Raymond Crouch of 1228 Chicago ave., Arlington Heights.

A talkative little miss, three-year-old Mariann likes to chat with everybody. She has brown hair and blue eyes.

Outdoors Mariann enjoys riding her tricycle, and she likes to play with her pet Boxer, Max.

Stuffed animals are her favorite toys, and she has fun coloring. Mariann loves to have someone read to her.

Her grandparents are Mr. and Mrs. James Douglass of Arlington Heights and Mr. and Mrs. Earl Crouch of Indianapolis, Ind.

Brothers and Sister

Pictured next are Jim, Charles, Arnold and Jean Nolting, children of Mr. and Mrs. Elroy Nolting of 205 Wing st., Arlington Heights.

Eight-year-old Jim has red hair and hazel eyes. He is in third grade at St. Peter Lutheran school and also attends Sunday school at St. Peter scurch. He is a cub scout and enjoys this activity very much.

Jim has fun playing cowboy, playing with his electric train and riding his bicycle.

His younger brothers, Charles and Arnold, enjoy playing together. Four-year-old Charles has brown hair and brown eyes, while Arnold, who is two, has brown hair and hazel eyes.

Playing with cars, trucks and mechanical toys is fun for these two lads, and they also like to play cowboys. Both enjoy riding Christmas.

Charles attends St. Peter Sunday school.

Their sister, Jean, is very interested in Sunday school activities, and she attends first grade at St. Peter Lutheran school.

Jean likes to ride her tricycle, color and cut out paper dolls. Her favorite activity is playing with her doll and all the doll clothes that her great-grandmother has made for her.

All of the children are interested in their new baby brother, Raymond, who is 2 months old, and like to help their mother take care of him.

Their grandparents are Mrs. Emma Nolting of Palatine and Mr. and Mrs. Albert E. Schaefer of Dundee. Their great-grandmother is Mrs. Ella Hoffman of Elgin.

Duo To Give Concert Sunday

The third concert of the 1954-1955 series of Community Concerts will be given Sunday, at 8:15 p.m. in the Arlington Heights high school.

The concert duo of James De La Fuente and Herbert Stessin will be the guest artists. Their program is interestingly divided between solo violin groups, solo piano groups and groups devoted to the masterworks of musical literature for piano and violin duo. The program is equally enjoyable to the mucian for its musical values as it is to the layman for its diversity and refreshing change of pace.

An athlete as well as a musician, De La Fuente was an instructor of commando tactics during the war, while his program of classical music known as "concert time" received one of the highest ratings in the Pacific theater. A horseman and member of the Sheriff's Posse at his home in Spokane, Washington, he also conducts that city's performance of light opera.

Herbert Stessin has become a veteran of the concert stage in hundreds of cities from coast to coast in just a few short years.

During the war Stessin served with the U.S. army in Germany, France and England.

This concert is available only to members of the Arlington Heights Community Concert association, no single admissions are available, but memberships will be available to anyone for the 1955-1956 season during a one-week period in March.

Dorothy Muller Weds Robert R. Steffen

Miss Dorothy Muller, daughter of Mr. and Mrs. Paul Muller of Arlington Heights, and Robert R. Steffen, son of the late Dr. and Mrs. Richard Steffen of Chicago, were united in marriage Saturday at 5:30 p.m. in a small informal ceremony at St. Peter Lutheran church. The Rev. Luther V. Stephan officiated at the double-ring ceremony.

The bride, who was given in marriage by her father, wore an ice-blue cocktail dress, small blue hat of matching flowers and rhinestones and small veil. Her bridal bouquet was made of white orchids and blue streamers.

Her attendant, Mrs. Harold Vetter of Arlington Heights, matron of honor, wore a navy blue silkalene fitted dress with flared skirt. For her corsage she wore a purple orchid. Harold Crowley of Chicago served as best man and organ nuptial music was played by Donald Hermann.

For her daughter's wedding, Mrs. Muller chose a navy jersey, fitted dress with navy hat and matching accessories. Her corsage was also a purple orchid.

Kappa Alumnae To Plan Spring Activities

Planning spring activities will be the order of the afternoon when members of Kappa Kappa Gamma alumnae meet at 1:30 p.m. next Tuesday at the home of Mrs. Richard Bardach, 525 S. Lincoln lane, Arlington Heights. Co-hostess will be Mrs. Leo Hunter, also of Arlington Heights. Dessert will be served.

Of special interest to Kappas in the area will be the announcement of the appointment of Mrs. Jack Dowling of Arlington Heights and Mrs. William Manbeck of Des Plaines, as rushing recommendations chairmen of their areas.

New residents who have not been contacted are asked to call Mrs. Wesley Kasl at CLearbrook 3-1994.

Following the wedding, a reception and dinner was held at Lyons, Ill., for members of the wedding party. After a short wedding trip, the couple will be at home at 705 N. Mitchell ave.

Favorites For Flavor

Delectable in appearance and delightful to eat is the Fresh Coconut Cake we are featuring today.

It is being shared with us by Mrs. Charles C. Staadt, who reports that it has been in the Staadt family for many years.

The cake is moist and light textured, similar to a sponge cake in consistency. Made in layers, it is frosted with a seven-minute icing and covered with freshly grated coconut. Makes a pretty as well as delicious dessert.

The Staadts live at 314 S. Evergreen in Arlington Heights. They have three children, Glen, 11, Nancy, 8, and Tommy, 3. Mrs. Staadt is a member of the Faith church Ladies aid and Circle Eight Square Dance club.

Fresh Coconut Cake

½ cup plus one tablespoon butter
1 cup sugar
6 egg yolks
2 cups cake flour
½ teaspoon salt
2 teaspoons baking powder
½ cup plus one tablespoon milk
½ teaspoon vanilla

Cream butter and sugar well. Add egg yolks and beat until very light.

Sift flour once, measure and sift again with salt and baking powder. Add to batter alternately with milk. Add vanilla

Bake in two nine-inch layer cake tins in 375 degree oven for 20 minutes. Cover cake with seven-minute icing and freshly grated coconut.

ICPT District 21 To Elect Director Feb. 10

District 21 of the Illinois Congress of Parents and Teachers will elect a district director and hold a preview film between 9:30 a.m. and 2:30 p.m. Thursday, Feb. 10, at Evanston public library.

Mrs. Martin H. Seifert, Wilmette, is the district nominating committee's choice for re-election. Past president of two Wilmette PTA's she served one 2-year term as district director and one partial term.

The district meeting will hear any further nominations at 9:30 a.m. and polls will be open from 10:30 to 1 p.m. Each of the 75 local school memberships in the district will send voting delegates in proportion to their membership as of March 1, 1954.

Mrs. E. H. Robinson of Mount Prospect served on the nominations committee to choose a district director.

Record Swing to Gas Appliances

The nationwide swing to gas for house-heating which began several years ago reached its peak in 1954 when the number of gas furnace installations alone increased more than 20 per cent over the 1953 total of 513,700 units.

News Of Rolling Meadows

HELENE BRISTOL, Editor — 2104 South Street — CLearbrook 3-8125

Tickets Ready for PTA Sweetheart Ball Feb. 12

You have a chance this year of really celebrating Valentine's day in "courtin' days" style. The PTA of District 15 is holding a Sweetheart ball Saturday, February 12, from 9:30 p.m. to 12:30 a.m. at the beautiful new Paddock school in Palatine. The school will be decorated for the occasion, and special refreshments will be served. Dance music will be provided by the George Dorman orchestra. One of the most convenient features found at any dance will be provided — a special table for every group attending. Because the tickets are strictly limited, call for reservations for your party now while they are still available. Ticket saleswomen for Rolling Meadows are Gretchen White, Clearbrook 3-8332; Marion Garrity, Clearbrook 5-0790; Jane Self, Clearbrook 5-0853; and Jean Bennett, Clearbrook 3-3350. Tickets are $3 per couple.

Welcome World

Little Debrah Jo White arrived early last Tuesday morning, January 25, at St. Mary of Nazareth hospital in Chicago. It took Dale and Elaine White 2½ hours during the blizzard Monday evening to drive from Rolling Meadows to the hospital. During that long, treacherous drive both Dale and Elaine really wished they could have "ridden a snowflake" rather than travel over and through so many of them! The weather was slightly more favorable when they returned to their home at 2102 George st. with their little 5 pound 5 ounce addition. The baby's older sister and brother, Gail Ann, 5½, and Greg Alan almost 2, spent a happy holiday during their mother's trip to the hospital staying with their aunt and uncle, Mary and Tom Lisinski, of 2409 Sigwalt st.

That bright look on the face of Paul Williams was caused by the arrival of the Williams' first child. Little Patricia Mary Williams checked into Wesley Memorial hospital in Chicago January 30, tipping the scales at 7 pounds 6 ounces. Both she and her mother, Maryalice Williams, are doing well, and looking forward to their homecoming.

Little League Meeting

Circle this Sunday, February 6, on your calendar. An important meeting of your Rolling Meadows Little League organization will be held at The Barn on Kirchhoff rd. just west of Meadow dr. at 5 p.m. The Little League organization is looking forward to meeting more new neighbors who enjoy giving a few hours of time for the welfare of our "men of tomorrow."

Recuperating

Ted Witenski of 2800 Dove st. has returned home following a serious operation. His many neighbors and friends join in wishing him a speedy recovery.

Still hospitalized is Paul Nordskog of Bluebird ln. Paul, who was involved in a multiple automobile crash the icy morning of January 21, has been in Resurrection hospital since the accident. Troubles always seem to come in bunches when they arrive. With their car a total wreck, and Shirley Nordskog dependent upon neighbors and friends for transportation to the hospital and for the care of their children Mark 5, and Kayleen 4, both children came down with chicken pox last week. To help out during the family crisis, Paul's mother, Mrs. Nordskog, came to Rolling Meadows from her home in Iowa for a week's stay.

New Girl Scout Leader

In response to the recent plea for an assistant scout leader to aid Mrs. Gretchen White with Girl Scout troop 302, Mrs. Shirley Sponsler of 2103 Wren ln. has been named as assistant scout Leader for Troop 302, and will begin her new duties shortly.

Brownie News

Tuesday afternoons the hum of activities lasts a little longer at the Kimball Hill school than usual, because that is the day Brownie Troop 37 under the supervision of Mrs. Jane Self of 2104 Bluebird ln. meets. Meetings are opened with the Brownie Promise and songs and a flag ceremony. Since the troop received their flags through the Home Owners' association, the girls have been learning flag etiquette. They are also busy making desk calendars a troop project, and are learning games and songs. The members of the fast-growing troop are Kathy Barber, Karen Garrity, Joanne Hvid, Linda Jesperson, Linda Kitterman, Peggy Loiselle, Janet Newberg, Kathy Newberg, Sandra Person, Susan Richard, Eileen Sandles, Cheryl Schultz, Mary Van Wazer, Darlene Johnson, Sheryl Wirth, Michele Barale, Peggy Rothacker, Susan Ebel, Marian Kalish, Elaine Karr and Karen Carlson.

Approaching Wedding

A real "Rolling Meadows wedding" is fast approaching. Miss Lois Macior, the daughter of Mr. and Mrs. Louis Macior of 2900 Stork ct. will exchange wedding vows with Wilber Hutchison, son of Mrs. Agnes Hutchison of Arlington Heights, Saturday, February 12. The ceremony will be held at 10 a.m. at Our Lady of The Wayside church in Arlington Heights. Mr. Hutchison has been working at Jim's Service station at the corner of Wilke rd. and Campbell. The young people will be Rolling Meadowites themselves following their marriage since they will move into their new home on Cardinal dr. as soon as it is completed.

February Meeting Date Named for Home Owners' Association

The regular meeting of the Rolling Meadows Home Owners' association will be held at The Barn on Kirchhoff rd. at 8 p.m. Tuesday, February 8. It should be attended by all block captains, and is, of course, open to any resident who wishes to attend. The meeting will be further announced through a newsletter to be distributed this week which will also include the 1955 Rolling Meadows automobile stickers being supplied free to residents by the Home Owners' association.

Birthday Parties

Although only two years old, little Karen Marie Young was an accomplished hostess at her birthday party Tuesday, January 25. Karen Proudly shared her "circus" cake with her many little friends including Gary and Janice Brankin, Johnny Thompson, Diane Dahlquist, Ellen Brandt, Randy and Sharon Farquhar, and Edward Jaske Jr. While Karen entertained her little friends, her mother, Marie Young, entertained their mothers.

Mr. and Mrs. William Young, who live at 2505 Sigwalt st. also held a family birthday party for Karen Sunday, January 23, when her aunts, uncles and grandfather came to help her observe the important event.

Although February 1 is her actual birthday, Little Linda Kitterman celebrated her 8th birthday Sunday, January 30, so that more of her young friends might be able to attend. Linda, who is the daughter of George and Marge Kitterman of 2606 South st., served her young guests ice cream, candy, chocolate cake and cookies, and the children all participated in games following the refreshments. Among those present were Judy Haid, Carol Hahn, Darlene Dahl, Bobby Keller and Linda's sister Kathy, all of Rolling Meadows. June, Lynn, and Carol Wagner came from Chicago to attend the birthday celebration.

Bill Brankin of 2509 Sigwalt st. celebrated his birthday Tuesday, January 25. A group of relatives gathered at the Brankin home on the previous Sunday to observe the important occasion. Tuesday evening, the Brankins' nieghbors, Mr. and Mrs. William Young and Mr. and Mrs. Don Dahlquist dropped in to express their good wishes.

Sunday, January 30, was the fourth birthday of little Mary Mahoney, daughter of Mr. and Mrs. George Mahoney of 2404 Wing st. Mary was hostess on that date to a group of her young friends including Georgie Fackler, Susie Estrella, Billy Mazanet, Greg Novak, Jeff Scott, Michael Bosshart and Artie Eggert. Besides the usual birthday refreshments, the children played group games and enjoyed some group songs.

Clubwomen Attend District Meeting in Des Plaines

A group of 14 women from the Rolling Meadows Junior Women's club attended the 7th District Women's club meeting in Des Pleaines Tuesday, January 25. All the new officers of the Rolling Meadows club were introduced at the meeting. They are Rene Jaremus, Billie Traub, Charlotte Heitbrink Sue Schultz, Ginger Groves and Pat Hoffman. All of the club presidents present were asked to give a report on their current club activities, and Mrs. Jaremus gave an impressive report on the work of the Rolling Meadows club, including the sponsorship of the "Mothers March on Polio."

Thanks to Residents

The Junior Women's club would like to express its sincere appreciation to the residents of Rolling Meadows for their wholehearted response to the "Mothers March on Polio" sponsored by the club. The total of $638.60 collected from less than 800 homes is a really remarkable record. The special committee in charge of the campaign, under the chairmanship of Mrs. Lucille Doyle, would also like to thank Sheriff Lohman for his cooperation in supplying a squad car to patrol the area during the "march" and to stand by during the counting of the money afterwards. Special thanks should also go to the "marching mothers" who braved the cold and snow for this vital cause. They were Shirley Roeing, Ginger Groves, Alice Farrell, Jean Katkus, Zama Faber, Dorothy Pitts, Lorie Stapleton, Shirley Jaaksi, Muriel Schrock, Lorraine Schroeder, Jean Ehard, Irene Sharples, Kay Laspisa, Lorretta Platter, Monica Glass, Ann Romolo, Jean Maszk, Shirley Northcote, Sue Schultz, Rose Roessler, Emma Macior, Donna Anderson, Janet Stickney, Marge Schmidt, Shirley Johnson, Elva Rumrey, Pat Hoffman, Barbara Fackler, Marge Kitterman, Myrla Garrity, Charlotte Heitbrink, Rene Jaremus, Mary Estrella, Florence Nyblin, Jane Self, Marion Garrity, Rosemary Nash, Mercedes Brezinski, and Billie Traub.

Out-of-Town Visitors

There was a very important out-of-town visitor as a guest in the home of Mr. and Mrs. Earl Huberty of 2604 South st. Mr. Edward Duane Ellis of Muskegon, Mich. visited the Huberty family from January 15 through 26. Mr. Ellis is the fiance of the Huberty's young daughter, Dee, and had just returned from an extended Mediterranean cruise with the Navy. Mr. Ellis is stationed in Norfolk, Va., but expects to leave February for a cruise to Cuba.

Bill and Dorothy Dow of 2304 Sigwalt st. also entertained out-of-town visitors recently. Mr. and Mrs. Wayne Magee and their children, Larry 20 months, and Billy 6 weeks, stopped for a short visit with the Dow family last week. Mr. Magee is a former classmate of Bill Dow at the University of Wisconsin, and he was just awarded his Ph.D. degree in bio-chemistry there. The Magee family was traveling from Madison to Kalamazoo, where they will make their new home.

Little League Dance Bulletin Distributed by Boys; Tickets Still Available

By now everyone has surely received the Little League dance bulletin which was distributed by some of the boys who will be taking the diamond as Little League ball players this summer. The men of the Little League organization would like to thank these boys for their efforts. They are Paul and Edward Garrity, Larry Vaughan, King Nyblin, Kevin Mahoney, Arthur Christensen, Jimmy Janson, Bobby Carlson, Alan Haase, Bobby Hickey and "honorary Little Leaguer" Cheryl Schultz. "Bobby" Binnie should also receive special thanks for his efforts in being the first "super salesman" to sell his quota of 50 Little League dance tickets.

It's only three weeks until the Little League dance will be held at Edison Park Legion hall, 6684 Oliphant. Saturday, February 26 at 8 p.m. is the exact date. Representatives of the Little League are ringing doorbells to get acquainted with you and give you an opportunity to make your contributions of $1 for each ticket you desire. This is a chance to get acquainted with your neighbors and at the same time do your part to provide good, wholesome training and recreation for Rolling Meadows boys.

If you have not been contacted by a Little League representative, or if you wish to secure additional tickets before the supply is exhausted, you can call Clearbrook 3-8624 for immediate delivery.

Anniversary Celebration

Saturday, January 22, was the date of the sixth wedding anniversary of Alice and Glen Farquhar of 2503 Sigwalt st. The Farquhars' neighbors held a small celebration for the popular couple.

Palatine Players Will Give Play at Paddock School

Next Tuesday night, February 8, at 8 p.m. in the Paddock school auditorium, the Palatine PTA (of which Rolling Meadows is a part) will present the Palatine Players in a one-act play "Scattered Showers" by Nora Sterling and sponsored by the National Association for Mental Hygiene. This play has brisk pace, suspense and action, reports Mrs. Robert Moss, program chairman. The dramatized situation involves three mothers. each with her own theories in disciplining youngsters. In a crisis each child reacts to his own training, creating an object lesson for parents. Directing for the Palatine Players is Virginia Warner. The cast will feature Jan Taggert, Marion Fyfe and Rosemary Floberg. The public is invited to attend the program. Refreshments will be served afterwards. This will be the first production to use the newly-completed stage equipment in the Paddock school. More than 40 per cent of the cost of this equipment has been paid for by the student activity fund, money earned by the children themselves through entertainment, magazine drives, etc. PTA members and guests are invited to come backstage after the program to inspect lighting, teasers, tormentors, flies, floods and the other mysteries that compose a well-dressed stage.

Entertain Navy Couples

Lt. and Mrs. Robert Pollard of 2809 Wilke rd. entertained three couples at a buffet dinner Sunday, January 23. The guests were all Navy couples, and included Lt. and Mrs. Robert Jacobson of Rolling Meadows.

Scout Activities

Sunday, February 6, will be the official opening date of Scout Week and the observance of the anniversary of the founding of Boy Scouting in the United States. The occasion will be marked here by a special morning worship service at the Community church at The Barn Attending the special morning service dedicated to Scout work will be all Rolling Meadows Boy Scouts of Palatine troop 69 and Cub Scouts of Rolling Meadows pack 68. The boys will be dressed in full uniform. Color guards from both units will post colors. Perhaps the most important part of the ceremony will be the presentation of the Pack 68 charter by Mr. Russel Young, district commissioner for the Signal Hill district. Certificates will also be presented to the Cubmaster, den mothers and pack committee members. Everyone is invited to attend these special morning services.

Handicrafts To Be Shown

Saturday, February 12, at the Oak Street school, there will be a special Scout show in connection with Scout Week. This show will display Scouting activities, feats, and techniques of all kinds, including different varieties of handicraft. Tickets for this show can be obtained from any Cub Scout or Boy Scout in the community for only 25 cents. Neckerchief slides are being presented as awards to Boy Scouts who have sold 5 or more tickets and to Cub Scouts who have sold two or more tickets.

At 2 p.m. Saturday, February 12, all Cub Scouts will meet at the Kimball Hill school to attend the Scout show in a group. Parents who wish to come with their boys are welcome to join the group. Younger members of the family will also be welcome. All persons attending the Scout show must have a ticket, including the Scouts themselves.

In connection with Scout Week, all Scouts are requested to wear their uniforms to school each day during that week.

Christenings

The first christenings to be held at the Lutheran church in Rolling Meadows were conducted last Sunday, January 30. Conducting the christenings was Rev. Luther V. Stephan of St. Peters church in Arlington Heights, one of the churches sponsoring the Lutheran church in Rolling Meadows. Christened during the morning worship service was Vicki Lynn Mills, the 2 year old daughter of Mr. and Mrs. Earl Mills of 2404 Dove st. Vicki Lynn's godparents were Mr. and Mrs. Aubrey Amundson of 2400 Dove.

Also christened during the morning service was Keith Robert Michaels, the 5 month old son of Mr. and Mrs. Robert Michaels of 2407 Eastman st. The baby's aunt and uncle, Mr. and Mrs. Mart O'Trembiak of Oak Lawn, acted as sponsors for the child.

St. John's Evangelical and Reformed church in Arlington Heights was the christening site of Robert Albert Behm Sunday, January 30. The baby, who was born September 1, is the first child of Betty and Al Behm of 2605 Meadow dr. The baby's godparents were Mr. and Mrs. Charles Pearson of Edgebrook.

Community Church To Hold Proclamation Service

The Rolling Meadows Community church will hold its Charter Sunday on February 20. On that day at the morning service, those desiring will be invited to sign the Church Charter and form the first official body.

In the evening will be held a Proclamation service at which time the church will proclaim itself established in Rolling Meadows. Participating in the evening program will be many local ministers and church dignitaries. Included among them will be Dr. Al Diman, president of the Church Federation of Greater Chicago, and Dr. John W. Harms, Executive Secretary of that same body.

The minister of the church, Rev. S. Nelson Ringsmuth, said, "The Rolling Meadows Community church has enjoyed unusual success in many ways, primarily due to its all inclusive policy which is a part of the church's faith and practice; inviting all men of all faiths and traditions to enter into common worship."

Meadows Church Hosts Midwest Council

The minister and board of trustees of Rolling Meadows Community church were hosts to pastors and delegates representing the Midwest Council of Community churches last Sunday. It was a planning session preparing for the annual conference to be held in May. Site for the conference was chosen as the Glenview Community church and the program will include a tour of the Rolling Meadows development and the Community church project here.

Rev. Ted Ringsmuth, a member of the ministers' team of the Glenview Community church, headed the committee. Following the meeting supper was served by Al Garms, a trustee of the Rolling Meadows Community church.

Des Plaines Okehs Water Improvements

Des Plaines city council has apfor city-wide water improvement and expansion projects.

Total cost of the program will be in excess of $560,000. It will include expansion of the city's water softening plant.

School News

School was dismissed at 1 o'clock Monday and an arithmetic workshop was held in the afternoon plus a childcraft demonstration. Miss Lucy Driscoll, assistant county superintendent of schools, observed arithmetic classes in all grades during the morning.

Magazine Drive

Don't forget to subscribe to one of the Curtis publications through the students of Elk Grove school. All upper grade pupils are selling magazines, and if one does not call on you and you would like a subscription, please call the school so that a sutdent salesperson can take your order. This is a student council project.

Attends Meeting

Mr. Cavallo, superintendent of Elk Grove school, attended the superintendent's meeting on Wednesday afternoon, February 2.

Conferences Planned

Parent-teacher conferences are being planned for Thursday, February 17 to take place during the entire school day. There will be no school for the pupils on that day, but parents will be sent appointment notices next week. It is hoped that parents will keep the date free so that they can keep the scheduled appointment.

Basketball

The Elk Grove Elks lost their game with St. James last Friday by a score of 24 to 3. Their next game will be February 8 with Wheeling.

Mothers' Club

The regular monthly meeting of the Mothers' club will be held Thursday, February 10 at 1:30 p.m. All mothers of the district are invited and urged to attend.

Entertain

Dorothea Schulze entertained Bonnie Quigley of Arlington Heights at dinner last Sunday. After dinner, they enjoyed bowling at the Wood Dale Bowling alley with Dorothea's father and ice skating later in the afternoon.

The eleven children of Mr. and Mrs. John E. Fluger planned a wedding anniversary dinner Saturday, January 22 in honor of their parents' 40th wedding anniversary. The celebration took place at the Evergreens in Dundee. Mr. and Mrs. Fluger, former residents of Elk Grove, now live in Harvard, Ill. John and Mary Wille are two of the twenty-two grandchildren of Mr. and Mrs. Fluger.

Myrtle Gilbert of the Spruce Inn, Higgins and Elmhurst rds., entertained 35 children from the Elk Grove school recently. The occasion was a birthday party for Sheila Gilbert who was 11 years old. The children enjoyed refreshments and dancing.

Feehanville School

PTA

Executive meeting of the Feehanville PTA will be held at the schoolhouse February 9, at 7:30 p.m.

Eighth grade students of District 26 who are in the Maine Township high school district, will take a series of standardized tests to be given at the high school Saturday. Tests will be given in Room 320 and will start promptly at 9:15 a.m. and will last until 3 p.m. Students are asked to bring pencil, eraser and scratch paper, and are asked to carry their lunch. The tests deal with language and reading ability, mathematical aptitude and general academic aptitude, and the scores made will not influence the acceptance of a boy or girl as a member of the Maine freshman class. The test results will be used for placement and counseling purposes.

At least three of the Maine student from District 26 are to be congratulated on making the honor roll last quarter—Jackie Alexander, Joby Badalamenti and Robert Martens. There may have been more, and if so I should greatly appreciate hearing from them, as we are all interested in the outstanding achievements of our young people.

Among the many from this district who attended the Snowball Shindig at Maine last week were George Grenda, Phyllis Schwictenberg, Joby Badalamenti, Jackie Alexander and James Brewer. Among the many TV celebrities present were Howard Miller, June Valli and Jim Lounsbury of Bandstand Matinee.

Hospitality committee of the PTA will be meeting at the home of Mrs. Val Barton Friday night to make plans for the February meeting. Mrs. Rose Kirste is a new member of this committee.

Scout

Intermediate Girl Scout troop 233 had their troop birthday party last Thursday. Guests were the members of the new troop committee, Mrs. Marie Sandquist, Mrs. Val Barton, Mrs. Betty Arkell, Mrs. Jeanne Duncanson, and Mrs. Dorothy Levine. The girls entertained their guests with a pantomime skit, "The Writing of the Laws." Katherine Swiatowy was the Story Book Lady who read the story, and the characters who carried out the action were: Brownie, Kathy Kirste; Knight, Rita Pischotti; Puritan Maiden, Janet Sandquist; Loyalty, Diane Wilming; American School Girl, Sylvia Durso; Cheerfullness, Barbara Levine; Colonial Girl, Mary Alice Houser; St. Francis of Assissi, Judy Munson; Roman Soldier, Mary K. Edgeworth; Dutch Girl, Sharon Anderson; Purity, Jo Anne Arkell. The representative Girl Scout who received the laws, was portrayed by Mary Jane Arkell. Play was directed by Elaine Hanson. All the girls were in appropriate costumes. After the play Judy Munson and Sharon Anderson entertained the guests with a tap dance routine. Refreshments were brought and served by all the girls.

Mrs. Marguerite Broberg attended camp night in the Junior high school in Des Plaines last Friday night. There were songs, skits and dances done by troops from various neighborhoods, and films were shown of the established scout camp, at Hickory Hill, and of day camp.

Civic Association

A great deal of business was discussed and disposed of at the January meeting of the Forest River Home Owners Civic association. The committee who was working on the proposed cookbook last year was asked to reassemble and see what can be done. A fund-raising project, to be worked in conjunction with the fire department, was discussed, approved and voted in. Mrs. Letha Swiatowy was appointed refreshment chairman for the year. The use of the Community hall was granted the Rand Community club for February 28, for a games party.

Mrs. Roberta Phar, chairman in charge of the teenagers' activities, asked for and received permission to change their February meeting night to the first Saturday in February. This will be their Valentine dance and box social combined. The teenagers are planning to decorate the Community hall for the occasion, and are expecting an attendance comparable to that of the Christmas party. The chaperones who offered to help out at this party are Mr. and Mrs. Roman Anderson, Mr. and Mrs. Charles Badalamenti, Mr. and Mrs. Harold Broberg and Mr. and Mrs. Robert Under.

Forest River Church

The 15 classes being taught in the second hour of the Forest River Sunday school had much more elbow room last Sunday morning—they were able to utilize the new addition.

Last week Wednesday the Stockade and Brigade took advantage of the snow and cold weather by going tobogganing in Jensen's woods. Emert Roos and Bernard Shimmin were the adults in charge, and the boys who were able to go were Bobby Broberg, George Grossi, Richard Unger, Michael Lipnisky, Arthur Leark, Buster Levine, Robert Levine, John Hanson and Phil Roos. They stopped at the Super-Dawg drive-in for refreshments on their way home.

Stockade is planning to attend the basketball game Saturday when the Brigade is playing Maywood. The Brigadiers won their game with Lombard last Saturday, 59-49. They are playing the 8 o'clock game this coming Saturday.

The Hi-C's won their game against Proviso last week, 28-23. They are scheduled to play Austin this coming Thursday, 8 o'clock, at the Hawthorne school gym in Oak Park.

Back From Mexico

Dorothy and George Murray, 1433 Wilke rd., returned Sunday from a 3-week vacation in Mexico. With the exception of auto tours to Taxco, Cuernavaca and San Jose de Purua, the trip was by plane. They spent several days at Acapulco and then went to Yucatan where they saw the ruins of the ancient Malayan civilization. On their return home, they stopped off for a visit to New Orleans.

Pvt. Don E. Brown, son of the Lyle Browns, 1414 W. Oakton, arrived in Germany January 22. He has been assigned to a Quartermaster Depot Detachment near Poitiers, France.

Mrs. Brown spent the week of January 17 visiting her parents, Mr. and Mrs. E. E. Cavanaugh, in Kalamazoo, Mich. While there, she also spent some time with Mr. Brown's parents, Mr. and Mrs. R. E. Brown who live in the same city.

Valentine Party

Planning a Valentine party for February 12 are Jo Anne and William "Brodie" Herndon, 1333 N. Wilke. Guests from Virginia Terrace will be Jody and Bob Morrill, Veneta and Roy Kellogg, Dolores and Phil Bracht, and Betty and Francis Buckeridge. The Herndons moved into their home in July from Chicago.

Jody and Bob Morrill, 1329 Wilke rd., moved to Virginia Terrace in the middle of July from Evanston. They have a little girl Robin, who is 16 months old.

Dorothy and Joe Clavin live at 1247 N. Wilke rd. They moved from Wilmette at the end of July.

Parents Visit

Mr. and Mrs. Alfred Herbert of Boston spent the Christmas and New Year's holidays with their son and his family, the George Herberts, 1227 N. Chicago. George and Polly moved to Virginia Terrace from Prospect Meadows November 1. They are originally from Thomaston, Conn. The Herberts have two children, George Jr. 5, and Sue-Anne 2.

Dorothy and Leonard Ukelja, 1421 Wilke, attended the graduation of their niece, Arlene Wermuth, from Carl Schurz high school last Thursday.

Third Birthday

Diane Ukelja celebrated her third birthday January 30 with a family party. Her grandparents, Mr. and Mrs. F. Ukelja, were guests. Diane's mother, Dorothy, enjoyed an evening with her sewing club recently at a performance of "The King and I."

Mary Ann and John Geer, 1515 Clarendon, entertained three couples from Western Springs at dinner last Saturday night. Their guests were Carolyn and Carl Matson, Joan and Bob Ludwig, and Marilyn and Herb Kiel.

Trouble? Trouble

Eight year old Diane Klein received a pair of ice skates from her folks recently. When the pond froze in the farm field bordering the Meadows, she pleased herself and her folks, Arlette and Bob Klein, with her rapid progress in learning to skate. Then Diane had an unfortunate accident — she twisted wrong on a fall and broke her leg. Lucky for her, David Long saw what happened and carried her home. Diane has made two trips to Sherman hospital, Elgin — the first to have her leg set and several days later to adjust thealthough flowers may be used, too.

Record Amount Gas Used For Heating

Northern Illinois Gas Company send-out records were broken on successive days during this week's below zero cold wave, Marvin Chandler, the utility's president, said. The previous high of 311,000,000 cubic feet of gas, established January 11 of last year, first was eclipsed during the 24-hour period ending at noon January 26 when the maximum use reached 317,500,000 cubic feet, and then the following noon, January 27 as the company's maximum 24-hour send-out totaled 353,700,000 cubic feet.

The importance of Natural Gas Storage Company of Illinois' underground storage field was demonstrated during this cold wave, Chandler said, since Northern Illinois Gas augmented its pipeline supply from this source as it withdrew six million cubic feet of gas the first day, and 36 million the second.

Although the Herscher storage field still is in its development stage, Chandler pointed out, the withdrawal of gas from it during the extremely cold weather proved an important factor in supplying the increased demands of the company's 479,500 customers, particularly the 169,000 who heat their homes with gas—144,000 of them added since September, 1945.

Q. What kind of decoration should be used for the breakfast party table?

A. A bowl of fruit is customary, although flowers may be used, too.

Kenny Butcher of 921 N. Beverley had 10 of his neighbors and two school chums to help celebrate his eighth birthday last Saturday, January 29. Glen Michalski, Joan Bierma, Bobby Weber, Jan Carlson, Johnny Carroll, Mary Kay and Jamie Stewart, Susan Wiegand, Judy Henry, Clarice Margoulis, and Kenny's brother, Bobby, all helped to make it a happy birthday. The party was perfectly timed, as poor Kenny became the victim of chicken pox two days later.

Cubs Induct Two

Den father Albert Gamenthaler of 905 N. Hickory, and assistant den father Harold Henry of 834 N. Hickory, were in charge of the Cub Scouts' induction ceremony last Friday evening, January 23. Kenny Butcher of 921 N. Beverley, and Herbert Reif of 917 N. Douglas were inducted into den 8.

CHRISTIAN SCIENCE CHURCHES

Man's universal right to spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Spirit" at Christian Science services Sunday, February 6.

Scriptural selections to be read from the King James Version of the Bible will include the account of Philip's baptizing of the Ethiopian eunuch as recorded in Chapter 8 of The Acts of the Apostles.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (241:27): "The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration."

The Golden Text is from I Corinthians (12:13): "By one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free."

Covering Northwest and West Suburban Sports

MAC SAYS

— by G. A. McElroy

ELGIN HAS REPLACED Crystal Lake on future basketball schedules of Arlington Heights high school with initial regular season game between the two schools slated for the Friday after Thanksgiving, Nov. 25, if you like figures and who doesn't). A two year, home-and-home contract has been signed.

Lack of gate receipts in recent Crystal Lake-Arlington games was the reason for the change, by mutual agreement after suggestion of Crystal Lake.

Back in Northeast conference days the Cardinal-Laker affairs were tightly contested, but with two-thirds of present residents of the local high school never having heard of the Northeast conference, attendance at these games has been small. Actually, nothing can replace conference competition at the gate, and the games with Elgin are a logical step.

Fans are certain to like the change. Elgin has always drawn well in tournament games at Heights. With the cage outlook improving at Arlington the games could be hotly contested.

Arlington's athletic director Wally Grace has finally arranged the basketball schedule as he wants it—three openers with Woodstock, Palatine and Elgin prior to opening of West Suburban competition, plus another non-league affair early in December, Leyden the second weekend of the month. The league permits four non-conference games, plus a holiday tournament.

★ ★ ★

FOUR GAMES TO GO in the Northwest suburban conference cage chase and the first division four, each a game apart. That is the setup as the teams go into the home stretch. Whether Palatine won or lost at Ela last Friday night they still had to conquer Antioch two weeks hence to get a slice of the championship. Only now Antioch is pretty well assured of a share of the top honors and a pretty heavy favorite to win their remaining games. Ela might spoil Antioch's plans and so might Palatine.

Ela's juniors are coming along as they proved Friday night and they can play Antioch's style of game.

Antioch's frosh-sophs lead the league by one game over Glenbrook, and two over Bensenville and Ela-Vernon, but we would not be surprised if someone else at least shared the championship. There is a good chance of Antioch dropping two of the remaining four games as they have to play Bensenville (6-4) and Ela (6-4) away from home, and Glenbrook (7-3) and Palatine (5-5) on the home court. We still think Bensenville's little Bisons have a chance to get a share of first place if they can beat Antioch's sophs next week, Friday.

★ ★ ★

LARS HENRICKS warmed up at Palatine last week, Tuesday, with 21 points, then let loose Friday for the Bensenville frosh-sophs with a league record 40 points against Grayslake. Henricks scored 17 from the field and six free throws. The 70 points scored by the Bisons was also a frosh-soph record.

Bensenville cage fortunes are on the way up for in addition to a good frosh-soph team the Bisons have a frosh outfit which has beaten everyone this season except for a split with Glenbrook.

Look out for Ela-Glenbrook, Grant and Wauconda next season. Ela has four regulars back in Soos, Benson, Becker, and Al Bathrick, plus all their subs. Glenbrook has league leading scorer Bob Boyd, six-foot-five center Sheldon Spalding, and guard Don Powers from their regular five.

Grant has Neuman, forward; Parr, Madden, Hodge, and Havel, guards; and Bossow, center, all returning. Wauconda will be ready next year with Gene Jaskot, all league forward; Okpisc, six-foot-six center; and Weinberg, good scoring soph guard; all varsity regulars.

★ ★ ★

THERE ARE NOT LIKELY to be any new varsity scoring records. Both Boyd and Severance have fallen off in their scoring as teammates have developed point getting ability and it would take about 30 points a game or more to come close to the record. Ken Sirotzki has moved up to 204 in a position to challenge the 217 of Boyd and the 216 of Severance. Sirotzki has 94 free throws and is still 31 free throws shy of tying the record with just four games to go.

In this age of all offense and little concern for defense it is refreshing to note that Bob Bein of Grant, who has averaged 14.5 points a game, has the best defensive record of any player in the loop.

He is assigned the best scorer of each of Grant's opponents and has held them to half or less of their usual point totals. For example, Bob Boyd of Glenbrook has averaged 21.7 but Bein held him to nine. Severance of Ela has averaged 21.6 but got only 12 with Bein to guard him. Jaskot of Wauconda has

Soph Game Pits League Leaders At Arlington

by BOB PADDOCK

LaGrange, co-leader of the West Suburban league varsity basketball race comes to Arlington Hts. Friday night in quest of its eighth victory in ten games, attempting to keep pace with Downers Grove, which almost fell to the Cardinals last week.

The Lions whipped Coach Howard Lester's five by seven points the other time the teams met. Heights has improved terrifically since then, maturing and gaining confidence game by game. The odds favor LaGrange but there is a squad of seasoned juniors, plus a couple of veteran seniors, determined to go all out for victory at Heights.

★ ★ ★

THERE IS NO greater opportunity for the local varsity. With just one league victory under their belts, the Cardinals would like nothing better than to cop the school's first varsity basketball victory over LaGrange Friday night.

And considering the way the Arlington squad has improved since the holidays, Friday might be just the time. Other games within the league find Maine traveling to Hinsdale, Riverside at Downers and Glenbard at York.

★ ★ ★

THE HEIGHTS frosh-sophs, currently in a three way battle for first and second in the younger division, will be up against the two teams that hold wins over the Klotz-men the next two weekends. LaGrange whipped the local sophomores by seven points before, with the help of an 18-8 third period. Glenbard took the measure of Heights frosh-sophs, 48-35.

Glenbard currently leads the younger division with an 8-1 mark. One game out are Arlington and LaGrange. Arlington has tallied 11 more points than LaGrange, but has given up 15 more in nine games to date.

Regional Pairings

Pairings for the Illinois high school basketball regional tournaments have been released by Albert Willis, executive secretary of the IHSA. The tournaments will run February 28 thru March 4 with some of them having district meets the week before, February 21 to 25.

Northwest and West Suburban conference schools are all competing in regionals with the exception of Bensenville, which will compete in the Lisle district.

Pairings include:

Elgin regional: Elgin vs. Grant; Crystal Lake vs. Woodstock; Antioch vs. McHenry; Dundee vs. St. Edward district winner.

Leyden Regional: Glenbard vs. Maine; York vs. Leyden; Proviso vs. Niles; Oak Park vs. Lisle district winner. Lisle district: St. Procopius vs. Immaculate Conception of Elmhurst; Bensenville vs. Maryville of Des Plaines; winner to Leyden regional.

Glenbrook Regional: Barrington vs. Grayslake; Ela Vernon vs. Wauconda; Palatine vs. Glenbrook; Arlington vs. Libertyville.

North Chicago regional: Evanston vs. North Chicago; Highland Park vs. Zion Benton; Waukegan vs. Lake Forest; New Trier vs. Warren.

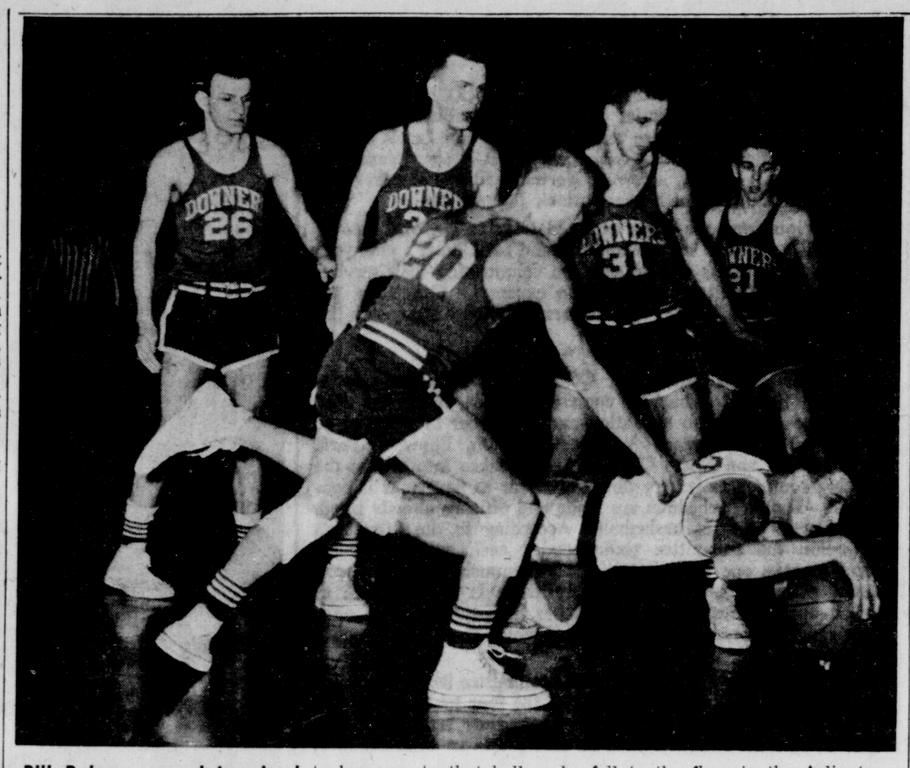

Riverside regional: Morton vs. Reavis; Hinsdale vs. Riverside; La Grange vs. Argo; Downers Grove vs. Orland Park district winner.

Benefit Night Of Basketball, Wrestling Planned At Palatine

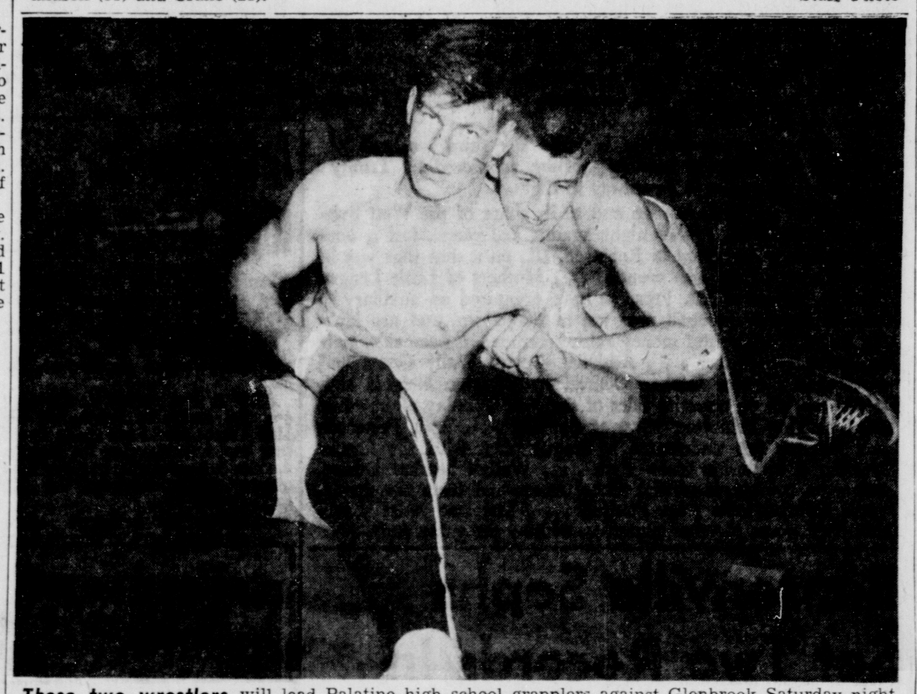

Palatine High has scheduled a benefit night of basketball and wrestling for the Saturday night of the week of the sectional basketball tournament, March 12, to raise money for new sports equipment. The older men of the faculty and those not engaged in coaching have challenged the Dad's club to a game of basketball.

It is hoped the Dads' club members who have boys on the basketball squads will be the players. The second game will pit the high school athletic coaches against the Lettermen's club with varsity basketball squad members not eligible to play.

A special feature will be wrestling matches between Palatine high's best grapplers as well as a couple of matches put on in pro style. A trampoline exhibition is also being planned.

Bill Palmer was determined to hang on to that ball as he fell to the floor in the Arlington-Downers frosh-soph game Friday night at Heights. The locals won, 47-24, after losing at intermission, 27-24. Seen for Downers, left to right, are Gorecki (26), Peiffer (33), Jelinek (20), Amundson (31) and Crane (21). —Staff Photo

These two wrestlers will lead Palatine high school grapplers against Glenbrook Saturday night and Arlington Monday afternoon. Both Leonard Rohde, left, heavyweight and Larry Wheeler, 175 pound boy, will carry undefeated records into these crucial matches. Wheeler has won all 11 of his bouts, Rohde all nine of his. Just what they will do against Glenbrook and Arlington remains to be seen, for these two teams are also strong at those weights. —Staff Photo

Gymnasts At Senn

Arlington Heights high school gymnasts will travel to Senn of Chicago Friday for an afternoon meet, risking an unbeaten record (in two meets) with boys competing on four pieces of equipment in each of three divisions.

Coach Gay Hughes has scheduled Bob Baas, Carl Krautwurst and John Koeppen to compete in championship division. In the intermediate division will be Fritz Snyder, Dick Neiland, Dick and John Kimbrough and Bill Tegtmeyer.

In the novice division will be Bud Holms, Don Seef, Don Schock, Bruce Robb, Dave Brook, Tom Seward and Roger Meyer. The boys will be competing on horizontal bar, parallel bar, side horse and long horse.

Tough Competition Seen In Wrestling Sectional Feb. 17

That competition will be tough in the coming wrestling sectional at Waukegan was evident upon perusal of the rosters of schools competing in the event Feb. 17 and 19. Arlington will be competing at Waukegan, along with New Trier, Evanston, Glenbrook, Niles, Waukegan, Maine, Zion-Benton, Warren, North Chicago and Wauconda. Palatine will compete in the Elgin sectional.

Heights wrestlers have won ten of eleven duals this season, losing to LaGrange last week. This week the Cardinals compete at New Trier in a meet that should determine the tourney favorite.

★ ★ ★

THERE ARE PLENTY of last year's sectional winners still competing this time, headed by four New Trier boys. Martinson at 95, Morrison at 112 and Pitzner at 154 were all winners in the sectional at Arlington last year, and will certainly be rated highly for this year's tournament. Boudreaux at 120 is another New Trier lad who finished second in the sectional last year. Morrison took fourth in the state, Pitzner second.

Another second place winner in the state back this year will be Salata of Waukegan at 175. He won the sectional last year, and drew with Arlington's Bruce Wilkerson this year. Bruce of Waukegan, now a junior, took third in the sectional at 103 last year.

★ ★ ★

TWO EVANSTON boys taking second in the sectional at Heights last year and back this time are Van Dellen at 112 and Williams at 127. Prieser of Maine finished second at 165 in the sectional last year. Two Glenbrook boys taking seconds in the sectional last year are Borre at 133 and Braun at 138. Borre took fourth in the state. Both are back this time.

Only one Heights grappler who competed in the state tournament is back this year, Vic Carlino, now competing at 103. Vic finished fourth at 95 last year, is undefeated this year in eleven matches, the same as his freshman brother, Ralph, at 95.

Phil, Joe and Ken form sixty percent of Coach Frank Novatny's starting five at Bensenville high school, and are seen above making plans for a coming game. At the left is Phil Johnson, junior, forward; Joe Masotti, senior guard, and Ken Sirotzmi, senior guard, talking with Coach Novatny.

Other boys currently on "the first five" are Francis Cheze, senior forward, and Bob Heinrich, junior center. The Bisons will play at Wauconda Friday and at Mooseheart Saturday.

Consider Probation For Teens Who Flooded High School Gymnasium Floor

Lake County Judge Minard E. Hulse will decide Feb. 3 whether or not to give probation to five teenage boys found guilty of flooding the floor of the new gymnasium at Libertyville high school's Butler Lake building Nov. 6.

The flooding caused damage of $8,600.

Palatine Aims To Keep Close To Antioch

FRIDAY NIGHT

Grant at Palatine
Bensenville at Wauconda
Glenbrook at Antioch
Ela-Vernon at Grayslake

by G. A. McELROY

Northwest conference basketball teams head into the home stretch Friday night with just four games and four weekends to go before tournament time. Antioch has a game edge on the field due to Palatine's overtime defeat at Ela-Vernon, a result which was not altogether unexpected.

However, the Pirates are expected to win from Grant and Glenbrook the next two Fridays and could still go into the game at Antioch February 18 with an outside chance of beating and tying the Sequoits for the championship.

Then Antioch would close the season February 25 at Ela-Vernon while the Pirates were host to last place Grayslake. Anything can happen but the odds are top heavy in favor of Antioch getting no worse than a tie and likely taking an undisputed championship.

★ ★ ★

GRANT WILL BE no setup for the Pirates on the home court Friday night. Coach Collier has a young team which has played in and out ball but is coming along much as Ela's team of juniors, capable of upsetting anyone.

Palatine had a tough time up at Grant and expects to have their hands full Friday. Bob Kolze will be available for action Friday for the shorthanded Pirates after missing the last three games. He and Bob Kozy will probably alternate at the fifth spot for Moylan's team along with the standbys, Schutz, Nesset, Goetz, and Eck.

Grant has the best defensive man in the league in Bob Bein at forward, teaming with Neuman or Hink. Bossow, a lanky junior, is a center for Grant with four underclassmen changing off at guards in Denny Hodge and Ron Madden, sophs; and Parr and Havel, juniors. Last year Grant graduated 10 of their first 12 players so this is a rebuilding year but Collier expects his squad to make a real bid for the title in 1955-56. Grant holds league decisions over Wauconda, Grayslake and Glenbrook.

★ ★ ★

BENSENVILLE BISONS have a good chance to whip Wauconda Friday night as they make a strong bid for fifth place, a spot where they are at present tied with Glenbrook, and Grant. The Bisons have yet to meet Wauconda, Antioch, Ela-Vernon, and Grant in that order, and it is a big order.

Wauconda and Grant will be met on the road and the really tough ones, Antioch and Ela-Vernon will have to come to Bensenville where the Bisons can really give the opposition a rugged ball game. If Bensenville can split in their four remaining games they can just about be assured of no worse than a tie for fifth.

★ ★ ★

IN OTHER GAMES Friday Ela-Vernon is a top heavy favorite at Grayslake and Glenbrook travels to almost certain defeat at Antioch. The conference will be curious to know how Glenbrrok's big six-foot-eight Ritchey will do in his first start at Antioch. He might be the difference needed to make it a good ball game if the Sequoits ever let him get in position to use his height.

It is less than a month until the regional tournament and locally Palatine got a real break in the draw. Barrington, seeded first, draws Grayslake and third seeded Ela-Vernon was matched with Wauconda in the upper bracket. In the lower bracket Palatine, seeded second, meets Glenbrook and Arlington rated third, takes on Libertyville. The setup is a natural for Palatine and Arlington Heights to meet in the semi-finals, a situation Palatine boys would like for they have felt all season they should have beaten Arlington in their early season game.

Bison Frosh Beat Grayslake

by BILL RIPPERGER

The rampaging Bison frosh chalked up another victory, their seventh in a row, as they defeated Grayslake, 30-35 Monday. Leading the scoring was Bob Meyer of Bensenville as he collected six baskets and five free throws. Hebert of Grayslake was right behind as he scored 14 points.

Early in the first period the Bisons had a 6-1 edge but due to Hebert's scoring, the Rams led 9-8 at the quarter.

Getting hot, Grayslake quickly dumped in two more baskets before the Bisons could score a point in the second period. Bensenville fought back, however, and trailed by only one point at half time, 16-15.

Chuck Christionsen, Bison center, quickly tied it up with a free throw in the early moments of the third quarter. Bob Meyer netted eight of B'ville's nine points while Grayslake managed only four. Hebert, even though he fouled out, chalked up eight points in the Rams' final drive but it wasn't enough since the Bisons added eleven more in the final stanza, making a final score of Bensenville 35, Grayslake 30.

Heights Frosh Split

Downers Grove and Arlington Heights freshman basketball teams split Saturday morning at Downers, the Heights "A" team bowing, 45-26, and "B" squad winning, 25-24.

DOWN AT RIVERSIDE-BROOKFIELD high they are having a memorial basketball game February 8 between Northen Illinois state teachers college and Lewis college for the late Barney Dudley who coached R-B cage teams the past 21 years. Dudley, a former Northern Illinois star in three sports, died suddenly of a heart attack January 16.

Receipts from the game expected to bring a crowd of over 3,000 will go toward an educational fund for Dudley's nine year old son. The teams and officials are volunteering their services so the receipts will be net with no expenses. Officiating the game will be Bob Young, Al Zimmerman, Dick Lange, and Jim Skinner.

THE REALIGNMENT COMMITTEE of the association of suburban conference finds there are four schools needing league affiliation and a number of more to be considered another year. Whether Wheaton, Elmwood Park, Round Lake, and North Chicago will be taken into any of the existing conferences is very doubtful as far as next year is concerned. Football schedules are made and officials already hired. The same is true of basketball. According to the Waukegan News-Sun the committee recommended each of four conferences to take one of these schools. Inasmuch as nine schools would disrupt schedules completely there is little chance of this happening until an area plan has been set up based on a long range survey of enrollment, etc., which the committee will attempt to make.

As a member of the realignment committee it is our opinion the schools of the area where each of the four schools is located should make an effort to get them into their schedule if possible to ease the situation until an area plan can be formulated.

Bensenville Sophs Set Two Records In 70-41 Grayslake Win

BY MAX ZOLLNER

Rampaging Bensenville sophs set two new conference frosh-soph scoring records while they roared over Grayslake, 70-41, on their own floor Friday. Besides the Bisons' new team mark of 70 points, Lars Hendriksen set a new individual record of 40 points. The old record of 30 points was previously held by Ken Sirotski, now Bensenville's varsity scoring ace.

As the game opened, Wayne Langguth scored on a fast break to help the Bisons jump to an early 8-2 lead. Continuing the pace, Lars Hendriksen dumped in three quick baskets and Paul Rucker swished a 30 foot set shot through the netting as the Bensenville squad finished the opening period ahead 16-11.

* * *

IN THE SECOND quarter Leon Langguth controlled the rebounding for the Bisons as they made use of a very effective fast break. With little more than a minute remaining in the first half, Lars Hendriksen hit a jump shot for his eighth basket of the game. Seconds later, he stole the ball and scored again to give him a total of nine baskets in the half. Halftime score saw Bensenville with a 34-23 lead.

Following intermission, the Bensenville boys continued the rapid pace which they had set in the first half. Glen Dierking hit a jump shot from the free throw line and Lars Hendriksen kept pouring them in until he had reached a three quarter total of 30 points.

* * *

LEADING 52-33 as they went into the final period, the Bisons turned on the stream. Hendriksen netted ten more, and Bensenville finished with their record total of 70 points. Final score again, Bensenville 70, Grayslake 41.

Beagle Field Trial At Crystal Lake

Northern Illinois beagle club will hold a sanctioned Class B field trial Sunday, February 6, at Veterans Acres, route 176 and Walkup ave., Crystal Lake, with all local beagle owners invited to participate.

Drawings for the trial will be held at 8 a.m. Trophies will be given for first place in each of two divisions, with rosettes to all places and reserves.

Notre Dame On Double Bill At Stadium Feb. 5

A Notre Dame quintet refreshed by a three-week break in schedule due to semester examinations and Manhattan, a power-house from the east, will be the featured visitors on the third collegiate basketball doubleheader of the season at the Chicago Stadium Saturday night, February 5.

The Irish, making their first of two Stadium appearances, will face Loyola while Manhattan, which has lost only two out of 12 starts, meets De Paul, which had dropped only two out of 14 before Saturday's date with Michigan State in the stadium.

Graduation losses weakened the Irish, who had a 22-3 record last season, yet Coach Johnny Jordan's team has managed a creditable 8-6 record. High mark of the early going was a triumph in the tough Sugar Bowl tourney in which the Irish defeated Holy Cross, 74-69, in the finals.

* * *

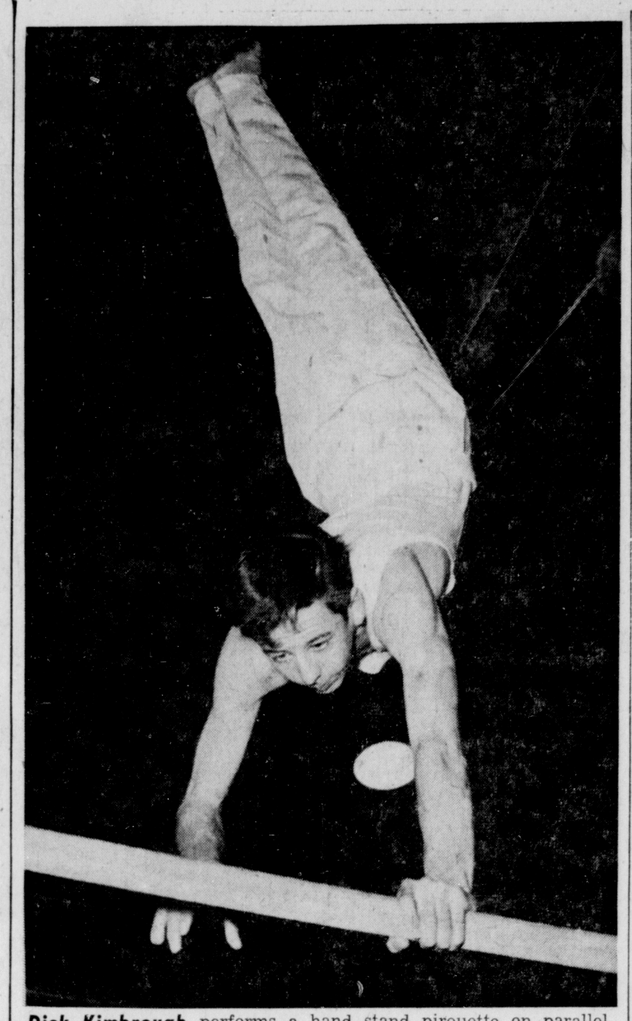

COACH KEN NORTON'S Manhattan team is one of the finest in the east, mainly because of the sharpshooting of senior center Ed O'Connor, third in the nation in field goal percentages. O'Connor has been sinking 'em at a 60.4 per cent pace. For that matter, De Paul also has a pair of consistent shooters in the first 20 tabulated by the National Collegiate Athletic bureau. Ken Jaksy has a 53.8 per cent record and Ron Sobieszczyk 51.8.

Both DePaul and Manhattan are with the nation's leaders in team offense, according to the NCAB figures. Coach Ray Meyer's Blue Demons had a 91.7 point per game average for third place, behind Furman and Connecticut, while Manhattan is 19th in the standings with an 83.3 average.

Manhattan also is second in field goal accuracy with 45.7 per cent of its attempts dropping in. De Paul is tied with Wake Forest for third with 45 per cent each. Leading the nation is George Washington with 48.2 per cent.

Arlington Jr. High Loses Two

Park Ridge won a double victory Friday over Arlington Heights junior high lightweight and heavyweight basketball squads.

The lightweights lost, 38-27, and the heavyweights succumbed, 36-34.

After a first period tie score of 4-4, the Arlington lights fell behind a fast-paced Park Ridge squad that kept well ahead of the Heights despite a 9-point spurt in the final quarter which narrowed the gap to 11 points.

SCORING for Arlington were Double, Pratt, Bennett, and Inman.

Park Ridge squeezed out a close win over the heavyweights, which provided strong competition.

The Heights led at the close of the first quarter, 10-9 and trailed by only one point at the half. The third quarter ended in another tie, 27-27. Unlucky misses on three of four attempted free throws might have changed the final score, 36-34.

Scoring for Arlington were Whitelaw, Garr, Meehan, and Barbour.

A university of Illinois dairy marketing specialist says that the dairy industry could profit from using the efficient selling methods of retail stores to bring their milk to consumers at lower prices and increase the consumption of fluid milk.

Card Wrestlers In Double Win Over Maine

Arlington Heights high school wrestlers resumed the victory trail Tuesday afternoon on the home mats with Maine the victim, 32-11, and 27-19. It was the tenth dual win for Coach Dick Mudge's charges against one defeat.

It was an easy affair Tuesday with Maine taking decisions at 112, 120 and 138. Al Rose, back in action for Heights after healing of a head cut (from a hockey puck), drew with Glass of Maine at 175 to provide the visitors with their only other points.

* * *

ED BEIER'S PIN at 127 after trailing, 2-0, in 2:55 was probably the most outstanding victory for the Cardinals. Other pins for the locals were by Vic Carlino at 103, and Wally Mulso at 145. Decisions were taken by Ralph Carlino at 95, Ken Bredfeldt at 133, John Heintz at 154, Floyd Burns at 165, and Bruce Wilkerson at heavyweight.

The victory upped Vic Carlino's and Bruce Wilkerson's strings to 11 in a row. Floyd Burns had suffered his first defeat against LaGrange, making his record 10-1, the same as Ralph Carlino's. Mulso has now won 9 of 10, John Heintz 8 of 10.

* * *

THE FROSH-SOPHS also won their half, though the end was in doubt until the heavyweight division when Carl Klehm won on forfeit, 27-19. Prior to that time the count was 22-19, Arlington.

Coach Maurice Kellogg5s yearlings lost at 95, but took a decision at 103 when Phil Deming disposed of Mitchell, 3-0. Maine copped 112, but Pat Harris pinned Mueller to gain the lead, followed by decisions by Roger Neunsinger at 127 and Don Plank at 133.

Maine pinned at 138 and took a decision at 145 to tie the count, 14-all. Tony Hansen decisioned Ackers at 154, Ron Pratchen pinning at 165, bringing the Heights total to 22.

Eddie Wolf And Hap Procunier Tie In Wheeling Tourney

Eddie Wolf of Arlington Heights tied with Hap Procunier of Wheeling for first place in the recent tournament sponsored by Bud Miller of Wheeling Bowling lanes.

Wolf scored 863 with handicap in the four games played on two weekends.

Other Wheeling residents who finished in the top ten were Howard Welflin, 5th, and Leo Melton, 10th.

Palatine Has To Rally To Tie Ela, Loses Double Overtime

Ela-Vernon made Palatine play their style of game Friday night and knocked the Pirates out of first place in a double overtime, 68-64. Using a down court press defense, the smaller Ela team ran up a 35-24 lead the first half, which they extended to 19 points shortly after the third period got under way. From that point Palatine fought back and trailed by two points with five seconds to go in the game, but Dave Nesset scored just as the game ended to tie the count at 58 all.

In the first overtime Palatine went out in front by four points as John Goetz hit twice in succession from the field. With only a few seconds remaining George Severance hit from the field to narrow the count to 62-60 with less than four seconds to play.

* * *

PALATINE TOOK the ball out of bounds and tossed it in but fumbled, Soos of Ela recovering, but was fouled. Soos shot both free throws to tie the score. Nesset joined Schutz on the bench with five fouls and with their tall men out of action Palatine was out of the game in the second overtime. Bensen got a field goal and two free throws and Al Bathrick a field goal in the second extra period to Alan Eck's two free throws.

The stars of the game were Ela's small guards, Al Bathrick and Ronnie Soos, who between them scored 33 points besides messing up the Palatine offense so that the Pirates could not take advantage of their edge in height. Soos, who had scored only one point in the last three games, got 17 points, of which 14 were in the first half. Bathrick had 16 with eight in each half. George Severance, usually the leading scorer, tallied 15.

* * *

ALAN ECK, who made 10 of 11 from the free throw line, scored 20 to top the field while Dave Schutz scored 15, John Goetz 14, and Dave Nesset 13.

It was a game of extremely accurate shooting, though both teams were low in number of attempts. Palatine hit 22 of 39 for 56.4% while Ela made 25 of 46 for 54.4%. Palatine had 20 out of 29 free throws and Ela 19 out of 28. Palatine won a doubleheader from Ela early in the season after the Bears had a record of ten straight wins.

In spite of their loss Palatine is still in the same position as a week ago in that they have to beat Antioch to win the championship but now it is for a share instead of the undisputed title. However, Grant and Glenbrook to be met the next two Friday nights will be no pushovers and could, if right, knock the Pirates out of the race altogether.

PALATINE frosh-sophs could not stay with Ela-Vernon's underclassmen Friday night and dropped to a .500 rating as they lost, 58-46. The Pirates, coached by Art Zimmer were on top 26-23 at the half but a torrid third period in which Eide's Ela boys made 20 points to Palatine's eight decided the game. Pohlman, who led the Ela team with 14 points, scored six in the third period, hot shooting streak. Ela's scoring was even with Schochardt getting 13, Buciak and Wesner nine.

McClung scored 13 and Glynn and Segebrecht eight each for Palatine. It was not due to free throwing that Palatine dropped the game for they made 18 out of 25 charity tries. Ela shot 45% from the field an unusual figure for frosh-soph. Ela went into a tie with Bensenville for third place in the standings with a 6-4 record two games back of Antioch, the pace setter.

Heights Little League Men Attend Clinic

Richard J. Doubek, Joseph M. Babs, Russell E. Walters and Ben Fleury, all associated with Arlington Heights Little League, attended the University of Illinois' fourth annual baseball coaching clinic Saturday, Jan. 29, at Navy Pier. The program, arranged by Les Miller, baseball coach for the Chicago Illini, is conducted for the benefit of coaches, managers, and related personnel of amateur baseball.

A separate clinic on umpiring was conducted this year for the first time in conjunction with the coaching clinic.

The coaching program consisted of sessions on outfield play and bunting, batting, infield play, pitching, and base running. In addition to Miller, the teaching staff included Oscar Melillo, of the Kansas City Athletics; Tony Lucadello and Vedie Himsl, of the Chicago Cubs; Ray Berres, of the Chicago White Sox; Otto Denning, formerly with the Cleveland Indians, and Jim Fitzgibbons, of the Chicago Sundodgers.

John Ellis and Claude Bailey of Palatine high school also attended the University of Illinois' fourth annual baseball coaching clinic Saturday at Navy Pier.

Alan Eck scored 20 points for Palatine Pirates against Ela Friday night, but the locals lost in a double overtime, 68-64. Alan has tallied 165 points in the first ten league games this year, shooting along at a 16.5 average. He was named to the second all conference team last year as a guard and is playmaker of the team. This week the Pirates play at home Friday against Grant and travel to Hampshire Saturday. —Staff Photo

Heights Wrestlers Lose To LaGrange

Arlington Heights high school wrestlers lost their first duel Thursday to a very strong La Grange squad, 28-14. The Lions are strong at every weight, have lost only to Proviso and Oak Lawn, and copped eight of twelve events against Arlington.

Ralph and Vic Carlino won decisions for the Cardinals at 95 and 103, but the locals lost decisions in the next five matches until Wally Mulso pinned Sammons at 154 in 4:54. Next three matches again went to La Grange, however, until Bruce Wilkerson won a 2-0 decision at heavyweight.

Vic Carlino is now down to 103 pounds, instead of 112, and will be wrestling at the lower weight the rest of the season. Al Rose, fast improving soph grappler, was out of the La Grange meet.

FROSH-SOPHS, coached by Maurice Kellogg, also succumbed, 31-19. The yearling meet was closer, however, after Phil Deming won on forfeit at 103 and Clarence Trausch winning a decision at 112. Pat Harris was pinned as La Grange went ahead, 10-8, but Roger Neunsinger came back with a decision at 127 for an 11-10 Heights lead.

La Grange garnered 11 straight points until a decision by Tony Hansen at 154 and a pin by Ron Pratchen at 165 ended the efforts of the Card frosh-sophs.

La Grange 31, Arlington 19

95—Klusendorf L pinned Gregory A in 3:03.

Numeral Sweater

Larry Hapke, former Palatine high school three sport letterman, has been awarded a freshman numeral sweater by Morningside college. Hapke played first-team end on Coach Mike Fleming's undefeated freshmen eleven.

* Clayton Droullard, varsity coach of Morningside college's North Central champions, expects Hapke to develop into one of the best ends in the league. Hapke is majoring in Mathematics. He played high school football for coach Charles Feutz at Palatine.

Northwest To Open Track With 6 Veterans Saturday Afternoon

Northwestern opens its 1955 track season against Minnesota at Minneapolis Saturday, February 5, with the best balanced squad to represent the Wildcats in recent seasons. Coach Rut Walter, starting his third year as head coach, has six lettermen and several promising sophomores around which to build.

The major graduation loss was Bob Ehrhart, conference pole vault champion for the past two years. His departure leaves the Wildcats without and experienced entry in this event for the first time in several years.

Best fortified events are the high and low hurdles where Ken Toye of Kokomo, Ind., who made a brilliant sophomore debut last year, heads up a strong contingent that includes George Moyers of Hinsdale and Bob King of Fond du Lac, Wis.

Moyers, a junior, was held back by a leg injury last year but has had no recurrence of the injury this winter. He will also double in the pole vault and high jump. Other lettermen include Barry Berman, mile and half mile; Wayne Glassman, shot put; Dillard Harris, sprints; Howard Null, quarter, and Phil Watt, two mile.

Arlington Skiers Win More Honors

Dick and Dave Brodnan, Arlington Heights youthful skiers, took more honors the past two weekends.

Both boys competed at Riverside January 23, with Dave winning Class C and Dick taking third in Class B.

Dick jumped 96' twice to win the senior meet, Class C, at Burlington, Wis., Sunday, Jan. 30. Longest jump in that division was 110'. Dave took second in Class C the same day in the junior meet at Beloit, leaping 41' and 42'.

Downers Beats Arlington On Baukol's 'Five Fast Ones'

Ron Baukol won the Downers Grove-Arlington affair Friday night almost singlehanded, when he hit five times from 20 feet out in the closing minutes. Therein lies the tale of another near-miss on the part of the Cardinals.

A nine point lead with six minutes to go had fans smiling in the Arlinngton gym. Then Baukol, who had been held to four buckets the previous 27 minutes of play, parted the net with a jump shot from 20 feet out. He repeated the effort (and effect) four more times as the gun sounded, giving the visitors a one point lead.

* * *

TWO FREE THROWS after the game was over moved the count to 65-62. If Baukol had missed just one of those five shots Heights would have had a winner.

The Heights five looked good all the way against Downers, chalking up four more good quarters of play. The locals have played just two bad periods in the last four games. Coach Howard Lester's fivesome came through with its best game of the past two years, looked good defensively, moved the ball well.

* * *

THE CARDINALS led in field goals for the first time this year, 26-24. Seventeen free throws were scored against the locals, ten against Downers. That seven point advantage proved too much. Four boys scored five baskets for Heights in the opening period, giving the locals a 11-7 lead, but a second quarter spurt of 27 points by Downers gave the visitors the lead, 34-26.

John Sujack came through with five buckets the third segment to help his mates run up a 26-11 third quarter count to take the lead, 52-45, going into the home stretch. Four boys among the five Heights starters hit baskets each quarter to provide a healthy attack by the young squad, with Jack Riggs and Denny Maher providing their usual consistent games.

Total scoring found Bill Randag counting 17 points, John Sujack 16, Jack Riggs 12, Denny Maher 10. High for Downers were Baukol with 22, Wyllie and Brotherton with 13 and Drinkwater with 11.

A SLIGHT CHANGE in style of play on the part of the Arlington frosh-sophs iced the preliminary with a 17-3 third quarter margin and eventual victory, 47-34. Downers had outscored the local frosh-sophs, 27-24, the first half, but was held to seven points the second half.

All of the Heights boys looked good Friday, making few mistakes. Pat Brownell's three baskets the second period were a big help, with defensive play and scoring by all five starters the third quarter providing the necessary margin of victory.

High for Coach Maurice Klotz' boys were Bill Palmer with 13 points. Brownell tallied ten, as did Bruce Bjorklund. Tom Jacobsen made six straight free throws before missing the seventh. High for Downers were Jolinek and Gorecki, both with ten points.

Welco Oils Trim Hawks, Lake Forest Here Monday

Welco Oils quintet of Maywood spoiled the Wheeling Blackhawks home opener at Arlington Heights high school gym Monday evening, when they handed the locals a 58-53 setback. The Welco five started fast in the opening stanza to build up a 23-12 lead.

The visitors were led by Hodock with 9 and Jack Soderberg with 8. In the second quarter, paced by Betts, Welco hit for 18 more points while the 'Hawks basket production fell to but two baskets from the field and a pair of charity throws. The half time score stood at 41-20.

* * *

IN THE SECOND half the 'Hawks finally started to move. Outscoring their visitors 16 to 7 in the third quarter, the 'Hawks cut Welco's 21 point half time lead to 12, the score being 48-36 as play moved into the final period.

The 'Hawks continued to outscore their opponents and also started to control both boards. With three minutes remaining in the game, Welco's comfortable lead changed to a shaky four points, 52-48. However this was as close as the 'Hawks were able to come. The final was 58-53.

* * *

SCORING HONORS went to Betts of Maywood who hit for nine field goals and six penalty shots for 24 points. Runner-ups were Hodock of Maywood and Vic "Pop" Lesch of the 'Hawks. Both scored 13.

The 'Hawks met Kenosha Nash Ramblers Wednesday at Arlington Heights high school with game time slated for 8:45, Monday, February 7, the 'Hawks play host to Lake Forest in the old gym of the high school with 8:00 being game time.

Bensenville Wins Again, This Time Over Grayslake

BY ELI WHITNEY

After trailing at the end of the first quarter, the Bensenville Bisons dug in to defeat the visiting Grayslake Rams, 52-45, Friday evening.

The pace was slow in the opening minutes of play. Finally catching hold, the Rams jumped to a slight lead of 14-10 before the buzzer ended the first period.

As the second quarter advanced the Bisons started showing that something which brought them out of the cellar two weeks ago. With four minutes left in the first half, B'ville forward Cheze put in a set shot to tie the score, and Masotti, guard, followed up with another basket to give Bensenville a 19-17 lead. Ram guard Hunziker evened out the score again before intermission when he put in a jump shot to make the tally 23 all.

YIELDING reluctantly, Grayslake trailed by only three points as the fourth quarter opened. In this final period Bensenville cinched the game by gaining 13 points to Grayslake's nine, making the final 52-45, Bensenville.

Bison scoring has recently been distributed among more boys. In this game, Masotti led with 16 points and eight baskets. Sirotzki and Heinrich followed him with 14 and 10 respectively. High scorer for Grayslake was substitute Johnson who entered the game in the second quarter. Johnson made 15 points on six baskets and three out of 9 free throws.

After 15 Years Pee Wee Reese Still OK As Leading Shortstop

Shortstops have come and gone since Pee Wee Reese broke in back in 1940. But, says The Sporting News, Pee Wee shows no sign of running down. Of the 17 shortstops who appeared in ten or more games in the National League in 1940. Reese is the only one still on the active list.

Giants Like Arcs

The fact that the National League will play 59 more night games in 1955 than it did last summer doesn't bother the world's champion Giants. They were the best nighthawks in the league in 1954. According to The Sporting News, they won 31 night games while losing 19. They also have led the league in batting averages at night in three years out of the last four.

Wauconda Pushes Antioch, But Falls

Wauconda had the scoring edge in three quarters against league leading Antioch Friday night, but a 31-14 second period brought their downfall, 68-52. It was Antioch's ninth win in 10 games and gave them a lead of one game on the field as Palatine dropped an overtime game to Ela-Vernon.

Gene Jaskot of Wauconda got four fouls in the first period which ended in an 11 all deadlock and was held out in the second period when Sequoits ran wild for 31 points. Jaskot returned in the second half and the edge he gave Wauconda on rebounds helped them play Antioch on even terms. Jaskot scored 23 points but so did both Mike Haviland and Fred Clarke of Antioch. The superior free throwing of Antioch is shown by the fact that they made 16 free throws on Wauconda's 12 fouls while Wauconda made the same number on 21 fouls by Antioch.

GRANT'S HOME floor advantage and a super defensive performance by Bob Bein guarding Bob Boyd of Glenbrook gave the Fox Lake boys their third league victory 57-48. It was a very even game until the last quarter with Glenbrook on top 24-20 at the half and Grant in front 38-37 at the end of the third period. Then Bob Bein led a 19 point attack for Grant in the last eight minutes to extend the lead to nine points.

Bob Boyd, Glenbrook's league leading scorer, was held to nine points with one field goal each quarter. Meanwhile Bob Bein who guarded him scored 18 for Grant. Neumann scored 14 and Denny Hodge, soph guard, got 12 for Grant. Sheldon Spalding, junior center, tallied 17 points to top Glenbrook who dropped into a tie with Bensenville and Grant with 3-7 records.

Downers JV Squad Edges Arlington

Downers Grove junior varsity nosed out Arlington Heights 49-47 Saturday in an overtime game played when Findlay of DG J-Vs successfully scored the winning two points.

Arlington led in the first and third quarters of play and trailed in the second by only three points. They completed five of 14 attempted free throws.

Scoring for Arlington were Ashley, Haemker, Summers, Seich, and Malzahn. Summers was high point man with 14.

Bison Frosh Top Glenbrook

by BILL RIPPERGER

Tuesday afternoon visiting Glenbrook was whipped by the Bensenville freshmen, 33-27, as the Bisons got their fifth victory in six starts. Bensenville's Bob Meyer led all scoring with 17 points. Ayres netted 12 points for the Glenbrook squad.

Chuck Christianson, Bison center, controlled both boards in the first period and scored eight points as Bensenville jumped to a 13-6 lead.

Scoring remained about even in the second quarter as Bob Meyer chalked up all of the Bisons' five points. At halftime, the scoreboard showed the B'ville five holding an 18-13 advantage.

* * *

FOLLOWING the intermission, neither team could get under way again and the period was more than half over before the first basket was made. The pace increased, though, and before the end of the period Bensenville had increased their lead to 26-14.

The game became rough and wild as the tension increased in the final stanza. Both teams played ragged ball but the Bison squad managed to maintain their lead and upset Glenbrook, 33-27.

Hofmann Found Plenty Of Baseball Talent In Army Overseas Leagues

It wasn't many years ago that Americans were on the prowl in Germany for Germans. Things change. A German named Freddy Hofmann has been on the prowl through Germany for Americans. Hofmann hunts ball players. He's a scout for the Baltimore Orioles.

The Hofmann story is told in the current issue of The Sporting News. It's a rather surprising story about a surprising amount of talent found in Germany, not among the Germans themselves, but in Uncle Sam's forces on more or less temporary duty over there.

* * *

IT WAS Rex Greaves, for years with the state department, who first tipped off the Baltimore high command about the largely untapped supply of baseball talent in Germany. He had more than a passing knowledge, because he had once scouted for Branch Rickey. Hofmann was handed the German assignment by Art Ehlers when Ehlers was the Baltimore general manager. Hofmann, who learned German as a boy in St. Louis, went to Germany in the early fall.

"They really have some fine ball players over there," he told the Sporting News. "People in this country have no idea of the recreational program in our overseas army and airforce. And baseball people have no idea as to the caliber of service baseball. From the final armed services tournament in Rhein-Main," he went on, "I easily could have picked two ball clubs capable of playing Class A ball in the United States."

* * *

HOFMANN'S TRIP to Europe was arranged so that he would be in Germany for the final games of the servicemen's tournament. He found, he said, that the army and air force boys in the tournament played as seriously as if the winner's share of the world's series rode on every game.

The Army, he said, has seven leagues. They call them conferences, and each conference has eight teams. The air force has almost as many conferences. These teams aren't only in Germany, but also in England, France and North Africa. The extent to which baseball and other athletics are fostered in the services is shown by the fact that one conference alone spent $33,000 a year for umpires, referees and other sports officials. The beautiful thing about the sports programs, Hofmann said, is that they are not at the expense of the American taxpayer. They are financed entirely from profits from post exchanges, theaters, snack bars and other such enterprises.

* * *

UNDER THE RULES of both the services and organized ball, Hofmann pointed out, he could not sign any players in uniform. But he could try to sell them on the attractiveness of baseball as a career. Particularly he sold them, on a career with the Orioles. Then, after a soldier or air force man leaves the service, Hofmann or another scout can sign them. Hofmann did the spade work for the signing of six of these former Army or Air Force players, and hopes to bag a seventh he describes as one of the best bets in the Army.

Fried Beaver With Onions

Unless you are a trapper or are on especially friendly terms with one, you stand little chance of ever eating one of the finest meats in Mother Nature's cupboard . . . beaver! But should one ever come your way, here is what to do with it. Fry and serve with fried onions!

As with coot, the fat of the beaver is disagreeable and must be entirely removed. Soak meat overnight in salt water, cut into serving pieces and parboil 30 minutes in water to which 2 bay leaves and 3 or 4 cloves have been added. Roll in seasoned flour and fry in equal parts of butter and bacon drippings until brown. Serve with generous portions of fried onions.

New DeKalb Coach

Robert Kahler, backfield coach at Northern Illinois state teachers college for six years, has been appointed to the head coaching job at the DeKalb school, pending action by the state teachers college board. Kahler will succeed George "Chick" Evans, who will devote his full time to the duties of athletic director.

Kahler's appointment, which came this morning, will end a coaching era in the Middle West. For 28 years Evans has served as head coach at Northern, compiling a record of 130 wins, 68 losses and 20 ties.

In Kahler, Evans has filled the head coaching spot with a man possessing an outstanding athletic and coaching record. He is a former holder of the American indoor low hurdles record and was a member of Nebraska's 1941 Rose Bowl team.

After receiving his BS degree from Nebraska in 1941, Kahler went on to play professional football with the Green Bay Packers in 1941.

Owners Should Protect Dogs Against Distemper

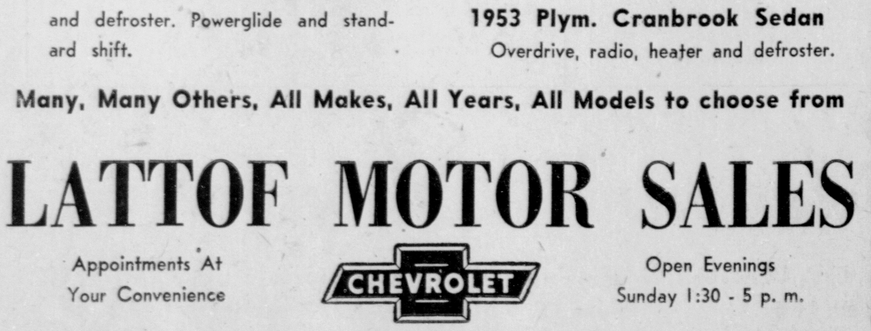

One of the most tragic things that can happen to a young child is the loss of his or her dog. Each year many children suffer such losses because their dogs were not vaccinated against distemper.

Distemper is one of the most common diseases of dogs, says Dr. A. G. Schiller of the College of Veterinary Medicine at the University of Illinois.

The veterinarian says that, if your dog is under two years of age, if he is not vaccinated and especially if he comes into contact with other dogs, he may get distemper. Older dogs may, however get the disease also, and at almost any time of the year.

Once the disease strikes, the animal has little better than a 50-50 chance for recovery, and if he lives he may be permanently affected.

Dr. Schiller recommends that all dogs over three months of age be given a permanent type of vaccine that will protect them the rest of their lives. Puppies under three months of age can be given temporary protection by use of serum.

Charles C. Barrett, 307 North Dryden, Arlington Heights, vice president of the Greenebaum Mortgage company, is shown at right, above, as he joined Stephen G. Cohn, president of the company, in the cutting of a special "100th Anniversary Cake" in celebration of the 100th anniversary of the Greenebaum Mortgage company and the Greenebaum Investment company. Barrett was among the employees of the two companies honored at the special ceremonies.

Previously, Barrett served as executive vice president of the Perry Wilson Mortgage and Finance corporation.

A native of Milton, Oregon, Barrett came to Chicago in 1938 and has been here since, except for five years spent in Army Ordnance during World War II. During his army career, he rose from private to major and was awarded the Soldier's Medal for helping save the lives of three airmen after their loaded bomber had crashed near his overseas base.

Barrett is active in the Chicago metropolitan home builders association and the society of residential appraisers. He and his wife, Dorothy, have four children: Barbara, 8, Jeffrey, 5, Pamela, 3 and Bradley, 2.

QUITE CONTRARY

BY MARY

We are beginning to get a big boot out of the coming elections, both national and local. After an election is over we breathe a big sigh of relief sort of like the one we exhale when one of the cherub's birthday has gone by the board and we have lived through.

Everyone seems to get into such a political pitch just before poll time that best friends are not speaking and whole families are glaring over the grapefruit at each other. Then when someone is elected, everyone returns to the normal way of life glad that politics is over for the nonce.

After the first year the whole cauldron starts to simmer as those who opposed the incumbent want to know in no uncertain terms why in heavens name the way of life hasn't changed drastically and where is Utopia. The followers of the new man keep maintaining they haven't had enough time to put all of their ideas into practice and the critics keep saying that if he is so smart where are the results.

After the second year comes a congressional election and the whole thing goes into a fever pitch again with senators and representatives switching around in snappy fashion. As it is an election year, it is also a year of passion, pomp, and circumstance.

Then we have another breather, sort of an armed truce with each side watching the other warily. Then the lid blows off, all affairs of state go by the board while each side makes horrible accusations against the other because a big election is coming up.

The American people live in a constant state of change. No wonder we are known as a nervous nation. We certainly have no quarrel with our form of government but it does make us a little skittish. On the other hand it certainly does not lend itself to becoming complacent about government. We never have a chance to relax and enjoy the government we are too busy doing something about it.

Democracy is certainly clumsy and certainly puzzling and we wish it clearly understood that we are in there pitching every election. Even if yon spouse and his spouse spend a good part of every year muttering about politics, it is so much better than not being able to mutter at all. A girl's best friend is her mutter—OOOOOOOOH.

Tri-State Must Wait For Toll Road Plans

Cook county highway department is waiting until the toll road commission decides what route they are going to use before the county will include the Tri-State expressway in its $245 million bond issue.

They will not approve the Tri-State extension until they know how the toll road plans will effect the expressway.

In arriving at the $245 million figure, the county included construction of the Northwest expressway to Cicero ave., completion of the state sections of Congress st., 14.6 miles of the South expressway, and 16.2 miles of the Southwest expressway.

The savings which the motoring public may realize when the expressway system is completed are estimated at $60 million a year by William J. Mortimer, county superintendent of highways.

It is important that the system be completed quickly since the saving of construction time made possible by the proposed bond issue will mean a return to the citizens of a sum more than twice the amount of the bonds.

Thigh Shaped Tiles

When white men first came to Texas they found the Indians dwelling in adobe structures, the use of which date back many generations before the coming of the Spaniards. Indications are that the Spaniards first showed the Indians how artificial heat would give additional hardness to the clay units. It is known the padres taught the Indians how to form roofing tile over their naked thighs to give the desired tapered half-round shape. Thus was introduced in Texas the making of roof tiles like those used in the beautiful old structures of Spain and other Mediterranean countries.

Scout Fund Drive

The 1955 Mount Prospect scout fund drive committee wishes to take this opportunity to express its appreciation to all who helped out on this project.

With approximately 20% of the returns still to come in, we are within a couple of hundred dollars of our announced goal of $3500, so it would appear that we will easily attain our objective. This means that between 350 and 400 Mount Prospect boys will be able to enjoy the benefits of the full Scouting program.

Our appreciation and thanks go to those who contributed so generously to help us meet this goal, to the more than 250 Scout parents who served as committee members, captains or workers in covering the town, and to Paddock Publications for the publicity that helped to announce and promote this program.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

The thousands of weekly and daily papers in the United States are feared and respected by every citizen. Even the most ruthless of criminal syndicates seeks to hide its activities from the press. The most respectable and influential people view the press with mixed feelings of fear and respect.

The question has often been brought up as to whether the press is abusing its freedom. Almost without exception, those who wish for control of the press are those who have something to hide. Most noisy among these people are the communists who, while there is a free press, will never get to first base with their propaganda. More powerful than McCarthy, or other foes of communism, it will safeguard American liberty, morals, economic and political life.

* * *

MUCH CRITICISM has been hurled at the great dailies because so much of their space is devoted to reports of crime, divorce, and other follies of mankind; yet no great crusade against these evils has ever taken place until the ire and determination of a population has been spurred to the point of action by consistent reports in the newspapers.

Without the newspapers, who would expose the graft and red tape which seek to creep into politics; or having gotten in, would dare to expose it were it not for the press?

* * *

IT HAS BEEN charged that unscrupulous editors influence the thinking of people to their own detriment. Occasionally this may be true—but by far the greatest number of editors and newspapers ardently believe in the principles they print and they continue to lead people only because readers believe as they do. The communist press in this country has never been strong and never will, unless they can find enough Americans to follow their teachings. It is the reader who supports a paper and its principles, not the paper who supports the reader.

The press is strong. It is feared by many; but it is respected by everyone. It is worthy of both fear and respect.

JUST AROUND THE CORNER

from MARY McARDLE

Dear Peg:

As I wrote you several weeks ago, Megan's favorite Christmas present was her ice skates, on which she spent at least a couple of hours every day, for many days after Christmas. If you remember, the weather following Christmas was poor for ice skating—snow, but little or no ice for quite a while. All this time, her anxiety to try out her skates was building up and her agility during practice periods on the living room carpet, had her convinced that she was more than ready for a whirl on the ice.

At last the big day arrived. I surprised Megan by taking her skates along when we picked her up, after kindergarten. As she climbed into the back seat of the car, she spotted the skates on the floor and exclaimed excitedly, "Oh Mama! Are we going ice skating now?" I said we were and suggested she get into her skates while we drove to the playground.

We parked at the edge of the flooded area and for a few minutes, watched the young skaters racing, falling, getting up and chasing each other on the ice. I could see from Megan's expression she was wondering why these skaters seemed to be having so much more trouble than Sonja Henie did, when she skated on television.

* * *

I TIGHTENED and fastened Megan's little, white figure skates for her, strapped Bridget's double runners on her feet and pulled on my own skates. The three of us made our way gingerly over the frozen ground to the edge of the ice. Let me remind you, dear, that at this point Megan still had a mental picture of herself which bore a striking resemblance to Sonja Henie, in full costume, gliding gracefully over a shimmering surface.

Holding on to Megan on one side and Bridget on the other, I stepped out onto the ice. I had forgotten how slippery ice really is and when a shocked Megan grabbed my arm with both hands and Bridget's feet simply went out from under her, all three of us very nearly sat right down. In a tone which accused me of playing a very unkind trick on her, Megan said sharply, "This ice is too slick, Mother!" I could only reply weakly that's ice for you. Holding tightly to each other, we tried another step—with the same result. At this point, Bridget whimpered to sit down on an old orange crate that was lying nearby. We managed to get over to the crate and get Bridget settled, then Megan and I tried to get down to some serious skating.

* * *

AS YOU KNOW, it's difficult for a parent to effectively teach his own child a skill of some sort, and among the most difficult, I would say, is ice skating—I just recently learned this. I kept urging Megan to lean forward and push off from first one foot and then the other. But, she, being apprehensive, just wanted to hang on to my arm. I was becoming somewhat impatient with her, when she said she didn't like the ice anyway and wanted to go home. This would never do. She had been looking forward to this outing for much too long a time to let it end so disappointingly.

So, I started over again. By moving very slowly with her, I was able to build up a little self confidence and before long, talked her into trying a few steps by herself. By the time we left the ice, Megan was feeling much better about her skating ability (and I was commending myself on my remarkable patience).

* * *

NOW, THE MOST ASTONISHING thing happened that afternoon. Megan wanted to go out again, so, after nap time we all dressed for skating once more and went over to the same playground. As we approached the edge of the ice, Megan let go of my hand and stepped onto the ice. In a valiant attempt to strike out for herself, she pushed one little foot forward, hit a rough spot and went down. She was neither disgusted nor disappointed—just smiled at me a little sheepishly as she pulled herself up and tried it again.

Although this happened many times before we went home she was able to skate from one side of the "rink" to the other without falling. Isn't it amazing to see how quickly children catch on to new skills — mental or physical? We have been skating a great deal since the first time and love it. Even little Bridget is enjoying more walking around on her "double runners."

My love,
Patty.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Inc., Arlington Heights, Ill.

This Is Democracy?

In last week's Fence Post a resident of Rolling Meadows who declined to sign his name and instead prefers to hide behind the "nom de plume" of "United We Stand," expresses grave fears that unless Rolling Meadows incorporates now the "everloving neighbors" surrounding Rolling Meadows will grab all desirable properties.

In the first place, just who is guilty of literally grabbing properties without even informing the property owners of their intentions? Secondly, doesn't the writer of last week's article know that no areas can be annexed unless the property owners petition for annexation? Only by forming a new municipality such as planned for Rolling Meadows can areas be attached without consent of the people living therein. Granted, the people included in the proposed incorporated body do have the right to cast a vote but this is small consolation when they know they are hopelessly outnumbered.

The writer of last week's article is satisfied that the interests behind the Rolling Meadows incorporation acted in a democratic manner but he does not seem to like the democratic process of petitioning for annexation whereby people have the right to choose the corporate body they wish to join.

The sarcastic remarks made about the neighbors of Rolling Meadows only indicate the selfish motives of "United We Stand," He is obviously referring to Palatine and the residents of Palatine township. Does he not know that the property owners of Palatine village and Palatine township have helped, are helping and will help to pay for fire protection, street maintenance, etc., in Rolling Meadows? Rolling Meadows is in consolidated school district 15 which is supported by tax money from Palatine township. To date none of that tax money has been made available from Rolling Meadows for these purposes.

In conclusion, "United We Stand" should learn the facts before expounding on misleading and questionable statements that seem to be so prevalent.

Mt. Prospect Boating

This is addressed to Mr. Shock of the Building Dept. and members of the Mt. Prospect village board.

Elmhurst is willing to trade their local boat club for sailing on the lake—why can't we? Plans on 27 were announced in our local Herald "Elmhurst considers sump pumps for all new homes in City" —"Sump Pump now law in Elmhurst homes" "Ordinances requiring installation of sump pumps in new homes in Elmhurst were approved last week by the city council."

"The ordinances set up regulations for basement floors and footing drains, installation of sump pumps and their motors, drain pipes and mountings.

"The pumps will be required in homes with or without basements."

For a new house, this is cheaper than the smallest Outboard Motor, according to a bonded, reliable tradesman who does this work locally. Is there any need for stalling any longer?—except for the benefit of a few who might hesitate to add a paltry sum to the cost of a house.

Stay United

In Rolling Meadows a letter is being circulated entitled: "Incorporation — What will it really cost?" Before allowing its contents to influence us, suppose we consider a few points.

First, let us consider the signature—"Taxpayers' Protective Committee." Does it not remind one of the many shady protective organizations which prey on unsuspecting citizens offering protection for a price? You say what price can this group be exacting? And what have they to gain?

It costs money to buy a permit to circulate such form letters through our United States mails, not to mention the cost of printing and stationery. The gain must be great to warrant such action. If Rolling Meadows' voters can be duped into splitting their vote, who stands to gain by it? At the recent public meeting who were voicing the loudest protests against incorporation? Whose voices clamored so incessantly our Rolling Meadows' voters could scarcely get a word in edgewise? None other than our dear neighbors from Arlington Crest and other boundaries who want no part of our incorporation and told us so in no uncertain terms.

* * *

NOW LET US consider what price we must pay if we listen to their subtle propaganda — more of which is to follow according to the closing paragraph in their letter. We vote to postpone incorporation. Immediate action will be taken by our neighbors to annex the race track and other profitable locations which we had counted on to ease the tax problem. We have been informed that residential property alone is not sufficient for carrying the tax burden. So, we would be left high and dry—needing some form of government desperately—a poor remnant of what might have been a fine strong city!

We should realize that nothing worthwhile is gained without some sacrifice. Failing to vote for incorporation at this time would benefit only our neighbors. They have started their campaign to disunite us. If letters fail, they may even call at our homes in a last ditch effort to break our unity. We will not be swayed; We will ask ourselves this question: Why are they spending all that time, energy and money trying to hustle us into voting against the Incorporation of Rolling Meadows?

Highway Trash

I agree that the Public Hi-way is no place to dump trash.

But we, the people in Bloomingdale township have just one trash pick-up a year.

Why can't we have more than one pick-up a year, or why is there no place where we could take this trash and dump it ourselves?

Yes—I have a pile of trash right now in my back yard but I'll have to wait until the one and only pick-up before I get rid of it.

Maybe something can come out of this matter if we could get the board of health to work in conjunction with this matter.

I don't dump my trash on the Hi-way and I don't like to see it dumped by others either.

Motorists will do well to disregard the sign at the corner of Wilshire and Northwest highway in Stonegate, Arlington Hts., which reads "end of 35 M.P.H. speed limit."

I just paid $12.00 in Judge Neuman's court for exceeding 35 M. P.H., as the speeding ticket read, between Wilshire and the town's eastern limits on the contention of the court that although the sign states "end of 35 M.P.H. speed limit" this area is still residential and "you should know better" than to exceed 35 M.P.H. in spite of what the sign says.

So, that's the way the ball bounces, and there you are. It's not the principle so much as it is the money.

Don't Want In

The writer of the letter appearing under the heading "Rolling Meadows Unite" has cited me and cast doubts on my sincerity when I stated that I have no prejudice against the residents of Rolling Meadows. I still am without prejudice but I feel deeply sorry for the writer who repeats statements which he should know by now are not facts.

He accuses the people of Arlington Crest that they "will stop at nothing to split our voters into factions," but he will not be able to say that we had to stoop to misstatements such as can be found in his letter. Perhaps it is only careless wording when he says that all we want is out! WE DO NOT WANT TO GET IN! He continues that he hopes to help us get out—apparently he did not read the entire article he so vehemently attacks as he otherwise would know that neither he nor anybody else can help us out if the election carries.

* * *

AND IF Rolling Meadows does not want us, why was Arlington Crest—or rather four fifths of it—included in the proposed boundaries of the city? We were told at the meeting in Arlington Heights high school that it was not merely to get the race track but for future expansion. Isn't it rather peculiar then, that the west side of Williams Ave. was omitted?

Democracy as interpreted by this writer was also the interpretation of Hitler and Stalin—they also grabbed smaller and helpless areas without giving the inhabitants a choice. Perhaps "Might is Right" could be better applied to this situation.

All the reasons given for incorporation remind me of politicians' election promises and if the residents of Rolling Meadows are not blinded by enthusiasm and beautiful phrases about progress, they will easily recognize the fallacy of these promises.

Wood Dale, Too

In the January 28 issue of the Du Page County Register it was most gratifying to read of mayor Gilbert's concern and disdain for people who strew the roadside with rubbish, garbage, broken concrete pipe, etcetera.

However, the mayor need only go to the corner lot of Irving Park and Edgebrook roads, which I understand is owned by the village and there find mounds of rubbish, concrete pipe, etcetra.

I have observed a truck marked "Village of Wood Dale" dumping this stuff in this lot. Also, on this lot is a baseball backstop, which I presume will never be used due to the mass confusion that existed before its erection and I assume will remain standing until it rots and falls apart.

I am sure that if the mayor of Wood Dale is sincere in his remarks about people violating state laws he will take pride in seeing to it that village owned property set the example and abide by these same state laws. Especially when such property is located at a so-called entrance to Wood Dale.

Too bad the snows came and spoiled a perfect picture because in summer the weeds are so high as to create a traffic hazard.

All Points West

Let me say in the beginning I am in favor of Rolling Meadows incorporating. What I can't see, or maybe I'm naive, is how anyone can be forced to be incorporated against their wishes. To me it is strictly subversive and smacks of something like "All I want is the Sudetenland."

You are right that you had better grab everything right now because none afterwards will want to go in. Why not include everything to Itasca or Dundee while they're at it?

Why doesn't someone try to incorporate those places east on Euclid which were erected by the same party? Maybe they can include Arlington Heights or even better move further north and eventually meet up with Plywood City.

After all this I hope they incorporate what they have and not try to jam a distasteful act upon outsiders who have nothing in common. Let's raise your taxes to build schools, even high school, so as not to overcrowd ours. Build a fire department and purchase trucks so that we will not be called except in extreme emergencies. Hire police officers and village officials. Hope it will not come to "Brother, can you spare a dime?"

With The Blue Birds

February—Month of Activity

Arlington Heights blue bird groups are looking forward to a month of many and varied activities. Participating in National Youth Week, the Helping Pixies blue birds and the Honey Bears blue birds will receive recognition, along with explorer scouts, boy scouts, cub scouts, girl scouts and brownie scouts, during the 11 a. m. service at the First Presbyterian Church of Arlington Heights on Youth Sunday, Feb., 6. Youth week, sponsored by the National Council of Churches of Christ in the USA, is observed by the various youth organizations of the community as an annual week when emphasis is placed on youth and unity in Christ.

February also brings Freedom week and the birthdays of two great Americans, George Washington and Abraham Lincoln. In keeping with Camp Fire's 1955 birthday project, "Let Freedom Ring," special observances will be made on these two important dates.

Boy Scout week occurs during this busy month too, and congratulations are extended to the scouts on their 45th anniversary.

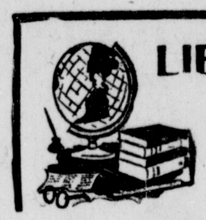

Helping Pixies Group

Meeting for the first time this year after a regular school day, girls from the Helping Pixies group gathered on the South school grounds last Tuesday, and enjoyed walking en masse to their blue bird meeting. It was a cold day and the girls warmed up a bit by participating in circle and reel dances upon their arrival at Mrs. Schomburg's home. After treats served by Nancy Lasher, the girls completed work on the bird feeders they have been making. Next week the blue birds will create valentines of their own design and make plans for a joint Valentine's party with the Honey Bears group.

Honey Bears Group

The Honey Bears blue bird group held its first afternoon meeting at Faith Evangelical Luther an church Monday, The change of meeting day and time seemed to please all concerned and the group is grateful to the pastor for giving them the opportunity of meeting at the church. The girls completed the Christmas card scrapbooks and made plans for construction of bird feeders at their next meeting. After an enjoyable hour of handicraft, treats were served by Rae Landmeier.

Arrest Motorists For Leaving Keys In Auto Ignitions

Four motorists in Elmhurst were arrested last week for leaving their car keys in the ignition.

Police said that local and state laws regarding such carelessness would be enforced. A majority of stolen cars can be traced to people leaving their key in the car.

DOWN ON THE FARM with Your Farm Adviser

Carl F. Mees

It is interesting to know many of you are reading the comments list in this column. Just this past week one of my neighbors asked me why I never mentioned adults should drink milk. She related if more adults drank milk maybe those stiff bones would not crack and pop so loud when you move.

I will agree with her that when the temperature is zero or below and you have not had your milk for the day, that maybe the lubrication in the joints of our bones is not as good as it should be. I am sorry I have not stressed people 40 or over need milk as badly as children.

* * *

MILK EXPERTS tell us everyone should have at least one pint of milk daily. If your are not drinking your milk, start immediately. It will keep you looking younger and beautiful.

It may be of interest to you to know, too, that milk is marketed differently now that it has been in the past. During the past five years Chicago consumers have cut purchases of milk in quarts from 58.8% of the volume to 26.9%, increased purchases of one-half gallon purchases from 23.2% to 36.9% and increased gallon jug purchases from 11.3% to 29.8%. In Chicago the per capita consumption of milk has increased every year for the past 25 years. Gallon jugs have played their part in this increased consumption.

Who don't you try buying milk in large containers? Maybe you would drink more of it and not run out quite so often.

WE HAVE AVAILABLE to young farmers in the county our farm and home development program. It takes into consideration the entire set up including the home, the family and the farming operations. It is a long time plan whereby you would list your goals, and also the plan you would contend to follow to reach the goals. It will be a very interesting program.

Should any of you desire to enroli in this program, I would be glad to have you contact me at my office. We will limit the number of cooperators to ten. A great deal of time will be spent with you individually so that the entire farm needs can be appraised.

A QUICK TRIP to Peru was the most interesting part of the weeks program. Dr. C. A. Van Doren of the soil and water management service University of Illinois spoke to the 125 that attended the annual meeting of the soil conservation service and showed slides of Peru. It was most interesting to see the developments there.

Agriculture is not nearly as far along in Peru as it is in our country. However, their corn on treated land yielded up to 90 bushels per acre. It was reported the variation in the mean temperature was only two degrees per day throughout the year. They had a rainfall of 130 inches.

The most interesting item was the banana crop. He stated an average bunch of bananas sells for 30 cents. Here you can buy only a few for 30 cents. Should any of you ever have to opportunity to go to Peru or see slides on this country it would be well worth the time.

Moldy Silage

It's all right to feed small amounts of moldy silage to your beef cattle along with a half-feed of good hay.

Dehorning

A University of Illinois dairy specialist says that dehorning dairy calves is safe and simple if you do it before they are three months old or before the horns get larger than a quarter-dollar at the base.

Record Cows

Three local registered Holstein Friesan cows have recently set records.

Canary Belle Posch Lass, owned by Mrs. Dorothy Hammerstein, Roselle, produced 14,947 pounds of milk and 588 pounds butterfat. She was milked two times daily for 304 days, average 23 quarts daily. She was eight years, eight months old when the record began.

Florem Petunia, owned by Ray E. Meyer, Roselle, produced 13,507 pounds of milk and 560 pounds of butterfat. She was milked two times daily for 334 days, giving an average of 19 quarts per day. She was two years, two months old when the record began.

Creekdale Ollie Ormsby Daisy owned by the Mission Sisters Servants of the Holy Ghost, Techny, produced 14,417 pounds of milk and 678 pounds of butterfat. She was milked two times daily for 365 days, averaging 19 quarts per day. She was five years, four months old when the record began.

U. S. Business In Steady Gain

Business across the country is continuing to improve, the Federal Reserve Bank of Chicago reports, as industrial production, employment, steel output and bank loans take on healthier tones.

In its monthly review, "Business Conditions," the bank points out that industrial production scored sizable advances in late fall while wage and salary employment picked up more than usual. Steel output is now over 80 per cent of capacity, as compared with 63 per cent last August. Business loans at city banks too, have shown significant increases.

* * *

WIDESPREAD SIGNS of optimism augur well for the business outlook, the bank says, especially for the near future. Consumer attitude surveys recently conducted reveal that a moderate improvement has occurred in the buying public's state of mind compared with a year ago. Optimistic expectations have also been expressed by representatives of leading industrial firms regarding sales in the months ahead. Such views could have an important impact on the willingness of consumers and business men to spend.

Strength of U.S. department store totals during the four weeks preceding Christmas added another note of cheer to the already healthy business scene. Sales during this period set an all-time dollar volume record while exceeding year-ago levels by 5 per cent.

* * *

BUT THE RECOVERY in overall economic activity still has some distance to go before it regains all the ground lost since the summer of 1953. Several months ago employment was down two million from the previous year's peak and since then has picked up only 300,000. After a decline of 10 per cent, industrial production by year-end had made up less than half of its loss. Total business sales, which exceeded 50 billion dollars a month at mid-1953, have been averaging about 47 billion in recent months.

Consumer spending increased slightly in the face of the 1953-54 business decline. Rising expenditures for housing, recreation, transportation and other services more than offset a moderate drop in purchases of durable goods such as autos, appliances and furniture.

* * *

AS TO FORCES on the economic horizon which appear to moderate the current pickup in business, two lead the field:

1. Business purchases of durable producers' equipment may be in for more decline. During the past year they dropped off one-eighth, and order backlogs were cut drastically. Moreover, a recent survey of business intentions indicated a continued moderate down-trend in outlays for new plant and equipment into 1955.

2. Although inventory liquidation may well have halted in late fall, the bank doubts that any significant amount of inventory rebuilding will take place in the months ahead unless sales and orders increase sharply.

Reveal Annual Milk Use In State Schools

Annual Milk Consumption in Illinois Schools (Quarts Annually per Student by counties)

County consumption based on average daily sales in January 1954, multiplied by 180

Figures on this map show the wide variation among counties in the average amount of milk drunk per year by Illinois school children in the state-federal school lunch program. The state average as of January 1954 was 17.3 quarts per year, not counting schools in Chicago.

The schools in each of the areas outlined on the map which increases consumption most by January 1955 will be given an award by the Illinois "More Milk in Schools" committee.

* * *

SPONSORS of the "More Milk in Schools" program are the Pure Milk Association in the Chicago area, the Sanitary Milk Producers in the St. Louis area, and the American Dairy Association if Illinois in the remaining two areas. The Illinois Agricultural Association and the Prairie Farms Creameries in Carbondale, Mt. Sterling and Olney are also cooperating.

In January 1954 pupils in the Chicago area were drinking milk at the average yearly rate of 14-5 quarts per student, compared to 17.3 in the north central area, 23.2 in the St. Louis area, and 17.0 in the southeastern area.

* * *

R.W. BARTLETT, University of Illinois farm economist and member of the "More Milk in Schools" committee, says that experts in nutrition claim school children need at least half a pint of milk a day during the lunch period or during recess. At that rate the average school child would drink 45 quarts of milk a year.

Flag Bedraped Graves Attest To Foul Play Of Afghanistan Citizens

by BILL DILLINGHAM

If an American could pop into Afghanistan for a brief visit, then make a sweeping tour of the villages and larger towns, here is the picture he would return home with:

The Afghans look rather wild according to American standards, and their clothes are usually full of patches and tears.

Testimony to their untamed behavior is seen in the many graves of people who have been murdered—and generally by knife. The graves of these people get the distinction of having a flag flying over each one. The flag is generally an old shirt or rag that belonged to a friend or relative. These bannered graves are almost as frequent as trees in Afghanistan!

* * *

IN THE LARGER cities like Kabul and Herat, the streets are paved and bear traffic policemen at all intersections. In Herat, for example, one car every hour might pass, yet the officer is always there to blow his whistle and wave his arms like a busy Times Square traffic cop! There aren't more than a few such vehicles in town. This is an Afghan attempt at modernization.

If a visitor enters any post office in Afghanistan, except the one in the capital city, the authorities will have to resort to the postal catalogue in order to determine the price for a letter to the USA. When I tried it in five places, each time I was offered a cup of tea and told to wait while a clerk thumbed through the manual.

* * *

LIKE MANY places in the east, Russians are as frequent as flies. They are lending money to Afghanistan (and so is the USA), so that both war camps have their representatives floating around with pencil and notebook in hand. There seems to be competition as to who can build better bridges and dams, while the Afghans sit by, relaxed, and ride the political tide.

The entire 1000 miles across Afghanistan by road is all unpaved. It is one of the best unpaved roads in Asia, however, so that driving is comfortable. Gas stations—frequently no more than a man with a number of five-gallon cans—are never more than 200 miles apart. The price is about 50 cents a gallon.

* * *

IF YOU HAVE been driving through Afghanistan and your car breaks down before you manage to get to the border, worry over spare parts is unnecessary. The Afghans don't officially import spares, but you can get them anyway. Just go to the bazaar and place an order. During the night the merchant will send his man out to steal the part from another car! But then you'll have to leave town before the fellow pays to have it replaced!

Short Spray Time Complicates Elm War

As in any war, the problem of logistics getting the men, equipment and supplies to the right spot at the right time is a major one in the fight against the relentless march of Dutch elm disease.

In many sections there are on the average only ten to fifteen days in early spring when weather conditions are favorable for DDT spraying. This makes it important for civic fathers and home owners to plan now to get the spraying job accomplished in the critical period before leaves unfold, advises H. J. Rice, field representative of the Davey Tree Expert Co.

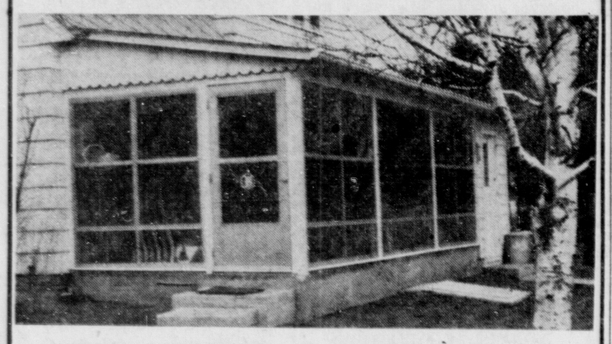

Best bet is to place orders now for early spring spraying to thwart the elm bark beetle, carrier of the Dutch elm disease. Tree men, in all probability will be busy handling their mist sprayers on a first come first serve basis.

There is no magic formula to combat the threat in infested areas. Experience has shown, however, that timely spraying and sanitation—which involves the pruning out of dead or dying branches and the removal of diseased trees—serve to minimize the epidemic and keep tree losses down. And the cost of spraying incidentally is many times less than the cost of removing a stricken tree.

Protective sprays can be successfully applied only when temperatures are well above freezing and winds are moderate.

Alert city foresters are scheduling their spraying needs now for public trees. Private owners too, should make arrangements individually or through cooperative efforts with municipalities, garden clubs and civic associations for community spraying.

Many of you may remember that dramatic broadcast of the NBC Symphony some months back when Arturo Toscanini, the credible octagenarian, decided to end his conducting career. He had trained that orchestra till it was rated as one of the world's best. Its fine musicians decided to continue, to give the public great music, to instill in the youth of our nation an appreciation for symphonic music. What makes their venture outstanding is that they will perform without a conductor, possible because of their arduous and expert training.

This great ensemble has just made a beautiful 12-inch hi-fi recording of the Tschaikowsky "Nutcracker Suite," Berlioz' fiery "Roman Carnival" Overture and the Prelude to Wagner's "Die Meistersinger." To those who donate $10 or more, this record will be given; the money contributed will make it possible for this famous orchestra to bring us joy for years to come. For data, write Symphony Foundation of America, Carnegie Hall, Room 154; 154 W. 57th St., New York City 19.

CAPITOL GIVES US a magnificent three-disc album containing the complete performance of Puccini's "Madame Butterfly," one of the most popular of all operas. To it, Puccini gave some of his most dramatic and melodious music, and it has been the vehicle for the great singing of such immortals as Geraldine Farrar, Mary Garden, Toti dal Monte and Licia Albanese. Capitol's album, released on the Cetra (Italian-made label) stars Ferrucio Tagliavini as Lieutenant Pinkerton in one of his finest recorded singing achievements, Clara Petrella an excitingly convincing soprano in the title role, and Giuseppe Taddei a superb Sharpless. Mafalda Masini as Suzuki, the faithful maid of Madame Butterfly, achieves an unforgettable portrayal.

Angelo Questa conducts the Radio-Television Orchestra Italiana of Turin and the fine Cetra chorus with exceptional feeling for the lyric and dramatic contrasts.

Inside-Outside Kitchen Provides for Modern, Easygoing American Living

"All-American" is what the editors of Home Modernizing magazine call the inside-outside kitchen shown below. In an article in the current issue, the editors explain that they chose this model because "kitchen and surrounding areas eloquently express the new American concepts of easygoing, indoor-outdoor living, relaxed hospitality, comfort, convenience and colorful beauty." Below, the view from the dining room shows the patio at right, cooking and laundry areas in the background—all integrated for informal "All-American" living.

In the Shadow of + + + The Steeple

by William O. McGill

What can be done about the critical situation which is developing in relation to our schools? Indeed, how critical is that situation?

More than one-third of the Cook County school districts are already levying more than $1.00 per $100 for educational funds (45); 28 of these have already reached the maximum of $1.125. These are also the districts which have the greatest need for new buildings. But they are residential communities — without industrial development, without large holdings by utility companies. Furthermore, most Cook County suburban homes these days are being built at "modest" price levels.

The County, Superintendent of Schools, Noble Puffer, has been having a series of meetings with school superintendents, PTA presidents and legislative chairmen to try to block out a program of understanding of the problem and techniques for meeting it. This week's essay grows out of one of these meetings.

* * *

IN A WAY, the situation can be simply stated: the schools need more money, and where shall they get it?

The Legislature's committee on the crisis in the public schools says that we do not have equitable assessments in Cook County. Change the equalization formula to 1.99, say, instead of 1.41; or reassess every home in terms of its approximate market value. (I can hear your yelp of pain now!)

A second possibility is to raise the maximum by an act of the legislature. Instead of a $1.125 ceiling, make it $1.25 or $1.375. (I hear that, too.)

* * *

WHAT OTHER ways are there to obtain more money? Persons interested in the support of schools could urge the Legislature and Governor to increase the Retailers Occupational Tax 1% on the dollar— and utter a few prayers that most of the increase will be turned into increased state aid to schools.

The so-called sales tax is undoubtedly unfair at the lower income levels, but it provides a broader base for taxation than real estate.

If the real estate taxes were supplemented by adequate assessment and collection of personal property taxes, including a few small alterations to permit responsible collection of the personal property tax on mobile homes, there could be an increasing fairness in the tax base.

* * *

APPARENTLY the most equitable form of taxation would be a state-graduated-income tax with a corresponding removal of all but token real property taxes.

I shall have to continue this summary. In the meantime, school boards, teachers, PTA's and children are singing, in effect.

'Go on, get out of here, and bring me some money, do!"

More Prefabs Forecast For Coming Years

Prefabricated structures will become more widespread in the next few years—provided certain needed improvements are made to make them more popular.

That is the belief of Raymond W. Sauer, supervisor of the structural analysis section in the propulsion and structural research department at Armour research foundation of Illinois Institute of Technology, Chicago.

"This not only will involve structural advances, such as making flexible floor plans available, but also improving such interior features as wall finishes," Sauer pointed out.

IF A FAMILY buys a prefabricated home today, it gets the choice of a minimum of rigid floor plans. Sauer said interior components must be made flexible, so that families may have some latitude in laying out their homes.

He predicted there will be new structural materials as well as new uses for old materials.

"The public," Sauer commented, "has become very conscious of, and eager for, new structural materials."

HE PREDICTED that plastics will be used in making main members, such as walls, for homes, but warned there still are details to be worked out in their use, such as the problems of making structural connections.

Sauer stated that new uses for brick also will be found now that building experts have discovered reinforced brick masonry is versatile in its applications and can be used in many instances where it was previously necessary to use concrete.

Reason For Tree Winter Injury Runs 'Hot, Cold'

Sometimes it's comparative warmth rather than extreme cold that causes winter injury to trees and shrubs.

This quirk of nature generally is not understood by weekend gardeners. Most people assume damage always is done when the thermometer drops way down.

This may be true with some kinds such as boxwood and other semi-hardy species. However, leading horticulturists are convinced much winter injury occurs on unseasonably warm days, says W. H. Parker, field representative of the Davey Tree Expert Co.

When temperatures build up into the middle 60's and even into the 70's, evergreens will transpire rapidly and dehydrate. Unless moisture is replenished quickly, leaves, twigs and branches are sure to suffer injury. Sometimes, deciduous trees, too, are victims of a kittenish winter. Prolonged warm winter sunshine may cause cells in the cambium layer of normally hardy trees to become active. Nighttime zero weather, following the sunshiny days, damages these cells and sometimes kills large bark areas.

With evergreens, protective mulches over root areas help minimize winter injury. For boxwoods and other valuable and delicate evergreens, burlap coverings to screen out the sun may be desirable.

Subject: Figurines and Plaques

No field in hobby arts is broader than this one which presents both amateur and commercial aspects, has appeal for both sexes and has no age limit. Our Junior class-(8 to 14) are able to obtain professional effects very quickly and we recently saw the display of an eighty-two year old (young!) lady who had filled a whole cabinet with figurines which she had decorated and the collection was all the more amazing when one considered the arthritic condition of her hands!

Most everyone, nowadays, acquires knick-knacks of one sort or another (they should be grouped to make a point of interest) and who would refuse to exchange meaningless ones for those that are made by some family member, whether it be Grandma, Junior or perhaps yourself! There is a saturation point on how much jewelry you can wear or how many pictures you can hang on your walls but if you like figurine work, you can go on and on with it and all the time, your hobby becomes more expressive of your own creativeness and more and more interesting.

The decorating work is mildly exhilerating and far less exacting than many other crafts. All the messiness of ceramics is avoided and it is really a kitchen (or any other small) table deal. It requires no constant jumping up and down or careful timing and all the materials are comparatively inexpensive. The minute you start to paint, you are creating something; making an undecorated article at least twice as valuable as it was, so on that score, alone, you can be sure that your spare time is being satisfactorily well spent.

At the hobby level (decorating) it would be hard to find anything easier or more interesting, and new finishes and new subjects(you can now buy strictly "modern" undecorated items) will serve to revive interest in a craft too often overlooked. Today, you can make figurines (or plaques) look like ivory, ebony, marble, ceramics, wood, metal and even like glass, should you take up plastic-casting!

There are commercial possibilities in making molds and in the creation of original models. The latter phase of the work belongs to the Art field because it requires creative ability with clay (sculptoring) but the actual casting is almost mechanical whether you buy or make the molds.

Several articles in recent issues of Profitable Hobbies magazine have told about small and successful figurine businesses manned by husband and wife teams. Like any other venture of this nature, a certain amount of business acumen is not only useful but necessary and in each case, the point was stressed that, originally, the work had been taken up as a hobby by either one partner or the other. So if you are looking for a "leisure time effort" that might someday pay even more than it's own way I can not do better than to suggest that you investigate this field.

Masque-making is akin to the making of plaques and on this one phase alone, I can think of several companies that do national advertising. Little business or big we carry decorating supplies as well as both decorated and undecorated figurines. Roly-poly sets of dogs, elves and whimsical imps vie with colorful Chinese subjects, contemporary modern as well as traditional figurines. Come in and browse around!

Retires After 32 Years With Stewart Warner

"Having 'Love' around the house 24 hours a day is a help, not a hindrance," says Mrs. Charles Love who lives on Kirchhoff road, Palatine. Husband Charlie has retired after 32 years of work with Stewart Warner Corp. He is now a 24 hour man at home helping with the household chores. After 10 days of it his wife still insists she is glad to have him home.

Charles started with Stewart Die Casting, a Stewart Warner subsidiary, at 4535 W. Fullerton ave., Chicago, December 15, 1922. He was originally employed as a ledger clerk working with Fred Kirch, now treasurer of Stewart Warner. Various promotions have come to Charlie over the last 32 years, ending with his job as accountant supervisor. Charlie knows he will have plenty to do around home maintaining his house and large lot along Kirchhoff rd. south of Palatine. Also included will be continuing his hobby of model trains. (BB

Horse Defies Auto Age—And Wins!

A horse took exception to the transportation of the machine age and came out the victor in a brief encounter with an Elmhurst driver.

Marge McComb, 420 Hawthorne ave., had finished exercising her horse at a stables on Cumberland ave. and was driving out of the entrance gate in her car when the accident occurred.

A horse had thrown its rider and evidently failed to see Miss McComb's auto. It smashed into the side of the car, causing $250 damage. The horse was unhurt.

"20,000 Leagues Under the Sea," based on the celebrated novel by Jules Verne, is the mightiest film in Walt Disney's career. Hollywood's outstanding Academy Award winner has given the dramatic sea story a lavish production in CinemaScope and Technicolor, with an impressive cast starring Kirk Douglas, James Mason, Paul Lukas and Peter Lorre.

It will be shown at Catlow theater, Barrington, Sunday through Saturday, Feb. 6-12. The Buena Vista release features the most extensive underwater footage ever seen on the screen. These sequences were filmed on location at Nassau, in the Bahama Islands, where the troupe worked 30 feet below the surface of the Caribbean. Following that two-month stretch, another three months were spent on the sets at the Burbank studio to complete the epic film.

Lessons In .... English

by W. L. GORDON

Words Often Misused

Do not say, "I intended to see that movie all week." That would have been a long movie, had you seen it all week. Say, "I intended all week to see that movie."

Do not say, "Please feel of the material in this dress." Omit "of." "Feel of" is correct only when "feel" is a noun, as "She liked the feel of the dress."

Do not say, "I know it to be he." Say, "I know it to be him."

Distinguish between "forceful" (full of force; having force) and "forcible" (employing force). "The governor is a forceful speaker." "The poor family was evicted by forcible measures."

Do not say, "He is an authority about the English language." Say, "an authority on English language."

Do not say, "She came here the fifth of January." Say, "She came here on the fifth of January."

Words Often Mispronounced

Billet-doux. Pronounce bil-a-doo, i as in bill, a as in ate unstressed, oo as in too, principal accent on last syllable.

Intricacy. Pronounce in-tri-ka-si, all i's as in it, and accent first syllable (not the second).

England. Pronounce first syllable as ing, not as eng.

Routine. Pronounce roo-ten, oo as in root, e as in tea, accent second syllable.

Gill (a measure); pronounce as jill. Gill (respiratory organ of a fish); pronounced as spelled.

Ovid (Roman poet). Pronounce the o as in on, not as in cold.

Words Often Misspelled

Equable (even; uniform); equitable (just; fair). Holy (sacred); wholly (entirely). Omelet; two e's one l. Frontispiece; observe the tis. Barbarous; bar twice. Liable (responsible); libel (false statement).

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Manifest (adjective); obvious to the understanding. "His true character was made manifest through his actions."

Disputation; act of disputing; controversy; debate. "After a lengthy disputation on the subject, a vote was taken."

Complexity; anything intricate or complicated. "He pondered over the complexites of life."

Primal; first in importance; chief. (Pronounce the i as in prime). "We must all give attention to our primal duties."

Rectitude; uprightness in principles and conduct. "Never again did he stray from the path of rectitude."

Vexation; trouble; irritation. "To one who is unhappy, even wealth can be a vexation."

Modern Etiquette

by ROBERTA LEE

Q. Is the usually accepted "How do you do" the correct acknowledgment to an introduction when a friend brings a stranger to your home?

A. In this case, a somewhat more sincere and gracious acknowledgment is in order. To put your friend at ease, you should tell him you are happy he brought his friend. And to put your friend's friend at east, you can say, "I'm pleased you could come."

Q. Is it proper to take chicken or chops up in the fingers when eating?

A. Chicken and chops are not finger foods, except at a picnic. Anyone who has learned to eat properly can, with a little practice, cut all the meat from the bones without waste.

Q. What rules should be observed in typewritten social letters?

A. Single sheets of paper should be used, written on one side only. And your signature should always be written by hand.

Q. Is it obligatory for a bride to entertain those friends who have given her wedding gifts?

A. While this is not exactly obligatory, most brides are eager to entertain their friends in their new home. So far as "obligatory" is by writing her sincere "thank you" notes for the gifts.

Q. I have a figured lamp I wish to place in front of a picture window. Should it face toward the living room or the outside?

A. The decoration should face the living room.

Q. How far under the table should the chairs be pushed, when placing them for a dinner?

A. The front edge of the chair should be on a perpendicular line with the edge of the table.

Q. When signing her name to a business letter, must an unmarried woman use "Miss" in front of her name?

A. Yes; but the "Miss" should be enclosed in parentheses, as, "(Miss) Joyce M. Farley." A married woman should abide by this rule, also.

Q. Is the abbreviation "R. S. V. P." correctly written in capital letters? A. Only the first letter is capitalized, as, "R.s.v.p."

Folk Dance Festival

The Chicago folk dance leadership council is presenting its second folk dance festival Sunday, February 6, from 7-11 p.m. at the Loyola Park field house, 1230-W, Greenleaf ave., Chicago.

'Little Bill' New Arrival On Local Electrical Scene

A new character has arrived in Northern Illinois.

His name is Little Bill and if the plans of his creator, Public Service Company, work out he will become one of the best known commercial symbols in the area served by the utility.

Little Bill is a cross between a talking bird and a light bulb.

The lamp symbolizes electricity and the bird's cry of "cheap, cheap," has an obvious significance.

Little Bill will have a foil — Big Bill—who will appear on the same stage on occasion. The big fellow is a Pelican whose huge bill contrasts with the dainty beak of Little Bill.

Big Bill will represent the high cost of living, while Little Bill will be shown as still working for "pennies a day."

With Uncle Sam

A 2/c DALE P. CHRISTIE, USAF, who has been stationed in Tokyo for the past 10 months, was recently transferred to Formosa. Dale, the son of Mr. and Mrs. Roy Christie, Lincoln lane, Arlington Heights, is a graduate of Arlington Heights high school. He is now attached to the weather bureau and is able to telephone his parents every two or three months.

In Japan

PFC Thomas C. Stockdale, son of Mr. and Mrs. Don Stockdale, 610 S. State rd., Arlington Heights, recently arrived at the Yokohama engineer depot and is now serving with detachment C at Yokohama, Japan.

Stockdale last served at Fort Leonard Wood, Mo., where he completed basic training.

He is a 1953 graduate of Northwestern University and a member of Sigma Nu fraternity.

In California

John Lee Hoth, son of the Ray Hoths of Palatine rd., Palatine, enlisted in the marines at Oak Park Dec. 7 and will soon complete boot training at San Diego. After a ten day furlough in early March, he will be assigned to duty at Camp Pendleton, Calif.

His present address is Private John L. Hoth, 1531968 U.S. Marine Corps, Platoon 2081, Able Company 2nd Recruit Training Battalion, San Diego 40, Calif.

Charged With Arson

A 13-year old boy from Pleasant Hill near Glen Ellyn has been charged with arson in two fires causing $20,000 to $25,000 damage to a church and two garages.

Two charges of arson have been brought against Paul Pearson, who is being held on $10,000 bond. He has admitted setting fires at the garages and also at Pleasant Hill Community church.

Newsstand Of The Week

For five years Mrs. Thomas Walenter has been one of 62 dealers who helped push Paddock Publications circulation to more than 18,000 weekly. She is the owner-manager of Walenter's Grocery at Rand and Lake-Cook rds. in Palatine township.

Since 1946 Mrs. Walenter, her husband, and their family have run the store which sells groceries and dairy products, bakery goods, cold cuts, cosmetics and drugs, and cigarettes. Their specialty is fresh eggs from a nearby farm, and they also sell Sealtest ice cream.

Mrs. Walenter's chief assistant is her daughter, Shirley, 13, who helps out after school and weekends. Other members of the family are Billy, 11, and a brother, 4 months.

Hours for the grocery are 8 a. m. to 8 p. m. daily and 9:30 a. m. to 6 p. m. Sunday. —Staff Photo

Home Owners Attention

NOW IS THE TIME TO GIVE A THOUGHT TO YOUR FAMILY'S FUTURE HOME LIFE

Do you know that we are the only Building Contractor in Arlington Heights who has any choice building sites left on the south side on which to build that new home for you?

You and the children are now established here in Arlington Heights. Do you wish to stay here?

Have you outgrown your present home? Has your family increased?

Do you find you need more room, an extra bathroom, a basement, perhaps a recreation room or den?

Figure it out, yourself. Can you afford to make a change? Your present home, even if inadequate for your present needs has no doubt increased in value since you bought it.

Your equity is now larger so at its present sales price you can now afford a new, more satisfactory home.

Do you know that choice building sites are becoming more and more scarce and in another year they will be practically impossible to obtain in a desirable south side location. WE HAVE THEM.

BETTER CONSULT WITH US NOW. WE ARE CUSTOM BUILDERS AND OWN A CONSIDERABLE NUMBER OF LOTS ON THE SOUTH SIDE OF TOWN.

We have many different plans to choose from and will build a home to suit your needs on one of our lots in the vicinity of the South School and Our Lady of the Wayside School and Church.

TRADE IN YOUR HOME

We are CUSTOM BUILDERS and will build a NEW HOME for you on YOUR LOT with YOUR PLANS or we have many lots available, and over 40 different plans to choose from. We appraise your home and will make you a TRADE IN GUARANTEE if your home qualifies. The amount of the guarantee will then be applied against the cost of the new home that we will build. By this method you eliminate a possible sales commission and the worry of selling your home and are assured of sufficient money to pay down on the new home even before selling it.

County Zoning Board To Construct 3,000 Home-Sites In Schaumburg

Cook county zoning board of appeals will hold a public hearing Feb. 14 to consider applications for rezoning and zoning variations in 579 acres of Schaumburg township farmland.

More than 3000 new homes would be built on the four farms involved if the board approves the petitions entered by Dorothy Dalton Hammerstein, Werner W. and Irene Kastning and Robert Bartlett.

The public hearing is scheduled for 5 p.m. in the Schaumburg Center school at Roselle and Schaumburg rds.

The land involved in the petitions is located on Higgins rd. at Golf and Roselle rds., and on Roselle rd. at Schaumburg and Bode rds.

The petitions request a rezoning of the area from farming to residential, with one parcel aside for business. They also ask that the board grant a zoning variation from the required 60 ft. widths and 10,000 sq. ft. to 65 ft. widths and 7,500 sq. ft.

Model railroad owned and operated by J. W. Christensen, Palatine. The railroad winds its way through a tiny village of miniature homes and stores, underneath a mountain which has the Statue of Liberty at its peak, and across farmland, which has a country church and Abe Lincoln's log cabin. Christensen started the project in 1949 and it now has 200 feet of double track stretching from a village named Ponderay to the paper mache mountain. —Staff Photo

While the radio stations of Radio Free Europe are transmitting the spoken work over the iron curtain daily, the printed word is being carried in leaflets from launching sites to predetermined target areas behind the Curtain by plastic balloons.

Both Radio Free Europe and the balloon launching program are financed through the annual Crusade For Freedom. The Lions clubs of the United States are continuing their support of the Crusade For Freedom and their international president, Monroe L. Nute recently inspected the European installations of Radio Free Europe near Munich, Germany.

Top fashion news this season features the car coat, a design inspired by today's craze for the continental sports car, the National Cotton Council reports. Designer Bart Everhart chooses Sea Island water-repellent, grey and white striped cotton poplin for this dashing "coolie" style. The coat has a zip-up hood and a lining of quilted gold cotton flannel. It is smart as a stadium or knockabout coat.
